**SUPPLEMENTARY INFORMATION:**

A. **Background**

The Federal Home Loan Bank System (System) consists of eleven regional Federal Home Loan Banks (Banks) and the Office of Finance (a joint office of the Banks that issues and services their debt securities). The Banks are wholesale financial institutions, organized under authority of the Federal Home Loan Bank Act (Bank Act) to
serve the public interest by enhancing the availability of residential housing finance and community lending credit through their member institutions and, to a limited extent, through eligible non-member “housing associates.” Each Bank is structured as a regional cooperative that is owned and controlled by member financial institutions located within its district, which are also its primary customers.

Section 10(g)(1) of the Bank Act requires the Director of FHFA to promulgate regulations establishing standards of community investment or service that Bank member institutions must meet in order to maintain access to long-term advances (i.e., loans with a maturity of five years or greater made by a Bank to a member).¹ Section 10(g)(2) of the Bank Act requires that, in establishing these community support requirements for Bank members, FHFA take into account factors such as the member’s performance under the Community Reinvestment Act of 1977 (CRA)² and record of lending to first-time homebuyers.³ FHFA’s community support regulation, which establishes standards and review criteria for determining compliance with section 10(g) of the Bank Act, is set forth at 12 CFR part 1290.

Part 1290 requires that each Bank member subject to community support review submit to FHFA biennially a completed Community Support Statement (Form 060), which contains several short questions the answers to which are used by FHFA to assess the responding member’s compliance with the community support standards.⁴ Members are strongly encouraged to complete and submit Form 060 online, but may submit a

version via email or fax if they cannot complete the submission online. In part I of the Form, a member that is subject to the CRA must record its most recent CRA rating and the year of that rating. Part II of the Form addresses a member’s efforts to assist first-time homebuyers. A member may either record the number and dollar amount of mortgage loans made to first-time homebuyers in the previous or current calendar year (part II.A), or indicate the types of programs or activities it has undertaken to assist first-time homebuyers by checking selections from a list (part II.B), or do both. If a member has received a CRA rating of “Outstanding,” it need not complete part II of the Form. A copy of the current Form and related instructions appear at the end of this Notice.

Part 1290 also establishes the circumstances under which FHFA will restrict a member’s access to long-term Bank advances and to Affordable Housing Program (AHP), Community Investment Program (CIP) and Community Investment Cash Advance (CICA) programs for failure to meet the community support requirements. It permits Bank members whose access to long-term advances has been restricted to apply directly to FHFA to remove the restriction if certain criteria are met.

B. Need for and Use of the Information Collection

FHFA uses the information collection contained in FHFA Form 060 and part 1290 to determine whether Bank members satisfy the statutory and regulatory community support requirements and to ensure that, as required by statute and regulation, only Bank members that meet those requirements maintain continued access to long-term Bank advances and to AHP, CIP, and CICA programs.

6 See 12 CFR 1290.5(d).
The OMB control number for this information collection is 2590-0005, which is due to expire on March 31, 2020. The respondents are Bank member institutions.

C. Burden Estimate

FHFA has analyzed the two facets of this information collection in order to estimate the hour burdens that the collection will impose upon Bank members annually over the next three years. Based on that analysis, FHFA estimates that the total annual hour burden will be 2,154 hours. The method FHFA used to determine the annual hour burden for each facet of the information collection is explained in detail below.

1. Community Support Statements

There are currently about 6,800 Bank members. Most of these are required to submit a completed Community Support Statement biennially, with members that are non-depository community development financial institutions (CDFIs) or that have been members for less than one year as of March 31\textsuperscript{st} of the year submission is required exempted from the submission requirement. Based on the facts that there were 60 non-depository CDFI Bank members as of September 30, 2019, and that the average annual number of new Bank members system-wide was about 140 over the last three years, FHFA estimates that about 6,600 members will be required to submit the biennial statement over each of the next several cycles, which corresponds to an annual average of 3,300 respondents. FHFA estimates that the average preparation time for each Community Support Statement will be 0.65 hours. The estimate for the total annual hour burden on Bank members in connection with the preparation and submission of Community Support Statements is 2,145 hours (3,300 Statements \times 0.65 hours).

