Period of Supplemental Funding: FY 2019

Assistance Listings (CFDA) Number: 93.224

Authority: Public Health Service Act, Section 330, as amended (42 U.S.C. 254b, as amended).
JUSTIFICATION: HRSA extended the FY 2019 project periods with prorated supplemental grant funds to four award recipients by up to four months until a new award is made for each service area. Continued funding to the Health Center Program award recipients ensured that individuals in the service areas received uninterrupted access to needed health care services. The approvals enabled HRSA to support consistent health care to beneficiaries, eliminate delays in funding gaps, and demonstrate administrative efficiencies. HRSA awarded approximately $3 million to the four existing Health Center Program award recipients noted in Table 1.
