Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess upon issuance of the final results, antidumping duties on all appropriate entries covered by this review.14

If Pidilite’s calculated weighted-average dumping margin is above de minimis in the final results of this review, we will calculate importer-specific ad valorem duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the examined sales to that importer, and we will instruct CBP to assess antidumping duties on all appropriate entries covered by this review. If Pidilite’s weighted-average dumping margin continues to be zero or de minimis, or the importer-specific assessment

14 See 19 CFR 351.212(b)(1).
rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.\(^\text{15}\)

In accordance with our “automatic assessment” practice, for entries of subject merchandise during the POR produced by Pidilite for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate.\(^\text{16}\)

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Pidilite will be the rate established in the final results of this review, except if the rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1) (*i.e.*, less than 0.50 percent), in which case the cash deposit rate will be zero; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently-completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all

other manufacturers or exporters will continue to be 27.48 percent, the all-others rate established in the less-than-fair-value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification to Interested Parties**

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
