SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Employee Retirement Income Security Act of 1974 Investment Manager Electronic Registration information collection. The Department's regulation provides that, in order to meet the definition of investment manager in section 3(38) of the Employee Retirement Income Security Act of 1974, state-registered investment advisers must register electronically through a centralized electronic filing system established by the SEC or a State investment authority called the Investment Adviser Registration Depository ("IARD"), rather than providing a paper copy of their state registration to the Secretary of Labor. Under section 402(c)(3) of the Employee Retirement Income Security Act of 1974 (ERISA), if an "investment manager" (as defined in section 3(38)) of ERISA manages plan assets, the plan's trustee is relieved from certain fiduciary obligations

relating to the management of the assets for which the investment manager is responsible. ERISA section 3(38) authorizes this information collection. *See* 29 USC 1002(38)(B).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0125.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on August, 31, 2019. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on March 27, 2019 (84 FR 11573).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1210-0125. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
