SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the Evaluation of Employer Performance Measurement Approaches information collection. The U.S. Department of Labor (DOL) Chief Evaluation Office (CEO) is seeking Office of Management and Budget (OMB) approval to collect information from State and local public workforce system employees and partners, and to gather feedback from a group of U.S. employers, to inform the Analysis of Employer Performance Measurement Approaches study. The purpose of the study is to conduct a 36-month analysis of employer services measurement approaches and metrics, as well as their cross-State and cross-program applicability, with a goal of understanding and implementing a final indicator of performance. The study will explore and establish an understanding of employer services measurement and supplement the start-up of reporting by the States on

the National Pilot measures. The Workforce Innovation and Opportunity Act authorizes this information collection.

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6.
