SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to

the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Federal Student Aid User Experience Design Research Generic Clearance

OMB Control Number: 1845-New

Type of Review: A new information collection

Total Estimated Number of Annual Burden Hours: 74,975

Abstract: Federal Student Aid (FSA) seeks to obtain OMB approval of a Fast Track Process (5-day) generic clearance to collect qualitative feedback for the Next Generation Financial Services Environment (Next Gen). FSA will collect, analyze, and interpret information gathered through this generic clearance to identify strengths and weaknesses of current service delivery and make improvements based on feedback. The solicitation of feedback will target areas such as: consistency, personalization, intuitiveness, accessibility, ease of use, proactive communication, and efficiency. The collection of this information will allow FSA to deliver clear, consistent information and readily accessible self-service options at every stage of the student aid lifecycle. The insights collected from our customers and stakeholders will help ensure that users have a consistent, efficient, and satisfying experience with FSA's programs.
