SUPPLEMENTARY INFORMATION:

Background
On September 28, 2006, Commerce published the CLPP from India AD Order in the Federal Register. On November 15, 2018, pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), Commerce initiated an administrative review of the antidumping duty order on certain lined paper products from India. Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 28, 2019. On June 19, 2019, we extended the deadline for the preliminary results to November 8, 2019.

Commerce initiated this administrative review covering the following thirteen companies: Cellpage Ventures Private Limited (Cellpage), Goldenpalm Manufacturers PVT Limited (Goldenpalm), Kokuyo Riddhi Paper Products Private Limited (Kokuyo), Lodha Offset Limited (Lodha), Lotus Global Private Limited (Lotus Global), Magic International Pvt. Ltd. (Magic), Marisa International (Marisa), Navneet, Pioneer Stationery Private Limited (Pioneer), PP Bafna Ventures Private Limited (PP Bafna), SAB, SGM Paper Products, and Super Impex. This review covers two mandatory respondents, Navneet and SAB. The other eleven companies were not selected for individual examination and remain subject to this administrative review.

Scope of the Order

3 See Memorandum to the Record from Gary Taverman, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Partial Shutdown of the Federal Government,” dated January 28, 2019. All deadlines in this segment of the proceeding have been extended by 40 days. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day.
5 The name of PP Bafna was inadvertently misspelled in the initiation notice.

Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive. A full description of the scope of the *CLPP from India AD Order* is contained in the Preliminary Decision Memorandum.⁷

**Preliminary Determination of No Shipments**

On November 22 and December 6, 2018, in their respective responses to Commerce’s quantity and value questionnaire, Lodha and Pioneer reported that they had no exports or sales of subject merchandise into the United States during the POR. On December 10, 2018, Marisa submitted a certification of no shipments. To confirm Lodha’s, Marisa’s, and Pioneer’s no-shipment claims, Commerce issued a no-shipment inquiry to U.S. Customs and Border Protection (CBP) requesting that it review Lodha’s, Marisa’s, and Pioneer’s no-shipment claims. CBP reported that it had no information to contradict these claims of no shipments during the POR.

Given that Lodha, Marisa, and Pioneer reported that they made no shipments of subject merchandise to the United States during the POR, and there is no information calling their claims into question, we preliminarily determine that Lodha, Pioneer, and Marisa did not have any reviewable transactions during the POR. Consistent with Commerce’s practice, we will not

---

rescind the review with respect to Lodha, Marisa, and Pioneer but, rather, will complete the review and issue instructions to CBP based on the final results.\(^8\)

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(2) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at [https://access.trade.gov](https://access.trade.gov) and is available to all parties in the Central Records Unit, Room B–8094 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at [http://enforcement.trade.gov/frn/](http://enforcement.trade.gov/frn/). The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

**Rate for Non-Selected Respondents**

For the rate for non-selected respondents in an administrative review, generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation. Under section 735(c)(5)(A) of the Act, the

---

all-others rate is normally “an amount equal to the weighted-average of the estimated
weighted-average dumping margins established for exporters and producers individually
investigated, excluding any zero or de minimis margins, and any margins determined entirely {on
the basis of facts available}.” In this segment of the proceeding, we calculated a margin for
Navneet that was not zero, de minimis, or based on facts available. Accordingly, we have
preliminarily applied the margin calculated for Navneet to the non-individually examined
respondents.

Preliminary Results of the Review

We preliminarily determine that, for the period September 1, 2017 through August 31, 2018, the following weighted-average dumping margins exist:

<table>
<thead>
<tr>
<th>Producer/Exporter</th>
<th>Weighted-Average Dumping Margin (percent)</th>

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Navneet or SAB is not zero or de minimis (i.e., less than 0.5 percent), we
will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).\footnote{In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012). (Final Modification for Reviews).} If the weighted-average dumping margin for the respondents listed above is zero or *de minimis* in the final results, or an importer-specific assessment rate is zero or *de minimis* in the final results, we will instruct CBP not to assess antidumping duties on any of their entries in accordance with the *Final Modification for Reviews*.\footnote{Id., 77 FR at 8102.}

In accordance with Commerce’s assessment practice, for entries of subject merchandise during the POR produced by Navneet or SAB for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate of 3.91 percent, as established in the less-than-fair-value investigation, if there is no rate for the intermediate company(ies) involved in the transaction.\footnote{See *CLPP from India AD Order*, 71 FR at 56952.} For a full discussion of this matter, see *Assessment Policy Notice*.\footnote{See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*).}

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash

deposit rate for respondents noted above will be the rates established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.91 percent, the all-others rate established in the investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Commerce’s presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties.
