AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 22, 2019, the Department of Commerce (Commerce) published in the Federal Register the preliminary results of the thirteenth administrative review of the antidumping duty order on certain warmwater shrimp from the Socialist Republic of Vietnam (Vietnam). Based upon our analysis of the comments received, we determine that sales by Fimex VN and Nha Trang Seaprod...
On April 22, 2019, Commerce published the *Preliminary Results*. On May 22, 2019, Fimex VN and Quang Minh Seafood Co., Ltd. filed case briefs. On May 28, 2019, the petitioner filed its rebuttal brief.

**Scope of the Order**

The merchandise subject to the *Order* is certain frozen warmwater shrimp. The product is currently classified under the following Harmonized Tariff Schedule of the United States item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. The written description of the scope of the *Order* is dispositive. A full description of the scope of the *Order* is available in the accompanying *Issues and Decision Memorandum*.

**Analysis of Comments Received**

All issues raised in the case and rebuttal briefs by parties to this review are addressed in the accompanying *Issues and Decision Memorandum*. A list of the issues which parties raised, and to which we respond in the *Issues and Decision Memorandum* is attached as Appendix I to this notice. The *Issues and Decision Memorandum* is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at

**Final Determination of No Shipments**

In the *Preliminary Results*, Commerce determined that 18 companies\(^8\) under active review did not have any reviewable transactions during the POR. As we have not received any information to contradict this determination, Commerce determines that these 18 companies did not have any reviewable entries of subject merchandise during the POR, and will issue appropriate instructions that are consistent with our “automatic assessment” clarification, for these final results.

**Final Results of Review**

In the *Preliminary Results*, Commerce found that 67 companies for which a review was requested have not established eligibility for a separate rate and were considered to be part of the

\(^8\) *See Preliminary Results*, 84 FR at 16648. These 18 companies are: (1) Au Vung One Seafood Processing Import & Export Joint Stock Company; (2) Au Vung Two Seafood Processing Import & Export Joint Stock Company; (3) Bien Dong Seafood Co., Ltd.; (4) BIM Foods Joint Stock Company also initiated as BIM Seafood Joint Stock Company; (5) Cafate Corporation; (6) Xi Nghiep Che Bien Thuy Suc San Xuat Kau Cantho; (7) Taydo Seafood Enterprise; (8) Cam Ranh Seafoods; (9) Green Farms Joint Stock Company also initiated as Green Farms Seafoods Joint Stock Company; (10) Investment Commerce Fisheries Corporation (“INCOMFISH”) also initiated as Investment Commerce Fisheries Corporation (Incomfish); (11) Khanh Sung Co., Ltd.; (12) NGO BROS Seaproducts Import-Export One Member Company Limited (“NGO BROS Company”) also initiated as Ngo Bros Seaproducts Import-Export One Member Company Limited (“Ngo Bros. Co., Ltd.”), and Ngo Bros Seaproducts Import-Export One Member Company Limited (Ngo Bros); (13) Tacvan Frozen Seafood Processing Export Company also initiated as Tacvan Frozen Seafood Processing Export Company (Tacvan Seafoods Co.) and Tacvan Seafoods Company (“TACVAN”); (14) Thanh Doan Sea Products Import & Export Processing Joint Stock Company Thadimexco also initiated as Thanh Doan Sea Products Import & Export Processing Joint-Stock Company (THADIMEXCO); (15) Thong Thuan – Cam Ranh Seafood Joint Stock Company also initiated as Thong Thuan – Cam Ranh Seafood Joint Stock Company (T&T Cam Ranh) and Thong Thuan Cam Ranh Seafood Joint Stock Company (“T&T Cam Ranh”); (16) Thong Thuan Seafood Company Limited; (17) Trung Son Seafood Processing Joint Stock Company also initiated as Trung Son Corp.; and (18) Vinh Hoan Corp.
Vietnam-wide entity.\(^9\) We continue to find that, for the final results, these 67 companies remain ineligible for a separate rate (see Appendix II). Under Commerce’s policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity.\(^{10}\) Because no party requested a review of the Vietnam-wide entity, the entity is not under review and the entity’s rate is not subject to change.

