On November 27, 2019, the petitioner\(^2\) filed a timely request for review with respect to the China-wide entity and of entries from certain exporters comprising that entity.\(^3\) Based on this request, on January 17, 2020, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce published in the *Federal Register* a notice of initiation of an administrative review covering the period November 1, 2018, through October 31, 2019.\(^4\) On February 19, 2020, the petitioner submitted a timely request to withdraw its request for administrative review of the antidumping duty order on MSG from China for all exporters for which it requested a review.\(^5\)

review of the antidumping duty order on MSG from China for the period November 1, 2018, through October 31, 2019, in its entirety.

**Assessment**

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of MSG from China at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the *Federal Register.*

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

**Notification Regarding Administrative Protective Order**

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective
order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with section 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
