² 17 CFR 240.19b-4.

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to modify the Exchange's all-inclusive annual listing fees for all domestic and foreign companies listing equity securities covered by Listing Rules 5910 and 5920 on the Nasdaq Global Select, Global and Capital Markets.

Currently, for companies listed on the Capital Market, other than, in part, ADRs, Closed-end Funds and Limited Partnerships, the all-inclusive annual fee ranges from \$42,000 to \$75,000; for ADRs listed on the Capital Market the all-inclusive annual fee ranges from \$42,000 to \$50,000; and for Limited Partnerships listed on the Capital Market the all-inclusive annual fee ranges from \$30,000 to \$37,500. On the Global and Global Select Markets, the all-inclusive annual fee for companies other than, in part, ADRs, Closed-end Funds and Limited Partnerships ranges from \$45,000 to \$155,000; for ADRs the all-inclusive annual fee ranges from \$45,000 to \$80,000; and for Limited Partnerships the all-inclusive annual fee ranges from \$37,500 to \$77,500. The all-inclusive annual fee for Closed-end Funds listed on any market tier ranges from \$30,000 to \$100,000. In each case, a company's all-inclusive annual fee is based on its total shares outstanding.³

³ REITs are subject to the same fee schedule as other equity securities; however for the purpose of determining the total shares outstanding, shares outstanding of all members in a REIT Family listed on the same Nasdaq market tier may be aggregated. Similarly, for the purpose of determining the total shares outstanding, fund sponsors may aggregate shares outstanding of all Closed-End Funds in the same fund family listed on the Nasdaq Global Market or the Nasdaq Capital Market. See Listing Rules 5910(b)(2) and 5920(b)(2).

Nasdaq proposes to amend the all-inclusive annual fee for all domestic and foreign companies listing equity securities on the Nasdaq Global Select, Global and Capital Markets to the following amounts,⁴ effective January 1, 2020:

Nasdaq also proposes to update the maximum fee applicable to a Closed-End Fund family and the maximum fee applicable to a REIT Family to reflect the proposed fee change for other equity securities, as described above.⁵

As described below, Nasdaq proposes to make the aforementioned fee increases to better reflect the Exchange's costs related to listing equity securities and the corresponding value of such listing to issuers.

Nasdaq also proposes to remove references to fees that are no longer applicable because they were superseded by new fee rates specified in the rule text.

While these changes are effective upon filing, Nasdaq has designated the proposed amendments to be operative on January 1, 2020.

⁵ See footnote 3 above.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁷ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

Nasdaq believes that it is not unfairly discriminatory and represents an equitable allocation of reasonable fees to amend Listing Rules 5910(b)(2) and 5920(b)(2) to increase the various listing fees⁸ as set forth above because of the increased costs incurred by Nasdaq since it established the current rates. In that regard, the Exchange notes that its general costs have increased since its most recent fee adjustments, including due to price inflation. In addition, the Exchange continues to improve the services it provides to listed companies. These improvements include the continued development and enhancement of Nasdaq's online tools, including the Listing Center and Reference Library, to the benefit of all listed companies, their shareholders and prospective investors. In addition, Nasdaq has invested in upgrades to the

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(4) and (5).

⁸ In 2014, Nasdaq adopted an all-inclusive annual listing fee schedule to simplify, clarify and enhance transparency around the annual fee to which listed companies are subject. See Securities Exchange Act Release No. 73647 (November 19, 2014), 79 FR 70232 (November 25, 2014) (SR-NASDAQ-2014-87). Effective January 1, 2017, Nasdaq reduced the fees for limited partnerships listed on Nasdaq. See Securities Exchange Act Release No. 79770 (January 10, 2017), 82 FR 4947 (January 17, 2017) (SR-NASDAQ-2016-173). Effective January 1, 2019, Nasdaq modified the fee schedule for ADRs listed on Nasdaq, including to subject ADRs to the same minimum fee as other companies listing equity securities on the same tier of Nasdaq and to bring the ADRs fees closer to the fees paid by other domestic and foreign companies listing equity securities on Nasdaq. See Securities Exchange Act Release No. 84880 (December 20, 2018), 83 FR 67374 (December 28, 2018) (SR-NASDAQ-2018-103).

Nasdaq MarketSite, which houses a state-of-the-art digital broadcast studio and can be utilized as a New York venue by listed companies, and the MarketSite Tower. The proposed increase also will help Nasdaq continue to invest in these initiatives and its regulatory programs.

Nasdaq also believes that it is not unfairly discriminatory and represents an equitable allocation of reasonable fees to amend Listing Rules 5910(b)(2) and 5920(b)(2) to increase the various listing fees while rounding the increase to the nearest \$500 as set forth above because such rounding represents di minimus variation in fees for Nasdaq listed companies. In addition, Nasdaq has used the same methodology since the adoption of the all-inclusive annual listing fee schedule and all annual listing fees under Listing Rules 5910(b)(2) and 5920(b)(2) are rounded to \$500.

The proposed change to update the maximum fee applicable to a Closed-End Fund family and the maximum fee applicable to a REIT Family to reflect the proposed fee change for other equity securities, as described above, is not unfairly discriminatory because it merely reflects the change in fees for other equity securities without changing the substance of the rule.

Finally, Nasdaq notes that it operates in a highly competitive market in which market participants can readily switch exchanges if they deem the listing fees excessive.⁹ In such an environment, Nasdaq must continually review its fees to assure that they remain competitive.

The proposed removal of text relating to fees that are no longer applicable is ministerial in nature and has no substantive effect.

⁹ The Justice Department has noted the intense competitive environment for exchange listings. See “NASDAQ OMX Group Inc. and IntercontinentalExchange Inc. Abandon Their Proposed Acquisition Of NYSE Euronext After Justice Department Threatens Lawsuit” (May 16, 2011), available at http://www.justice.gov/atr/public/press_releases/2011/271214.htm.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The market for listing services is extremely competitive and listed companies may freely choose alternative venues, both within the U.S. and internationally. For this reason, Nasdaq does not believe that the proposed rule change will result in any burden on competition for listings.
