**[Docket Number FRA-2020-0028]**

### **Petition for Waiver of Compliance**

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on March 17, 2020, CSX petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 225, Railroad Accidents/Incidents: Reports Classification, and Investigations. FRA assigned the petition Docket Number FRA-2020-0028.

Specifically, CSX requests a waiver from 49 CFR 225.25(h), which requires, in part, that monthly listings of employee reportable injuries, occupational illnesses, and fatalities be “posted in a conspicuous location” at each establishment where a railroad reasonably expects its employees to report during a 12-month period, and that employees “have the opportunity to observe the posted list.” CSX requests that in lieu of a paper copy of the listing, to make the required information available via a web portal that allows employees access to information from computer terminals and employees’ personal electronic devices. CSX states that any employee who prefers a paper listing would have the option to request a hard copy of the listing from his or her supervisor.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](https://www.regulations.gov) and in person at the U.S.
