SUPPLEMENTARY INFORMATION:

Background

On July 1, 2019, Commerce published in the Federal Register a notice of opportunity to request an administrative review of the CVD order on rebar from Turkey.¹ On July 30, 2019, the Rebar Trade Action Coalition (the petitioner) timely requested that Commerce conduct an

We received no other requests for review. On September 9, 2019, Commerce published in the Federal Register a notice of initiation with respect to Habas, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). On September 11, 2019, Habas notified Commerce that it had no sales, shipments, or entries of subject merchandise during the period of review (POR). On October 31, 2019, Commerce issued a no shipment inquiry to U.S. Customs and Border Protection (CBP) to corroborate Habas’ claim. On March 2, 2020, Commerce notified all interested parties that CBP found no evidence of shipments of subject merchandise produced and/or exported by Habas during the POR. On March 5, 2020, Commerce established a period for comments regarding CBP’s findings. No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR. Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period. See 19 CFR 351.212(b)(2). Therefore, for an administrative review to be conducted, there must

be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.\textsuperscript{9} As noted above, the CBP confirmed that there were no entries of subject merchandise during the POR with respect to Habas, the only exporter or producer subject to this administrative review.\textsuperscript{10} Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

**Assessment Rates**

Commerce will instruct CBP to assess CVDs on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated CVDs required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the *Federal Register*.

**Administrative Protective Order**

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of the APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with regulations and terms of an APO is a violation, which is subject to sanction.
