SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88877; File No. SR-CBOE-2020-043]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend the Silexx Trading Platform Fees Schedule May 14, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 1, 2020, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to amend the Silexx trading platform (“Silexx” or the “platform”) Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend language within the Silexx Fees Schedule to extend the end of the time period for a free upgrade for users on Silexx Basic to Silexx Pro from April 30, 2020 through May 31, 2020.

By way of background, the Silexx platform consists of a “front-end” order entry and management trading platform (also referred to as the “Silexx terminal”) for listed stocks and options that supports both simple and complex orders,<sup>3</sup> and a “back-end” platform which provides a connection to the infrastructure network. From the Silexx platform (i.e., the collective front-end and back-end platform), a Silexx user has the capability to send option orders to U.S. options exchanges, send stock orders to U.S. stock exchanges (and other trading centers), input parameters to control the size, timing, and other variables of their trades, and also includes access to real-time options and stock market data, as well as access to certain historical data. The Silexx platform is designed so that a user may enter orders into the platform to send to an executing broker (including Trading Permit Holders (“TPHs”)) of its choice with connectivity to the platform, which broker will then send the orders to Cboe Options (if the broker is a TPH) or

<sup>3</sup> The platform also permits users to submit orders for commodity futures, commodity options and other non-security products to be sent to designated contract markets, futures commission merchants, introducing brokers or other applicable destinations of the users' choice.

other U.S. exchanges (and trading centers) in accordance with the user's instructions.<sup>4</sup> The Silexx front-end and back-end platforms are a software application that are installed locally on a user's desktop. Silexx grants users licenses to use the platform, and a firm or individual does not need to be a TPH to license the platform. Use of Silexx is completely optional.

### Free Upgrade

Silexx Basic is an order-entry and management system that provides basic functionality including real-time data, alerts, trade reports, views of exchange books, management of the customer's orders and positions, simple and complex order tickets, and basic risk features. Users are currently charged \$200 per month per Login ID for Silexx Basic. Silexx Pro offers the same functionality as the basic platform plus additional features including an algorithmic order ticket, position analysis, charting, earnings and dividend information, delta hedging tools, volatility skews, and additional risk features. Prior to March 13, 2020, Users were charged \$400 per month per Login ID for Silexx Pro. However on March 13, 2020, the Exchange introduced a free-upgrade period for Users that are currently on Silexx Basic.<sup>5</sup> This upgrade has allowed users of Silexx Basic to use the functionality of Silexx Pro from March 13, 2020 through April 30, 2020 at the current Silexx Basic rate of \$200 per month per Login ID.

The Exchange now proposes to extend the end of the period of the free-upgrade to May 31, 2020. After this period ends, beginning June 1, 2020, those users who upgraded will be

<sup>4</sup> Silexx does not allow users to send orders directly to the Exchange or other market centers; however, an additional version of the Silexx platform, Silexx FLEX, supports the trading of FLEX Options and allows authorized Users with direct access to the Exchange. See Securities Exchange Act Release No. 87028 (September 19, 2019) 84 FR 50529 (September 25, 2019) (SR-CBOE-2019-061).

<sup>5</sup> See Securities Exchange Act No. 88475 (March 25, 2020) 85 FR 17925 (March 31, 2020) (SR-CBOE-2020-018).

charged at the Silexx Pro rate of \$400 per month until they choose to downgrade. The Exchange notes that the upgrade to Silexx Pro is optional.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>6</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>7</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,<sup>8</sup> which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the Exchange believes the proposed rule change is reasonable, equitable, and not unfairly discriminatory because the free upgrade will continue to apply to all current users of Silexx Basic who wish to upgrade. Additionally, the free upgrade period will be limited through May 31, 2020. Finally, the Exchange notes that use of the platform, including the

upgrade, is discretionary and not compulsory, and users may downgrade or cancel their Login IDs with Silexx at any time.

B. Self-Regulatory Organization's Statement on Burden on Competition

Cboe Options does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule change will not impose any burden on intramarket competition because the proposed rule change applies to all users of Silexx. The Exchange notes that each version of Silexx is available to all market participants, and users have discretion to determine which version of the platform they register for based on functionality.

The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed change applies only to Cboe Options. To the extent that the proposed changes make Cboe Options a more attractive marketplace for market participants at other exchanges, such market participants are welcome to become Cboe Options market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and paragraph (f) of Rule 19b-4<sup>10</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest,

<sup>10</sup> 17 CFR 240.19b-4(f).

for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

##### Electronic comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-CBOE-2020-043 on the subject line.
