Administrative Requirements Terms and Conditions for Cost-Type Grants and Cooperative Agreements to Nonprofit and Governmental Entities

[DOD-2016-OS-0054]

RIN 0790-AJ49

AGENCY: Office of the Secretary of Defense, DoD.

ACTION: Final rule.

SUMMARY: This final rule is the third in a sequence of six final rules this issue of the Federal Register that update the Department of Defense Grant and Agreement Regulations (DoDGARs). This final rule adds seven new DoDGARs parts to address the administrative requirements included in general terms and conditions of DoD cost-type grants and cooperative agreements awarded to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. The administrative requirements are in areas such as financial and program management; property administration; recipient procurement procedures; financial, programmatic, and property reporting; and subawards. These new parts establish a uniform way for DoD Components’ awarding offices to organize the
administrative requirements in their general terms and conditions, and provide standard wording for those terms and conditions, with associated regulatory prescriptions for DoD Components to provide latitude to vary from the standard wording where variation is appropriate.

DATE: This rule is effective [insert date 60 days after publication of this rule in the Federal Register].

SUPPLEMENTARY INFORMATION:

I. Executive Summary

A. Purpose of the Regulatory Action

The Department of Defense Grant and Agreement Regulations (DoDGARs) implement statutes and Governmentwide guidance for grants and cooperative agreements, as needed, to ensure that DoD Component offices make and administer assistance awards consistent with agency policy. They need updating, in part due to the issuance of the Office of Management and Budget’s (OMB) guidance to Federal agencies on administrative requirements, cost principles, and audit requirements that apply to Federal grants, cooperative agreements, and other assistance instruments (2 CFR part 200). This rule provides a major portion of the implementation of that guidance by addressing the administrative requirements to be included in general terms and conditions of
DoD Components’ awards to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes.

**Revisions Implemented by this Rule**

This final rule establishes seven new DoDGARs parts that collectively govern a DoD Component’s construction of the administrative requirements portion of its general terms and conditions for awards to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. The seven proposed new parts comprise a subchapter of the DoDGARs—subchapter D in Chapter XI of 2 CFR.

The first of the proposed parts in the subchapter, 2 CFR part 1126, provides an overview of the subchapter’s content. In addition to addressing the purpose and applicability, the overview part describes what the subchapter’s remaining six parts address and how they are organized.

Each of the subchapter’s other six parts provides both: (1) standard wording for articles of general terms and conditions specifying requirements for recipients and subrecipients within a given subject matter area; and (2) the associated direction to DoD Components on the use of the standard wording for those articles.

Those six parts are:
In addition to minor editorial changes, we made the following changes to correct omissions in the NPRM, or for clarity, consistency, or conformance with the OMB guidance, as indicated:

1. In appendix F to 2 CFR part 1128, FMS Article VI, paragraph A.1, we modified the wording to clearly delineate the potential sources of cost sharing or matching, i.e., cash contributions and third-party in-kind contributions.
2. We corrected appendix B to 2 CFR part 1130, PROP Article II, paragraph B.2.b to indicate that an inventory of federally owned property is required annually as specified in 2 CFR 200.312(a). We also made conforming a change in PROP Article II by adding a paragraph C.3 to explicitly
require an annual inventory of federally owned property for which institutions of higher education, nonprofit organizations, local governments, or Indian tribes are accountable under an award.

3. In appendix C to 2 CFR part 1130, PROP Article III, paragraph A.1.a, we corrected “may” to “must” to ensure consistency with the intent of 2 CFR 200.313(c)(4) with respect to application of disposition proceeds to the acquisition of replacement equipment.

4. We modified appendix D to 2 CFR part 1130, PROP Article IV, to remove language that conflicts with PROP Article I. The language in the NPRM limited the identification of exempt property to inclusion in PROP Article I, whereas PROP Article IV indicated that the exemption could be in either the general terms and conditions (PROP Article I) or in award-specific conditions. We believe the latter potential for inclusion in award-specific conditions would occur only in conjunction with inclusion in PROP Article I, i.e., in an instance where the general terms and conditions include the exemption but it is overridden on an individual award, e.g., based on a risk assessment.

5. We corrected appendix G to 2 CFR part 1130, PROP Article VI, paragraph A.2, to accurately reflect the language and intent of 2 CFR 200.315(b).
6. The requirement included in appendix C to 2 CFR part 1132, PROC Article III, Section B.3, regarding the Copeland Act, was incorrectly shown in the NPRM as a freestanding requirement; however, it is linked to the Wage Rate requirements, as shown in 2 CFR part 200, Appendix II. We have corrected this accordingly.

7. We made a change in appendix C to 2 CFR part 1132, PROC Article III, Section B.10, to conform the Fly America requirements in contracts under grants and cooperative agreements with those in 2 CFR part 1122 that would apply to awards and subawards. As explained in the final rule in today’s Federal Register that addresses national policy requirements (2 CFR part 1122), we added clarifying language to indicate that “Fly America” requirements apply to transport of persons, as well as personal effects, and added language to refer to both the statute and its implementing regulations.

