In carrying out its responsibilities, the Board examines Academy programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the Academy to determine the adequacy of the Academy’s facilities, and examines the funding levels for Academy programs. The Board submits a written annual report through the United States Fire Administrator to the Administrator of FEMA. The report provides detailed comments and recommendations regarding the operation of the Academy.

Agenda

On Tuesday, June 9, 2020, there will be one session, with deliberations and voting at the end of each session as necessary. The Board will discuss the options and challenges facing National Fire Academy restarting classes at the National Emergency Training Center campus.

There will be a 10-minute comment period after each agenda item and each speaker will be given no more than 2 minutes to speak. Please note that the public
comment period may end before the time indicated following the last call for comments. Contact Deborah Gartrell-Kemp to register as a speaker. Meeting materials will be posted at https://www.usfa.fema.gov/training/nfa/about/bov.html by June 2, 2020.
