Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding the Preliminary Results, we have recalculated the weighted-average dumping margin for Al Jazeera.³

Duty Assessment

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b), Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.\(^4\) Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For Al Jazeera, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). Upon issuance of the final results of this administrative review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (*i.e.*, at or above 0.5 percent), Commerce will issue instructions directly to CBP to assess antidumping duties on appropriate entries. Where an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

\(^4\) In these final results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).
In accordance with Commerce’s “automatic assessment” practice,\(^5\) for entries of subject
merchandise during the POR produced by Al Jazeera for which it did not know that its
merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed
entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the
transaction. We intend to issue assessment instructions directly to CBP 15 days after publication
of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice
of final results of administrative review for all shipments of subject merchandise entered, or
withdrawn from warehouse, for consumption on or after the publication of the final results of this
administrative review, as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for
Al Jazeera will be the rate established in the final results of this administrative review, as noted
above; (2) for merchandise exported by manufacturers or exporters not covered in this
administrative review but covered in a prior segment of the proceeding, the cash deposit rate will
continue to be the company-specific rate published for the most recently completed segment of
this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the
original investigation, but the manufacturer is, then the cash deposit rate will be the rate
established for the most recently completed segment of this proceeding for the manufacturer of
the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters
will continue to be 7.36 percent, the all-others rate established in the less-than-fair-value

\(^5\) For a full discussion of this clarification, see Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties, 68 FR 23954 (May 6, 2003).
These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping and/or countervailing duties.

**Administrative Protective Order**

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

**Notification to Interested Parties**

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Assistant Secretary for Enforcement and Compliance.
