Korea. On October 28, 2019, Commerce extended the due date of the preliminary results of this administrative review until February 28, 2020.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included at the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov, and to all parties in the Central Records Unit, Room B8024 of the main Commerce building. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by the order is certain cut-to-length carbon-quality steel plate from Korea. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a financial contribution

by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.\(^5\) For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Rate for Non-Selected Companies Under Review**

The statute and Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limited its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. We also note that section 777A(e)(2) of the Act provides that “\{t\}he individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) \{of the Act\}.” Section 705(c)(5)(A) of the Act states that for companies not investigated, in general, we will determine an all-others rate by using the weighted-average countervailable subsidy rates established for each of the companies individually investigated, excluding zero and *de minimis* rates or any rates based solely on the facts available.

However, we preliminarily determine that DSM and Hyundai Steel received countervailable subsidies that are *de minimis*. Therefore, in these preliminary results, we are applying the *de minimis* net subsidy rate calculated for Hyundai Steel and DSM to BDP International and Sung Jin Steel Co., Ltd.

\(^5\) See sections 771(5)(B) and (D) of the Act, regarding financial contribution; section 771(5)(E) of the Act, regarding benefit; and section 771(5A) of the Act, regarding specificity.
Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated individual subsidy rates for DSM and Hyundai Steel. For the period January 1, 2018 through December 31, 2018, we preliminarily determine that the following net subsidy rates for the producers/exporters under review to be as follows:

<table>
<thead>
<tr>
<th>Company</th>
<th>Subsidy Rate Ad Valorem</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dongkuk Steel Mill Co., Ltd.</td>
<td>0.15 percent (de minimis)</td>

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties for each of the companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, except, where the rate calculated in the final results is zero or de minimis, no cash deposit will be required. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or
all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.