2. Requests to Remove a Restriction on Access to Long-Term Advances
FHFA estimates that an annual average of 12 Bank members whose access to long-term advances and to AHP, CIP, and CICA programs has been restricted will submit requests to FHFA to remove those restrictions, and that the average preparation time for each request will be 0.75 hours. The estimate for the total annual hour burden on members in connection with the preparation and submission of requests to remove a restriction on access to long-term advances is 9 hours (12 requests × 0.75 hours).

D. Comment Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA’s estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Community Support Statement (FHFA Form 060) Instructions

Purpose: Section 10(g) of the Federal Home Loan Bank Act (12 U.S.C. § 1430(g)) sets forth the community support requirements. Under the Federal Housing Finance Agency’s (FHFA) implementing community support regulation (12 CFR part 1290), FHFA is required to take into account a Federal Home Loan Bank (Bank) member’s performance under the Community Reinvestment Act of 1977 (12 U.S.C. § 2901 et seq.) (federal CRA) and its record of lending to first-time homebuyers, in determining whether to maintain the member’s access to long-term Bank advances and to a Bank’s Affordable Housing Program (AHP) and targeted Community Investment Cash Advances (CICA) programs. For purposes of community support review, the term “long-term advances” means advances with a term to maturity greater than one year.

Part I. (CRA Standard): Members subject to the federal CRA must complete this part. Provide your institution’s most recent federal CRA rating and the year of the rating. Credit unions and insurance companies, which are not subject to the federal CRA, should indicate “N/A” [i.e., not applicable] in the CRA rating field on this Community Support Statement. If your institution is not a credit union or insurance company and is not subject to the federal CRA, indicate the reason for the exemption. If a member’s most recent federal CRA rating is “Needs to Improve,” FHFA will place the member on probation. During the probationary period, the member will retain access to long-term Bank advances and Bank AHP and CICA programs. If the member does not receive an improved federal CRA rating at its next CRA evaluation, FHFA will restrict its prospective access to long-term Bank advances and Bank AHP and CICA programs. If a member’s most recent federal CRA rating is “Substantial Non-compliance,” FHFA will restrict the member’s prospective access to long-term Bank advances and AHP and CICA programs. The restriction will remain in effect until the member’s federal CRA rating improves.

Part II. (First-time Homebuyer Standard): All members, except those with “Outstanding” federal CRA ratings, must complete this part. A member may satisfy the first-time homebuyer standard either by: demonstrating lending performance to first-time homebuyers (Section A); or demonstrating other financial support or participation in programs, products, services or investments, that directly or indirectly assists first-time homebuyers (Section B); or by a combination of both factors. If none of the information requested in this part describes your institution’s activities to support first-time homebuyers, you may attach a brief description of other activities of your institution that support first-time homebuyers, or a brief explanation of any mitigating factors that adversely affect your institution’s ability to assist first-time homebuyers, such as charter or operational limitations or market conditions. If a member does not demonstrate assistance to first-time homebuyers or include an explanation of mitigating factors on this Community Support Statement, FHFA will restrict the member’s prospective access to long-term Bank advances and Bank AHP and CICA programs. The restriction will remain in effect until the member submits applicable information to FHFA that demonstrates the member’s compliance with the first-time homebuyer standard.

Part III. (Certification): All members must complete this part. A senior official of your institution with authorization to provide the information in this Community Support Statement must certify that the information in this Community Support Statement and any attachments are accurate to the best of his/her knowledge. If a member submits a Community Support Statement that does not include this required certification, FHFA will restrict the member’s prospective access to long-term Bank advances and Bank AHP and CICA programs.

Assistance: Your institution’s Federal Home Loan Bank has a Community Support Program Representative that can assist you in preparing this Community Support Statement.