8. In 2 CFR 1134.210((b)(3)(iii), to ensure that DoD Components appropriately monitor advances in those limited instances when predetermined advances are used and to conform to the OMB guidance on the frequency of financial reporting in 2 CFR 200.327, we changed the language to indicate that, when using such advances, DoD Components
must require in their general terms and conditions quarterly financial reporting.

9. In appendix C to 2 CFR part 1136, we added a new Section A to OAR Article III to clarify the use of award-specific conditions as a means of addressing non-compliance and redesignated the other Sections of the Article. The redesignated Section B of the Article addresses the remedies outlined in the OMB guidance in 2 CFR 200.338(a) through (f). In addition, we removed the term “materially” from the lead-in language to Section B because the standard for use of those remedies could be a failure to comply that does not rise to that level of significance. Termination for material failure to comply is addressed in the redesignated Section C.

10. In appendix D to 2 CFR part 1136, OAR Article IV, we added a new section G to indicate that the Grant Appeal Authority’s decision is the final administrative decision of DoD and cannot be appealed further within the Department. This serves to emphasize current policy.

11. For consistency between the reporting prescriptions and articles and the closeout article (appendix G to 2 CFR part 1136, OAR Article VI), we made the following changes.

   a. Because appendix B to 2 CFR part 1134, REP Article II, indicates that all final financial reports are due
120 days after the end of the period of performance, in 2 CFR 1136.605(b)(2)(ii), we deleted “financial” from the lead-in and removed paragraph (ii)(B).

b. We added a new Subpart D, “Other reporting,” and REP Article V to allow for inclusion of reports in general terms and conditions other than those covered in REP Articles I-IV, as envisioned by Appendix F to 2 CFR part 1136, OAR Article VI, Section C.4.

12. In Appendices A-L to 2 CFR part 1138, the subaward articles, we added wording to clarify what coverage pertained only to cost-type subawards, what coverage pertained to both cost-type and fixed-amount-type subawards, and what coverage applied (or did not apply) specifically to fixed-amount-type subawards. Several specific clarifying changes were made in SUB Article II, Section C.2, where we elaborated on the location of applicable requirements for fixed amount-type subawards, and SUB Article III Section G, with the respect to the inapplicability of the requirement to include indirect cost information in a fixed amount-type subaward.

13. To ensure clarity in the application of the administrative requirements and consistency within the various parts of the DoDGARs, we made the following changes:
a. Rather than have multiple paragraphs of direction to DoD Components at the beginning and, in some cases, within the individual Articles of terms and conditions, we consolidated the prescriptive language at the beginning of each article.

b. We changed the numbering in several of the Articles to avoid confusion between the alphabetical section designator (e.g., A, B, C) and paragraphs within the text of the Article that have a similar designation.

**B. Legal authorities for the regulatory action**

There are two statutory authorities for this final rule:

- 10 U.S.C. 113, which establishes the Secretary of Defense as the head of the Department of Defense; and

- 5 U.S.C. 301, which authorizes the head of an Executive department to prescribe regulations for the governance of that department and the performance of its business.

**II. Regulatory History**

In December 2014 (79 FR 76047), DoD established an interim implementation of the final guidance, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” published by the Office of Management and Budget (OMB) on December 26, 2013, in 2 CFR part 200 (Uniform Guidance—available at 78 FR 78589). DoD then published a Notice
III. Comments and Responses

We received one set of public comments from an organization that represents universities in their collective relationship with the Federal Government. The affected sections of the proposed rule, the specific comments, and responses to those comments, including whether there is a resulting change in this final rule, are specified below.

Comment: As a general comment, the commenter noted that, while separating the prescriptive language from the language of the terms and conditions makes sense, the format could be more user friendly. The comment indicates that possibly this was a function of how the administrative requirements Subchapter D, in particular, appeared when published in the Federal Register and the issue might be resolved when the final rule is published.

Response: In part, this issue was the result of the “translation” from a Word document into the Federal Register format. In response to this comment, working within the Office
of the Federal Register’s parameters, we have attempted throughout to show in a clearer manner where the Articles of terms and conditions begin and end and set off the Article headings from the text that follows.

Comment: The commenter indicated that 2 CFR 1128.419(h)(4) would allow a DoD Component to modify the default wording as appropriate to the awards using its general terms and conditions and provides an example of limiting the authorization for pre-award costs to less than 90 days. The commenter also indicated that this would have the potential to create added burden if DoD Components vary significantly in their requirements and pointed out that financial assistance awards at research institutions have been operating under “expanded authorities.” The commenter further asked whether there will be a central review of terms and conditions to ensure that there is consistency across the DoD Components in implementing this provision.

Response: We believe that the intended reference is 2 CFR 1128.415(h)(4), as it relates to the direction to DoD Components on the applicable language. This comment also pertains to the policy enunciated in §1128.415(g). Understanding that most of the universities’ grant and cooperative agreement activity with DoD is in research, we have made changes in these two sections to clarify and strengthen the policy that the cited flexibility is not intended for use by DoD Components in general terms and
conditions for research grants and cooperative agreements. Rather, the “up to 90 days” is at the applicant entity’s option. Also, it should be noted that, pending issuance of this final rule, DoD is using general terms and conditions in DoD research awards that reflect the expanded authority, i.e., to incur at the entity’s own risk without requesting DoD prior approval pre-award costs up to 90 calendar days before the start date of the period of performance.

