I. Funding Opportunity Description

Purpose of Program: The Training Program provides grants to train the staff and leadership personnel employed in, participating in, or preparing for employment in, projects funded under the Federal TRIO Programs, so as to improve the operation of these projects.

Priorities: This notice contains six absolute priorities and three invitational priorities. In accordance with 34 CFR 75.105(b)(2)(iv) and 34 CFR 75.105(b)(2)(ii), the absolute priorities are from section 402G(b) of the Higher
Education Act of 1965, as amended (HEA), the regulations for this program at 34 CFR 642.24, and the Secretary’s Final Supplemental Priorities and Definitions for Discretionary Grant Programs, published in the Federal Register on March 2, 2018 (83 FR 9096) (Supplemental Priorities).

**Absolute Priorities:** For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), we consider only applications that meet one of these absolute priorities.

In accordance with 34 CFR 642.7, each application must clearly identify the specific absolute priority for which a grant is requested. An applicant must submit a separate application for each absolute priority it proposes to address. If an applicant submits more than one application for the same absolute priority, we will accept only the application with the latest “date/time received” validation.

These priorities are:

**Absolute Priority 1.** Training to improve reporting of student and project performance and the evaluation of
project performance in order to design and operate a model project funded under the Federal TRIO Programs.

**Estimated number of awards:** 2.

**Maximum award amount:** $287,537.

**Absolute Priority 2.** Training on budget management and the statutory and regulatory requirements for operation of projects funded under the Federal TRIO Programs.

**Estimated number of awards:** 2.

**Maximum award amount:** $287,537.

**Absolute Priority 3.** Training on assessment of student needs; retention and graduation strategies; and the use of appropriate educational technology in the operation of projects funded under the Federal TRIO programs.

**Estimated number of awards:** 1.

**Maximum award amount:** $373,799.

**Absolute Priority 4.** Training on assisting students in receiving adequate financial aid from programs assisted under title IV of the HEA and from other programs, on college and university admissions policies and procedures, and on supporting instruction in personal financial literacy, knowledge of markets and economics, knowledge of higher education financing and repayment (e.g., college savings and student loans), or other skills aimed at
building personal financial understanding and responsibility.

Estimated number of awards: 2.

Maximum award amount: $287,537.

**Absolute Priority 5.** Training on strategies for recruiting and serving hard to reach populations, including students who are limited English proficient, students from groups that are traditionally underrepresented in postsecondary education, students with disabilities, students who are homeless children and youths (as this term is defined in section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a)), students who are in foster care or are aging out of the foster care system, or other disconnected students.

Estimated number of awards: 1.

Maximum award amount: $373,799.

**Absolute Priority 6.** Training on general project management for new project directors who have been in their positions less than two years, including training on the content of absolute priorities 1 through 5. The training should provide new directors with the basic tools required to be a successful TRIO project director.

Estimated number of awards: 2.

Maximum award amount: $318,803.
Under this competition we are particularly interested in applications that address the following priorities.

**Invitational Priorities:** For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1), we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

**Invitational Priority 1:**

Applications that propose projects designed to address one or more of the following priority areas:

(a) Implementing strategies that ensure education funds are spent in a way that increases their efficiency and cost-effectiveness, including by reducing waste or achieving better outcomes.

(b) Supporting training aligned with innovative strategies or research that have the potential to lead to significant and wide-reaching improvements in the delivery of educational services.

(c) Reducing compliance burden within the grantee’s operations (including the burden on partners working to achieve grant objectives or being served by the grant) in a
manner that decreases paperwork or staff time spent on administrative functions, or other operational changes that help education providers to save money, benefit more students, or improve results.

Invitational Priority 2:

Applications that propose projects designed to assist TRIO grantees with the ongoing implementation of the evidence-based strategies they proposed in their approved applications for the Talent Search Program notice inviting applications published in the Federal Register on December 12, 2015 (80 FR 79574); the Educational Opportunity Centers notice inviting applications published in the Federal Register on February 2, 2016 (81 FR 5425); the Upward Bound Program notice inviting applications published in the Federal Register on December 17, 2016 (81 FR 71492); the Upward Bound Math and Science Program notice inviting applications published in the Federal Register on February 10, 2017 (82 FR 10348); the Ronald E. **Program Authority:** 20 U.S.C. 1070a-11 and 1070a-17.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: We intend to use an estimated $3,110,426 for new TRIO Training awards under this competition. The President’s Budget for FY 2020 requested $950,000,000 for the Administration’s proposal to reform the Federal TRIO Programs. The actual level of funding and changes to the program, if any, depend on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for the Federal TRIO Programs.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2021 from the list of unfunded applications from this competition.

