SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, ACL has submitted the following proposed collection of information to OMB for review and clearance. Legal authority for the State Plan for Independent Living is contained in Chapter 1 of Title VII of the Rehabilitation Act of 1973, as amended by the Workforce Innovation and Opportunity Act ([the Act], Public Law 113-128). Section 704 of the Rehabilitation Act requires that, to be eligible to receive financial assistance under Chapter 1, “a State shall submit to the Department, and obtain approval of, a State plan containing such provisions as the Department may require.” The Administration for Community Living’s (ACL) approval of the SPIL is required for states to receive federal funding for both the Independent Living Services State grants and Centers for Independent Living programs. Federal statute and regulations require the collection of this information every three years.

The SPIL is jointly developed by the chairperson of the Statewide Independent Living Council and the directors of the centers for independent living in the State, after receiving public input from individuals throughout the State; and signed by the chairperson of the Statewide Independent Living Council, acting on behalf of—and at the direction of—the Council, the director of the designated State entity, and not less than 51 percent of the directors of the centers for independent living in the State. ACL reviews the SPIL for compliance with the

Rehabilitation Act and 45 CFR part 1329 and approves it. The SPIL also serves as a primary planning document for continuous monitoring of, and technical assistance to, the state

independent living programs to ensure appropriate planning, financial support and coordination, and other assistance to appropriately address, on a statewide basis, needs for the provision of independent living services in the state.
