That document contained typographical errors. In this document, we correct those errors, provide an additional option for viewing the standard, and add new contact information, which will provide the public several ways to contact CPSC, even during the COVID-19 pandemic.

DATES: Effective [**Insert Date of publication in the Federal Register**].

This document corrects typographical errors in § 1224.2, to reference the correct ASTM

standard, ASTM F2085-19, and updates the CPSC telephone number to: 301-504-7479. In addition, the document provides another way to view a read-only copy of the standard on the ASTM website at: <https://www.astm.org/READINGLIBRARY/>, and adds an email address to provide an additional contact option to reach the agency's Secretary: cpsc-os@cpsc.gov.
