SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Plan Asset Transactions Determined by Independent Qualified Professional Asset Managers under Prohibited Transaction Exemption 1984-14 information collection. PTE 84-14, a class exemption that permits various parties that are related to employee benefit plans to engage in transactions involving plan assets if, among other conditions, the assets are managed by “qualified professional asset managers” (QPAMs) that are independent of the parties in interest and which meet specified financial standards. The exemption provides additional exemptive relief for employers to furnish limited amounts of goods and services to a managed fund in the ordinary course of business. Limited

relief also is provided for leases of office or commercial space between managed funds and QPAMs or contributing employers. Finally, relief is provided for transactions involving places of public accommodation owned by a managed fund. QPAMs are permitted to manage an investment fund containing the assets of the QPAM's own plan or an affiliate's plan.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0128.

The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