Estimated Average Size of Awards: $311,043.

a single budget period of 12 months. Projects proposed under each absolute priority also must propose to serve the minimum number of applicable participants listed here.

Training Program Profile Sheet. You must include your complete response to the selection criteria and absolute priority in the application narrative. Other requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from 34 CFR 642.21 and are as follows:

   (a) Plan of operation. (20 points)

      (i) High quality in the design of the project;

      (ii) An effective plan of management that ensures proper and efficient administration of the project;

      (iii) A clear description of how the objectives of the project relate to the purpose of the program;

      (iv) The way the applicant plans to use its resources and personnel to achieve each objective; and

      (v) A clear description of how the applicant will provide equal access and treatment for eligible project
participants who are members of groups that have been traditionally underrepresented, such as—

(A) Members of racial or ethnic minority groups;
(B) Women;
(C) Individuals with disabilities; and
(D) The elderly.

(b) Quality of key personnel. (20 points)
(1) The Secretary reviews each application for information that shows the qualifications of the key personnel the applicant plans to use on the project.
(2) The Secretary looks for information that shows—
(i) The qualifications of the project director;
(ii) The qualifications of each of the other key personnel to be used in the project;
(iii) The time that each person referred to in paragraphs (b)(2)(i) and (ii) of this section plans to commit to the project; and
(iv) The extent to which the applicant, as part of its nondiscriminatory employment practices, encourages applications for employment from persons who are members of groups that have been traditionally underrepresented, such as—

(A) Members of racial or ethnic minority groups;
(B) Women;
(C) Individuals with disabilities; and

(D) The elderly.

(3) To determine the qualifications of a person, the Secretary considers evidence of past experience and training, in fields related to the objectives of the project, as well as other information that the applicant provides.

(c) **Budget and cost effectiveness.** (10 points)

(1) The Secretary reviews each application for information that shows that the project has an adequate budget and is cost effective.

(2) The Secretary looks for information that shows—

(i) The budget for the project is adequate to support the project activities; and

(ii) Costs are reasonable in relation to the objectives of the project.

(d) **Evaluation plan.** (10 points)

(1) The Secretary reviews each application for information that shows the quality of the evaluation plan for the project.

(2) The Secretary looks for information that shows methods of evaluation that are appropriate for the project and, to the extent possible, are objective and produce data that are quantifiable.
(e) **Adequacy of resources. (15 points)**

(1) The Secretary reviews each application for information that shows that the applicant plans to devote adequate resources to the project.

(2) The Secretary looks for information that shows—

(i) The facilities that the applicant plans to use are adequate; and

(ii) The equipment and supplies that the applicant plans to use are adequate.

2. **Review and Selection Process:** We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary also may consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal
financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

For this competition, a panel of non-Federal reviewers will review each application in accordance with the selection criteria in 34 CFR 642.21. The individual scores of the reviewers will be added and the sum divided by the number of reviewers to determine the peer review score received in the review process. Additionally, in accordance with 34 CFR 642.22, the Secretary will award prior experience points to eligible applicants by evaluating the applicant’s current performance under its expiring Training Program grant. Pursuant to 34 CFR 642.22(b)(1), if there are insufficient funds to fund all applications with the same peer review score within a particular absolute priority, prior experience points, if any, will be added to the averaged peer review score to determine the total score for each application.

Under section 402A(c)(3) of the HEA, the Secretary is not required to make awards under the Training Program in the order of the scores received.

In the event a tie score still exists after applying prior experience points, the Secretary will select for funding the applicant that has the greatest capacity to provide training to eligible participants in all regions of
the Nation in order to assure accessibility to the greatest number of prospective training participants, consistent with 34 CFR 642.20(e).

3. **Risk Assessment and Specific Conditions:**
Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. **Integrity and Performance System:** If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $250,000), under 2 CFR 200.205(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards--that is, the risk posed by you as an applicant--before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the
Federal Awardee Performance and Integrity Information System (FAPIIS), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

   If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other
requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Open Licensing Requirements:** Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.
4. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. Performance Measures: The success of the Training Program is measured by its cost-effectiveness based on the number of TRIO project personnel receiving training each
year; the percentage of Training Program participants that, each year, indicate the training as benefiting them in increasing their qualifications and skills in meeting the needs of disadvantaged students; and the percentage of Training Program participants that, each year, indicate the training as benefiting them in increasing their knowledge and understanding of the Federal TRIO Programs. All grantees will be required to submit an annual performance report documenting their success in training personnel working on TRIO-funded projects, including the average cost per trainee and the trainees’ evaluations of the effectiveness of the training provided. The success of the Training Program also is assessed on the quantitative and qualitative outcomes of the training projects based on project evaluation results.

6. **Continuation Awards**: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee’s approved application.
In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
