SUPPLEMENTARY INFORMATION:

Background

On January 8, 2015, Commerce published its AD order on wire rod from China in the *Federal Register*.¹ On December 2, 2019, Commerce published the notice of initiation of the first sunset review of the AD order on wire rod from China,² pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).³ Commerce received notices of intent to participate from Charter Steel, Commercial Metals Company, EVRAZ Rocky Mountain Steel, Liberty Steel USA, Nucor Corporation, and Optimus Steel LLC (collectively, domestic interested parties), within the deadline specified in 19 CFR 351.218(d)(1)(i).⁴ Each claimed interested party status under section 771(9)(C) of the Act, as domestic producers of wire rod in the United States.

Commerce received a substantive response from the domestic interested parties⁵ within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive response from any other domestic or interested parties in this proceeding, nor was a hearing requested.

On January 22, 2020, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.⁶ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of this AD order.
