Take notice that on November 26, 2019, ONEOK North System, L.L.C. (ONEOK North System) filed multiple Tariffs¹ to update its Allocation Policy. ONEOK North System states that the changes to ONEOK North System's Allocation Policy are at the request of Shippers as a result of the alternative dispute resolution process initiated by the Commission, in order to provide immediate applicability in support of emergency shipments of propane in response to concerns over demand for propane in the region served by the ONEOK North System. ONEOK North System proposes to make changes to its allocation procedure to allow Shippers to transfer allocated capacity to another Shipper during the time period December 1, 2019 through December 31, 2019, and to receive credit to their allocation history for barrels moved by the replacement Shipper.
