Background

This amendment considers (A) revisions to the MSB FMP goals and objectives and (B) modifications to Illex fishery permitting and related management measures, including a potential requalification of permits that could reduce the number of permits in the Illex fishery. The Council is seeking public input on all aspects of this action. Details on potential requalification criteria and other related management measures under consideration are available in the public hearing document, available at http://www.mafmc.org/actions/illex-permitting-msb-goals-amendment.

Special Accommodations

These hearings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to M. Jan Saunders, (302) 526-5251, at least 5 days prior to any meeting date.

Authority: 16 U.S.C. 1801 et seq.