For companies for which a review was requested and that have established eligibility for a separate rate, Commerce determines that weighted-average dumping margins of zero percent exist for each during the period February 1, 2017 through January 31, 2018:

\(^9\) See Appendix II for a full list of the 67 companies (accounting for duplicate names initiated upon); see also Preliminary Results at Appendix II.

\(^{11}\) Due to the issues we have had in past segments of the proceeding with variations of exporter names related to this Order, we remind exporters that the names listed in the rate box are the exact names, including spelling and punctuation which Commerce will provide to U.S. Customs and Border Protection (CBP) and which CBP will use to assess POR entries and collect cash deposits. Any names with punctuation variations, such as all capitalizations, dashes, periods, or commas, or abbreviations of the word Company to “Co.” and Limited to “Ltd.” can be confirmed by Commerce in the event CBP inquiries about such variations. Commerce reminds interested parties that claimed affiliates are not automatically added to an exporter’s rate box unless Commerce has made an affiliation determination for that exporter in the instant, or in prior, segments of the proceeding. Furthermore, inclusion of alternate trade names in an exporter’s rate box must be supported by evidence on the record that the alternate trade name: 1) appears on the exporter’s business license (as an exporter), and 2) appears on commercial documents for CBP’s examination upon entry. See, e.g., Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review, 2016-2017, 83 FR 46704 (September 14, 2018), and accompanying Issues and Decision Memorandum at Comment 3.

\(^{12}\) Commerce has determined for these final results that Fimex VN and Sao Ta Seafood Factory are affiliated within the meaning of section 771(33) of the Act and comprise a single entity pursuant to 19 CFR 351.401(f). For a complete discussion of this determination, see Issues and Decision Memorandum at 3-6.

\(^{13}\) Commerce previously determined Nha Trang Seaproduction Company to be part of a single entity along with NT Seafoods Corporation, Nha Trang Seafoods -- F89 Joint Stock Company, and NTSF Seafoods Joint Stock Company. Rescission, and Request for Revocation, In Part, of the Fifth Administrative Review, 76 FR 12054, 12056 (March 4, 2012), unchanged in Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review, 76 FR 56158 (September 12, 2011). As the single entity has not reported changes since the preceding administrative review regarding the corporate or legal structure of the companies within the single entity, we continue to find that these companies are affiliated and comprise a single entity to which we will assign a single rate.

**Disclosure and Public Comment**

Normally, Commerce will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of the notice of final results in the *Federal Register*, in accordance with 19 CFR 351.224(b). However, as we have made no changes to the margin calculations for Fimex VN or Nha Trang Seaproduct Company since the *Preliminary Results*, there are no final calculations to disclose for these final results.

**Assessment Rates**

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue
assessment instructions to CBP 15 days after the date of publication of these final results of review.

To determine whether the duty assessment rates are \textit{de minimis}, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer- (or customer-) specific \textit{ad valorem} ratios based on the estimated entered value. As each respondent’s weighted average dumping margin is zero or \textit{de minimis}, or an importer- (or customer-) specific \textit{ad valorem} rate is zero or \textit{de minimis}, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.\textsuperscript{14}

Additionally, consistent with its assessment practice in non-market economy (NME) cases, if Commerce continues to determine that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter’s case number (\textit{i.e.}, at that exporter’s rate) will be liquidated at the NME-wide rate.\textsuperscript{15}

\textbf{Cash Deposit Requirements}

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) for the companies listed above, which have a separate rate, a zero cash deposit will be required; (2) for previously investigated or reviewed Vietnam and non-Vietnam exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnam exporters of subject merchandise that have not been found to be

\textsuperscript{14} See 19 CFR 352.106(c)(2); and Antidumping Proceeding: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification, 77 FR 8101, 8103 (February 14, 2012).

\textsuperscript{15} For a full discussion of this practice, see Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties, 76 FR 65694 (October 24, 2011).
entitled to a separate rate, the cash deposit rate will be that for the Vietnam-wide entity; and (4) for all non-Vietnam exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnam exporter that supplied that non-Vietnam exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: August 20, 2019.
