The Tract will be leased to the qualified bidder of the highest cash amount, provided that the high bid meets or exceeds the BLM’s estimate of the fair market value (FMV) of the Tract. The minimum bid for the Tract is $100 per acre or fraction thereof. The minimum bid is not intended to represent FMV. The authorized officer will determine if the bids meet FMV after the sale.

The sealed bids should be sent by certified mail, return receipt requested, or be hand delivered to the Public Room, BLM Colorado State Office (see ADDRESSES), and clearly marked “Sealed Bid for COC-78825 Coal Sale – Not to be opened before 10 a.m. on [INSERT DATE 31 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].” The Public Room representative will issue a receipt for each hand-delivered bid. Bids received after 9:30 a.m. will not be considered. If identical high bids are received, the tying high bidders will be requested to submit follow-up sealed bids until a high bid is received. All tie-breaking sealed bids must be submitted within 15 minutes following the sale official’s announcement at the sale that identical
high bids have been received.

Prior to lease issuance, the high bidder, if other than the applicant, must pay the BLM the cost recovery fee in the amount of $117,668.15, in addition to all processing costs the BLM incurs after the date of this sale notice (43 CFR 3473.2(f)).

A lease issued as a result of this offering will require payment of an annual rental of $3 per acre, or fraction thereof, and a royalty payable to the United States of 8 percent of the value of coal mined by underground methods.

Bidding instructions for the Tract offered and the terms and conditions of the proposed coal lease are included in the Detailed Statement of Lease Sale, with copies available at the BLM Colorado State Office (see ADDRESSES).
