Aluminum Extrusions from the People’s Republic of China: Final Results of Antidumping Duty Administrative Review; 2017-2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that sales of aluminum extrusions from the People’s Republic of China (China) were made at less than normal value during the period of review (POR), May 1, 2017 through April 30, 2018. We further find that each of the companies for which an administrative review was requested, and not withdrawn, failed to demonstrate eligibility for a separate rate; therefore, each is part of the China-wide entity.

DATES: Applicable [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

Background
Commerce initiated this review on July 12, 2018. These final results cover 26 companies for which an administrative review was initiated and not rescinded. On April 16, 2019, Commerce published the Preliminary Results of this administrative review and invited interested parties to comment on the Preliminary Results. On May 16, 2019, we received a case brief from Houztek Architectural Products Co., Ltd. (Houztek) and Columbia Aluminum Products, LLC (Columbia). On May 21, 2019, we received a rebuttal brief from the Aluminum Extrusions Fair Trade Committee (the petitioner). No other party submitted case or rebuttal briefs.

Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019. Between August 8 and September 11, 2019, we extended the deadline for the final results of review, until October 11, 2019.

---

2 Initially, this administrative review covered 243 companies. See Initiation Notice, 83 FR 32270 at 32274. However, Commerce rescinded this administrative review with respect to 217 companies for which all review requests were timely withdrawn. See Aluminum Extrusions from the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Review, in Part; 2017-2018, 84 FR 15587 (April 16, 2019) (Preliminary Results) and accompanying Preliminary Decision Memorandum.

All deadlines in this segment of the proceeding have been extended by 40 days.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by parties in this review are addressed in the Issues and Decision Memorandum, which is incorporated herein by reference. A list of the issues which parties raised, and to which we respond in the Issues and Decision Memorandum, follows in the Appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and is available to all parties in the
Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on our analysis of the comments received, and for the reasons explained in the Issues and Decision Memorandum, Commerce made no changes to the Preliminary Results.

China-Wide Entity

For the purposes of the final results of this administrative review, we continue to find that the following entities are part of the China-wide entity because they failed to submit both a response to Commerce’s quantity and value questionnaire and information to establish eligibility for a separate rate: (1) Activa International Inc.; (2) Belton (Asia) Development Ltd.; (3) Belton (Asia) Development Limited; (4) Changzhou Changzhen Evaporator Co., Ltd.; (5) Changzhou Changzheng Evaporator Co., Ltd.; (6) Changzhou Tenglong Auto Parts Co., Ltd.; (7) Changzhou Tenglong Auto Accessories Manufacturing Co. Ltd; (8) Changzhou Tenglong Auto Parts Co Ltd; (9) China Square; (10) China Square Industrial Co.; (11) China Square Industrial Ltd; (12) Cosco; (13) Cosco (JM) Aluminum Development Co. Ltd; (14) Dynamic Technologies China; (15) ETLA Technology (Wuxi) Co. Ltd; (16) Foshan Shanshui Fenglu Aluminum Co., Ltd.; (17) Global Hi- Tek Precision Co. Ltd; (18) Houztek; (19) Jangho Curtain Wall Hong Kong Ltd.; (20) Kromet International Inc.; (21) Kromet Intl Inc; (22) Kromet International; (23) Kunshan Giant Light Metal Technology Co., Ltd.; (24) Precision Metal Works Ltd.; (25) Sihui Shi Guo Yao Aluminum Co., Ltd.; and (26) Summit Heat Sinks Metal Co, Ltd.¹⁰

¹⁰ See Preliminary Results, 84 FR at 15587.
Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review. Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested, and Commerce did not self-initiate, a review of the China-wide entity in the instant review, the entity is not under review; therefore, the entity’s current rate, i.e., 86.01 percent, is not subject to change.

Adjustments for Countervailable Subsidies

Because no company established eligibility for an adjustment under section 777A(f) of the Tariff Act of 1930, as amended (the Act) for countervailable domestic subsidies, for these final results, Commerce did not make an adjustment pursuant to section 777A(f) of the Act for countervailable domestic subsidies for separate-rate recipients. Furthermore, because the China-wide entity is not under review, we made no adjustment for countervailable export subsidies for the China-wide entity pursuant to section 772(c)(1)(C) of the Act.

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review in the Federal Register. Consistent with Commerce’s assessment practice in non-market economy cases, if Commerce determines that an exporter under review

had no shipments of subject merchandise, any suspended entries that entered under the exporter’s case number (i.e., at that exporter’s rate) will be liquidated at the China-wide rate.¹³

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the exporter-specific rate published for the most-recently completed segment of this proceeding in which the exporter was reviewed; (2) for all Chinese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that established for the China-wide entity, which is 86.01 percent; and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter with the subject merchandise. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of

---

antidumping duties and/or countervailing duties occurred and the subsequent assessment of
doubled antidumping duties.

Notification to Interested Parties Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective
order (APO) of their responsibility concerning the disposition of proprietary information
disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern
business proprietary information in this segment of the proceeding. Timely written notification
of the return or destruction of APO materials or conversion to judicial protective order is hereby
requested. Failure to comply with the regulations and the terms of an APO is a sanctionable
violation.

Notification to Interested Parties

We are issuing and publishing notice of these final results in accordance with sections
751(a)(1) and 777(i)(1) of the Act and sections 351.213(h) and 351.221(b)(5) of Commerce’s
regulations.
