SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

- (1) *Type of Information Collection:* Revision of a currently approved collection.
- (2) *The Title of the Form/Collection:* National Response Team Customer Satisfaction Survey.
- (3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*

Form number: None.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.
- (4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: State, Local or Tribal Government.

Other: None

Abstract: The National Response Team Customer Satisfaction Survey is used to obtain feedback regarding services provided by the ATF National Response Team.
- (5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 32 respondents will utilize the survey, and it will take each respondent approximately 15 minutes to complete their responses.

- (6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is eight (8) hours, which is equal to 32 (# of respondents) * 1 (# of responses per respondent) * .25 (15 minutes).
- (7) *An Explanation of the Change in Estimates:* The adjustment to the public burden includes an increase the number of respondents from 20 in 2016, to 32. Consequently, the total burden hours has also increased slightly from 5 hours in 2016, to 8 hours.
