Agency Information Collection Activities: Proposed Collection; Comment Request; Consolidated FEMA-National Training and Education Division (NTED) Level 3 Training Evaluation Forms

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a reinstatement, with change, of a previously approved information collection for which approval has expired. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the use of the three separate Kirkpatrick Training Program Evaluation Level 3 instruments by three geographically separated National Training and Education (NTED) Training Organizations. The Training Partners Program Branch (TPP) located at FEMA Headquarters, The Center for Domestic Preparedness (CDP) located in Anniston AL, and The Emergency Management Institute (EMI) located at Emmitsburg, MD. While these three instruments contain five common questions or data sets other questions are required due to unique occupational and operational needs of their respective customers and the different course/program content or subject material that is designed to develop interoperable National Preparedness Core Capabilities, Community Lifelines, and/or
Recovery Sector capabilities across and among various responder communities. Level 3 data is used to measure and monitor transfer or retention of knowledge, skills and abilities obtained during training to the students work environment and/or organizational work environment. Data collected is utilized to continuously improve course material, delivery and to inform key stakeholders on course/program performance in accordance with the GPRA Modernization Act of 2010.

SUPPLEMENTARY INFORMATION: In support of Presidential Policy Directive (PPD – 8) National Preparedness, the National Preparedness Goal (NPG) and National Preparedness System (NPS) FEMA’s NTED provides program oversight of three geographically separated training organizations: TPP in Washington DC, CDP in Anniston, AL, and EMI in Emmitsburg, MD. These organizations with the National Domestic Preparedness Consortium (NDPC) and the Continuing Training Grant (CTG) members comprise the National Training and Education System (NTES) and are organized to optimize the 6 U.S.C. 748 required National Training Program on behalf of the FEMA Administrator in collaboration with other Federal agencies. Working collective as a NTES the training capabilities and capacity of the Nation increase the planning, capability and capacity to design, develop, deliver and evaluate training and education solutions to build sustainable and interoperable National Core Capabilities, Community Lifelines, and Recovery Sectors that prevent, protect, mitigate, respond and recover the Nation from acts of terrorism and natural disasters.

As member of the Federal Government FEMA’s NTED and component organizations have developed these training evaluation instruments to measure their individual and collective program performance as required by the GPRA Modernization Act of 2010. Paragraph(a) of 31 U.S.C. 1115 covers Federal Government and Agency Performance Plans while paragraph (b) covers Agency Performance Plans (6) requires a balanced set of performance indicators to be used in measuring or assessing progress toward each performance goal, including, as appropriate, customer service, efficiency, output, and outcome indicators.
This information collection expired on February 28, 2019. FEMA is requesting a reinstatement, with change, of a previously approved information collection for which approval has expired.
