Announcement of Funding Awards

AGENCY: Office of Business Transformation, HUD.

ACTION: Notice.

SUMMARY: In accordance with the Department of Housing and Urban Development (HUD) Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in competitions for funding under the Notices of Funding Availability (NOFAs) for the following programs: FY 2018 Self-Help Homeownership Opportunity Program (SHOP) Competition, FY 2018 Continuum of Care Program Competition, FY 2018 Choice Neighborhoods Implementation; and The FY 2018 Veterans Housing Rehabilitation Modification Pilot Program.

FOR FURTHER INFORMATION CONTACT: Office of Business Transformation, Grants Management and Oversight Division at AskGMO@hud.gov or the contact person listed in each appendix.

SUPPLEMENTARY INFORMATION:

The FY 2018 Self-Help Homeownership Opportunity Program (SHOP) competition was announced in the NOFA published on grants.gov on September 12, 2018, FR-6200-N-19 and which closed on November 12, 2018. Applications were rated and selected for funding based on selection criteria contained in the NOFA. HUD awarded 4 recipients $10,000,000 for eligible national and regional non-profit organizations and consortia to purchase home sites and develop or improve the infrastructure needed to set the stage for sweat equity and volunteer-based

homeownership programs for low-income persons and families. Through this NOFA, HUD is making $10,000,000 of FY2018 Self-Help Homeownership Opportunity Program (SHOP) grant funds available to national and regional non-profit organizations and consortia. SHOP funds must be used for eligible expenses to develop decent, safe and sanitary non-luxury housing for low-income persons and families who otherwise would not be able to afford to become homeowners.

The FY 2018 Continuum of Care Program competition was announced in the NOFA published on grants.gov on June 20, 2018, FR-6200-N-25 and which closed on September 18, 2018. Applications were rated and selected for funding based on selection criteria contained in the NOFA. HUD awarded to 6,791 recipients $2, 167,075,776 to house persons experiencing homelessness throughout the country. This NOFA also included up to $50 million for Domestic Violence (DV) Bonus projects.

The FY 2018 Choice Neighborhoods Implementation Grants competition was announced in the NOFA published on grants.gov on May 18, 2018, FR-6200-N-34 and which closed on September 18, 2018. Applications were rated and selected for funding based on selection criteria contained in the NOFA. HUD awarded 3 recipients $85,000,000 to leverage significant public and private dollars to support locally driven strategies that address struggling neighborhoods with distressed public or HUD-assisted housing through a comprehensive approach to neighborhood transformation. Local leaders, residents, and stakeholders, such as public housing authorities, cities, schools, police, business owners, nonprofits, and private developers, come together to create and implement a plan that revitalizes distressed HUD housing and addresses the challenges in the surrounding neighborhood. The program helps communities transform neighborhoods by revitalizing severely distressed public and/or assisted housing and catalyzing

critical improvements in the neighborhood, including vacant property, housing, businesses, services and schools.

The FY2018 Veterans Housing Rehabilitation Modification Pilot Program competition was announced in the NOFA published on grants.gov on April 19, 2018, FR-6200-N-39 and which closed on June 25, 2018. Applications were rated and selected for funding based on selection criteria contained in the NOFA. HUD awarded 8 recipients $7,430,000 to explore the potential benefits of awarding grants to nonprofit organizations to rehabilitate and modify the primary residence of veterans who are low-income and living with disabilities.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545(a)(4)(C)), the Department is publishing the awardees and the amounts of the awards in Appendix A to this document.
