SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Worker Profiling and Reemployment Services Activity and Worker Profiling and Reemployment Services Outcomes information collection. Reporting Forms ETA-9048 and ETA-9049 are used to identify those claimants who are most likely to exhaust their Unemployment Insurance benefits and to provide reemployment services to expedite those beneficiaries return to suitable work. The ETA-9048 report provides a count of the claimants who were referred to Worker Profiling and Reemployment Services (WPRS) and a count of those who completed the services. The ETA-9049 report provides the subsequent collection of wage records, which is a useful management tool for monitoring the success of the WPRS program in the State. This ICR also covers preliminary

activities when States collect information from program beneficiaries. Social Security Act authorizes this information collection. *See* 42 U.S.C. 503(a) and (j).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0353.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on November 30, 2019. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on May 3, 2019 (84 FR 19119).
