This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to Commission rules.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States: unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically whether the Commission should issue:

(1) a general exclusion order (“GEO”) with respect to the three asserted patents; U.S. Patent Nos. 9,200,460, 10,208,490, and 10,233,655; and/or

(2) cease and desist orders (“CDOs”) against the five domestic defaulting respondents: ABK Trading Corp. of Katy, Texas; Aurora Flooring LLC of Kennesaw, Georgia; Maxwell Flooring Distribution LLC of Houston, Texas; Mr. Hardwood Inc. of Acworth, Georgia; and Sam Houston Hardwood Inc. of Houston, Texas.

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ’s Recommended Determination on Remedy and Bonding issued in this investigation on May 15, 2020. Comments should address whether issuance of the GEO and/or CDOs in this investigation, should the Commission find a violation, would affect the public health and welfare
in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the recommended orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainants, their licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainants, complainants’ licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the GEO and/or CDOs would impact consumers in the United States.

Written submissions from the public must be filed no later than by close of business on June 15, 2020.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission’s paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (March 19, 2020). Submissions should refer to the investigation number (“Inv.
