Commerce received a timely request from domestic interested parties Independence Tube Corporation, and Southland Tube, Incorporated (collectively, Nucor Tubular), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of the Order for 36 companies. On November 27, 2019, Commerce received a timely request from petitioner Wheatland Tube (Wheatland), in accordance with section 751(a) of the Act and 19 CFR 351.213(b), to conduct an administrative review of the Order for 24 companies. No other party requested an administrative review.

On January 17, 2020, Commerce published in the Federal Register a notice of initiation with respect to 36 companies. On March 5, 2020, Wheatland timely withdrew its request for an administrative review for all 24 companies it had requested. On March 10, 2020, Nucor Tubulars timely withdrew its request for an administrative review for all 36 companies it had requested. These withdrawals covered all 36 companies listed in the Initiation Notice.

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these results until September 21, 2020.

Rescission of Administrative Review

3 Subsequent to their joint filing of this request for review, these companies merged and are now known as Nucor Tubular Products Inc.
9 See Initiation Notice, 85 FR 3015-3016.
Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. All parties which requested an administrative review withdrew their requests for review for all companies by the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of the antidumping duty order on certain circular welded non-alloy steel pipe from Mexico covering the period November 1, 2018, through October 31, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 41 days after publication of this notice in the Federal Register.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information
disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until May 19, 2020, unless extended.11

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Deputy Assistant Secretary
for Antidumping and Countervailing Duty Operations.
