BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE
Foreign-Trade Zones Board
[B-45-2020]

Foreign-Trade Zone (FTZ) 26 – Atlanta, Georgia;
Notification of Proposed Production Activity;
Ricoh Electronics, Inc.;
(Toner Products, Thermal Paper and Film),
Lawrenceville and Buford, Georgia.

Ricoh Electronics, Inc. (Ricoh) submitted a notification of proposed production activity to the FTZ Board for its facilities in Lawrenceville and Buford, Georgia. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on July 13, 2020.

Ricoh already has authority to produce copiers, printers, toner cartridges, related toner products, and thermal paper and film products within Subzone 26H. The current request would add foreign-status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Ricoh from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Ricoh would be able to choose the duty rates during customs entry procedures that apply to copiers, printers, toner cartridges, related toner products, and, thermal paper and film (duty rate ranges between duty-free and 5.8%). Ricoh would be able to avoid duty on foreign-

status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include: carnauba wax; titanium dioxide mixture (titanium dioxide, methyltrimethoxy silane, and trifluoropropyltrimethoxysilane); wax ester; carnauba wax/rice bran wax blend; ethylene propylene copolymer wax; polyester resin; acrylonitrile butadiene styrene (ABS) resin; polystyrene (PS) resin; PS/ABS resin; flame retardant additive (polyethylene terephthalate/titanium dioxide mixture); and, plastic damp bags (duty rate ranges from duty-free to 6.5%). The request indicates that certain materials/components are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is **[INSERT DATE 40 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at Diane.Finver@trade.gov or (202) 482-1367.

Dated: July 14, 2020.

Andrew McGilvray,

Executive Secretary.
