Abstract: The National Health Service Corps (NHSC) and the Nurse Corps of the Bureau of Health Workforce, HRSA, are both committed to improving the health of the Nation's underserved by uniting communities in need with caring health professionals and by supporting communities' efforts to build better systems of care. The purpose of the form is to enable individuals and clinical sites to ask HRSA for periodic program updates and other general information regarding opportunities with the NHSC and/or the Nurse Corps via e-mail. Completed forms will contain information such as the names of the individuals, their email address(es), their city and state, the organization where they are employed (or the school which they attend), the year they intend to graduate (if applicable), how they heard about the NHSC/Nurse Corps, and the programs in which they are interested.
