OMB Control Number: 1840-NEW

Abstract: Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher education (IHEs). Section 18004(c) of the CARES Act requires the IHEs to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care).

This collection includes application materials for those institutions not included in the original formula-based allocation table under 18004(a)(1) because the requisite Integrated Postsecondary Education Data System (IPEDS) enrollment data and Federal Student Aid (FSA) Pell data were not available. OMB approval requested date is July 20, 2020.

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions: Section 18004(a)(1) of the CARES Act authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher education (IHEs). Section 18004(c) of the CARES Act requires the IHEs to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care).
