There are minor changes to the APSR, the burden hours for the APSR, and CFS-101 form.

DATES: Comments due within 60 days of publication. In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on
the specific aspects of the information collection described above.

Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation (OPRE), 330 C Street, SW., Washington, DC 20201, Attn: ACF Reports Clearance Officer. **SUPPLEMENTARY INFORMATION:**

**Description:** Under title IV-B, subparts 1 and 2, of the Social Security Act (the Act), states, territories, and tribes are required to submit a CFSP. The CFSP lays the groundwork for a system of coordinated, integrated, and culturally relevant family services for the subsequent five years (45 CFR 1357.15(a)(1)). The CFSP outlines initiatives and activities the state, tribe or territory will carry out in administering programs and services to promote the safety, permanency, and well-being of children and families, including, as applicable, those activities conducted under the John H. Chafee Foster Care Program for Successful Transition to Adulthood (Section 477 of the Act)
and the state grant authorized by the Child Abuse
Prevention and Treatment Act. By June 30 of each year,
states, territories, and tribes are also required to submit
an APSR and a financial report called the CFS-101. The
APSR is a yearly report that discusses progress made by a
state, territory or tribe in accomplishing the goals and
objectives cited in its CFSP (45 CFR 1357.16(a)). The APSR
contains new and updated information about service needs
and organizational capacities throughout the five-year plan
period and, beginning with the submission due on June 30,
2021, will also include information on the use of the
Family First Transition Grants and Funding Certainty Grants
authorized by the Family First Transition Act included in
Public Law (P.L.) 116-94. The CFS-101 has three parts.
Part I is an annual budget request for the upcoming fiscal
year. Part II includes a summary of planned expenditures
by program area for the upcoming fiscal year, the estimated
number of individuals or families to be served, and the
geographical service area. Part III includes actual
expenditures by program area, numbers of families and
individuals served by program area, and the geographic
areas served for the last complete fiscal year. The
revisions made to the CFS-101 form are to streamline the
data entry and to remove from Part III of the CFS-101
requests for prior year estimates on use of funds that are not required by law.

**Respondents:** States, territories, and tribes must complete the CFSP, APSR, and CFS-101. Tribes and territories are exempted from the monthly caseworker visits reporting requirement of the CFSP/APSR. There are approximately 180 tribal entities that currently receive IV-B funding. There are 53 states (including the Commonwealth of Puerto Rico, the District of Columbia, and the Virgin Islands) that must complete the CFSP, APSR, and CFS-101.
