LLCs who submit the non-involvement certification are also required to submit a statement certifying that the relevant state statute authorizing LLCs permits an LLC member to insulate itself in the manner required by our criteria.

The information collection requirements contained in Sections 76.501 Note 2, 76.503 Note 2, and 76.504 Note 1, also provide that officers and directors of an entity are considered to have a cognizable interest in the entity with which they are associated. The officers and directors of a parent company of a media entity with an attributable interest in any such subsidiary entity shall be deemed to have a cognizable interest in the subsidiary unless the duties and responsibilities of the officer or director involved are wholly unrelated to the media subsidiary and a statement properly documenting this fact is submitted to the Commission. This statement may be included on the Licensee Qualification Report.

The information collection requirements contained in 47 CFR 76.503 Note 2(b)(1) include a requirement for limited partners who are not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership to certify that fact or be attributed to a limited partnership interest.
The information collection requirements contained in 47 CFR 76.503(g) state “Prior to acquiring additional multichannel video-programming providers, any cable operator that serves 20% or more of multichannel video-programming subscribers nationwide licenses at issue in the acquisition, that no violation of the national subscriber limits prescribed in this section will occur as a result of such acquisition.”
