A classified school employee is an employee of a state or any political subdivision of a state, or an employee of a nonprofit entity, who works in any grade from pre-kindergarten through high school in any of the following occupational specialties: paraprofessional, clerical and administrative services, transportation services, food and nutrition services, custodial and maintenance services, security services, health and student services, technical services, and skilled trades. The terms used have the meaning given the terms in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801). The U.S. Department of Education (Department) invites the governor of each state to nominate up to two classified school employees by November 30, 2020. The Secretary of Education will select a single classified school employee to receive the RISE Award for that school year by spring 2021.
