DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

Docket Number USCG-2020-0058

RIN 1625-AA00

Safety Zone; Monongahela River Mile 23.8 to Mile 26.0, Pittsburgh, PA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

_____________________________________________________

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Monongahela River from mile 23.8 to mile 26.0. This action is necessary to protect persons, vessels, and the marine environment from potential hazards associated with power line work across the river near Elrama Power Plant, Pittsburgh, PA, during an electrical conductor pull from March 23, 2020 through April 6, 2020. Entry of persons or vessels into this zone is prohibited unless authorized by the Captain of the Port Marine Safety Unit Pittsburgh or a designated representative.

DATES: This action is effective without actual notice from March 23, 2020 until [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]. For purposes of enforcement, actual notice will be used from [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER] until April 6, 2020.
ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to https://www.regulations.gov, type USCG-2020-0058 in the “SEARCH” box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email MST2 Trevor Vannatta, Waterways Management U.S. Coast Guard; telephone 412-221-0807, email Trevor.J.Vannatta@uscg.mil.

II. Background Information and Regulatory History

On November 12, 2019, the Duquesne Light Company notified the Coast Guard that it will be conducting an electrical conductor pull on March 23, 2020, in order to replace existing electrical conductor with new higher ampacity electrical conductor. The conductor pull will take place between mile 23.8 and mile 26 on the Elrama Power Plant side of the Monongahela River. In response, on February 3, 2020, the Coast Guard published a notice of proposed rulemaking (NPRM) titled USCG-2020-0058_NPRM_D8 (85 FR 5909). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this conductor pull project. During the comment period that ended March 4, 2020, we received no comments.
III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Pittsburgh (COTP) has determined that potential hazards from the conductor pull include danger to the navigability of the waterway due to obstruction by equipment. The Captain of the Port (COTP) Marine Safety Unit Pittsburgh has determined that potential hazards associated with ongoing work would be a safety concern for anyone transiting the river during the maintenance activity. Possible hazards include risks of injury or death from near or actual contact among working vessels and mariners traversing through the safety zone.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published February 3, 2020. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from March 23, 2020 through April 6, 2020. The safety zone would cover all navigable waters from mile 23.8 to mile 26.0 on the Monongahela River near Pittsburgh, PA. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after a scheduled maintenance activity at the Elrama Power Plant. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of USCG Marine Safety Unit Pittsburgh. They may be contacted on VHF-FM Channel 16 or by telephone at (412) 221-0807. Persons and vessels permitted to enter this safety zone must transit at
their slowest safe speed and comply with all lawful instructions of the COTP or a designated representative. Breaks in the conductor pull will occur during the enforcement periods, which will allow vessels to pass through the safety zone. The COTP or a designated representative will inform the public of the enforcement period for the safety zone as well as any changes in the schedule through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, and duration of the safety zone. The zone will impact a 2.2 mile stretch of the Monongahela River and only be enforced during active maintenance periods, and vessel traffic would be able to safely transit around the safety zone. Moreover, the Coast Guard would issue a
Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

**B. Impact on Small Entities**

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 0 comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually.
and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local,
or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone from mile 23.8 to mile 26.0 on the Monongahela River near Pittsburgh, PA from March 23, 2020 through April 6, 2020. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping
For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

   Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.T08-0058 to read as follows:

§ 165.T08-0058_Safety Zone; Monongahela, Mile 23.8 to Mile 26.0, Pittsburgh, PA

   (a) Location. The following area is a safety zone: all navigable waters of the Monongahela River from mile 23.8 to mile 26.

   (b) Effective period. This section is effective from March 23, 2020 through April 6, 2020.

   (c) Regulations. (1) In accordance with the general regulations in §165.23, entry of persons and vessels into this zone is prohibited unless authorized by the Captain of the Port Marine Safety Unit Pittsburgh (COTP) or a designated representative.

   (2) Persons or vessels requiring entry into or passage through the zone must request permission from the COTP or a designated representative. The COTP’s representative may be contacted at (412) 221-0807 or on VHF-FM Channel 16.

   (3) All persons and vessels shall comply with the instructions of the COTP or a designated representative. Designated COTP representatives include United States Coast Guard commissioned, warrant, and petty officer.
(d) *Information broadcasts.* The COTP or a designated representative will inform the public through Local Notice to Mariners (LNMs), Broadcast Notices to Mariners (BNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate.

Dated: March 24, 2020
