15 CFR Part 4

Social Security Number Fraud Prevention Act of 2017 Implementation

[Docket No. 200117-0024]

RIN 0605-AA49

AGENCY: Office of the Secretary, Department of Commerce.

ACTION: Notice of proposed rulemaking.

SUMMARY: This proposed rule would revise the Department of Commerce (Department) regulations under the Freedom of Information Act (FOIA) and the Privacy Act. The revisions would clarify and update the language of procedural requirements pertaining to the inclusion of Social Security account numbers (SSNs) on documents that the Department sends by mail. These revisions are necessary to implement the Social Security Number Fraud Prevention Act of 2017, which restricts the inclusion of Social Security Numbers (SSNs) on documents sent by mail by the Federal Government.

DATES: Submit comments on or before April 24, 2020. Comments received by mail will be considered timely if they are postmarked on or before that date. The electronic Federal Docket Management System (FDMS) will accept comments until Midnight Eastern Time at the end of that day.

ADDRESSES: You may submit comments, identified by Regulatory Information Number (RIN) 0605-AA49, by any of the following methods:
The Social Security Number Fraud Prevention Act of 2017 (the Act) (Public Law No. 115-59; 42 U.S.C. 405 note), which was signed on September 15, 2017, restricts Federal agencies from including individuals’ SSNs on documents sent by mail, unless the head of the agency determines that the inclusion of the SSN on the document is necessary (section 2(a) of the Act). The Act requires agency heads to issue regulations specifying the circumstances under which inclusion of a SSN on a document sent by mail is necessary. These regulations, which must be issued not later than five years after the date of enactment, shall include instructions for the partial redaction of SSNs where feasible, and shall require that SSNs not be visible on the outside of any package sent by mail (section 2(b) of the Act). This proposed rule would revise the Department regulations under the Freedom of Information Act (FOIA) (subpart A, 15 CFR
part 4) and the Privacy Act (subpart B, 15 CFR part 4), consistent with these requirements in the Act. The proposed revisions would clarify the language of procedural requirements pertaining to the inclusion of SSNs on documents that the Department sends by mail. The proposed rule also makes clarifying updates by changing the term “Privacy Officer” to “Privacy Act Officer” where it occurs in Subpart B of 15 CFR part 4, and by changing the term “FOI Officer” to “FOIA Officer” in several places in Appendix B. The proposed rule also updates an office name by changing the phrase “Assistant General Counsel for Employment, Litigation, and Oversight” to “Assistant General Counsel for Employment, Litigation, and Information” where it occurs in part 4.

Classification

This proposed rule has been determined to be significant for purposes of review under Executive Order 12866. This proposed rule is not subject to the requirements of Executive Order 13771 because it is expected to result in no more than de minimis costs to citizens and residents of the United States. In accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), the Chief Counsel for Regulation has reviewed this rule and certifies that this regulation, if implemented, will not have a significant economic impact on a substantial number of small entities. This rule is largely procedural in nature, and, therefore, will not affect requesters. This regulation does not contain a collection of information as defined by the Paperwork Reduction Act, 44 U.S.C. 3501, et seq.
