Collection of this data is required to comply with the reporting requirements of Executive Order 12829, “National Industrial Security Program.” This collection of information requests the assistance of the Facility Security Officer to provide estimates of annual security labor cost in burdened, current year dollars and the estimated percentage of security labor dollars to the total security costs for the facility. Security labor is defined as personnel whose positions exist to support operations and staff in the implementation of government security requirements for the protection of classified information. Guards who are required as supplemental controls are included in security labor. This data will be incorporated into a report produced to ISOO for the estimated cost of securing classified information within industry. The survey will be distributed electronically via a Web-based commercial survey tool.
