II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Phlx Rules at Options 3, Section 3, Minimum Increments, Section 12, Electronic Qualified Contingent Cross Order, Section 13, Price Improvement XL ("PIXL"), Section 14, Complex Orders; Options 4, Section 5, Series of Options Open for Trading; Options 7, Section 1, General Provisions, Section 6, Other Transaction Fees; Options 8, Section 24, Bids And Offers—Premium, Section 30, Crossing, Facilitation and Solicited Orders; and Options 9, Section 13, Position Limits to remove references to Mini Options.

The Exchange has not listed Mini Options in several years and is proposing to delete listing rules and other ancillary trading rules related to the listing of Mini Options. The Exchange notes that it has no open interest in Mini Options.

Specifically, the Exchange proposes to amend the following Phlx Rules: Options 3, Section 3, Minimum Increments, Section 12, Electronic Qualified Contingent Cross Order,

Section 13, Price Improvement XL (“PIXL”), Section 14, Complex Orders; Options 4, Section 5, Series of Options Open for Trading; Options 7, Section 1, General Provisions, Section 6, Other Transaction Fees; Options 8, Section 24, Bids And Offers—Premium, Section 30, Crossing, Facilitation and Solicited Orders; and Options 9, Section 13, Position Limits, to remove references to Mini Options in the System as well as the pricing of Mini Options executed on Phlx. In the event that the Exchange desires to list Mini Options in the future, it would file a rule change with the Commission to adopt rules to list Mini Options.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange’s proposal to removal references to the listing and handling of Mini Options is consistent with the Act because Mini Options have not been listed in several years and thereby removing the references to the rules would render the rules more accurate and reduce potential investor confusion. Also, the Exchange notes that it has no open interest in Mini Options. In the event that the Exchange desires to list Mini Options in the future, it would file a rule change with the Commission to adopt rules to list Mini Options.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The

⁴ 15 U.S.C. 78f(b)(5).

Exchange's proposal to removal references to the listing and handling of Mini Options do not impose an undue burden on competition. Mini Options have not been listed in several years. Also, the Exchange notes that it has no open interest in Mini Options.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁵ 15 U.S.C. 78s(b)(3)(A)(iii).

⁶ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