Comment: The commenter indicated that, although it was not a deviation from the OMB guidance in 2 CFR part 200, Appendix D, FMS Article IV, Section B.1.h. varied substantially from current practice because that section incorporates 2 CFR 200.308(e). That section of the OMB guidance would require prior approval for budget transfers exceeding 10 percent of the total award if the award amount is greater than the simplified acquisition threshold, which would represent a departure from the Prior Approval Matrix in which the participating DoD Components waived that prior approval requirement and a departure from what other major Federal agencies have implemented in this area. The commenter also stated that it appreciates the flexibility previously provided and asks that it be reinstated to avoid having a unique requirement for DoD that would increase the administrative burden on recipients.
Response: No change in the current DoD practice or departure from the practice of other Federal research agencies was intended by the referenced language. However, because the comment indicated some confusion concerning whether this provision represented an option rather than a requirement, we added the phrase “for general terms and conditions” in 2 CFR 1128.415(f)(3). Although the proposed language in that paragraph stated that this option (emphasis added) was not appropriate for research, the addition of these words should alleviate that concern. Further, the general terms and conditions being used in DoD research awards (as cited above) do not include this as a prior approval requirement.

Comments: The commenter indicated that 2 CFR 1132.1(b) does not recognize the grace period allowed by 2 CFR 200.110(a) with respect to the potential for delayed implementation of the procurement standards in 2 CFR part 200. This and a related comment also indicated that the language of this section does not consider the Federal statutory language in the National Defense Authorization Act (NDAA) enacted after issuance of the Notice of Proposed Rulemaking (NPRM) regarding the micro-purchase threshold.

Response: With respect to the grace period, 2 CFR 1132.3 implements 2 CFR 200.110(a), including the delayed implementation, which was subsequently extended by a year, for
recipients and 2 CFR 1138.600(b) does so for subrecipients; however, for emphasis, we added a new 2 CFR 1132.3(b) to tie back directly to the procurement grace period specified in 2 CFR 200.110(a). We believe that including the specific duration of that grace period in the DoDGARs will be confusing, as it may be subject to further change, and is unnecessary. As far as a statutory change, the NDAA would have Governmentwide applicability. By deciding to extend the grace period for an additional year, OMB signaled a delay in implementing the statutory provision. It should be noted that the general research terms and conditions in use by DoD Components (as cited above) specify in the Preamble to those terms and conditions that OMB amended 2 CFR 200.110(a) on May 17, 2017 to permit recipients to continue to comply with the procurement standards in previously applicable OMB guidance, rather than the procurement standards in 2 CFR 200.317-200.326, for three full recipient fiscal years that begin on or after December 26, 2014. We believe that language is sufficient and in line with the actions of other Federal research agencies.

Comment: The commenter indicated that 2 CFR 1134.125(b)(2)(ii) states that final reports for research awards should be cumulative and questions whether the use of the word “should” means that DoD Components may adopt inconsistent practices for final reporting, which would make reporting challenging.
Response: In response to this comment, we have changed “should” to “must.”

Comment: The commenter indicated that 2 CFR 1134.125(c)(1)(i) enables a DoD Component to pre-approve a 30-day extension for performance reports; however, the reporting article (REP Article I) states that final performance reports are due 90 days after the end of the period of performance. The comment goes on to observe that REP Article II states that final financial reports are due 120 days after the end of the period of performance, resulting in the potential for inconsistent due dates for the same reports across DoD Components, which would make reporting challenging. The commenter suggested that final reports would be more easily administered if there were one consistent due date of 120 days after the end of the period of performance.

Response: To resolve this inconsistency and reflect our intent that the 120-day due date applies to research awards, we have added language to distinguish research awards from other non-construction awards, both in the prescriptive language (2 CFR 1134.125) and in Section C.1 of Appendix A to part 1134 (REP Article I), to make clear that the 120 days is the default for research awards generally and is not an exception, and the pre-approval requirement applies only to non-research awards. We also made other conforming changes, as appropriate, in addressing this comment. Further, the general terms and
conditions being used in DoD research awards (as cited above) reflect the 120-day time frame for submission of both final performance and financial reports.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders (E.O.s) related to rulemaking. Below we summarize our analyses based on these statutes or E.O.s.

A. Regulatory Planning and Review

Executive Orders 12866 (Regulatory Planning and Review) and 13563 (Improving Regulation and Regulatory Review) direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated as a “not significant” regulatory action, and not economically significant, under section 3(f) of Executive Order 12866. Accordingly, the rule has not been reviewed by the Office of
Management and Budget (OMB) under the requirements of these Executive Orders.

Executive Order 13771 (Reducing Regulation and Controlling Regulatory Costs) directs agencies to reduce regulation and control regulatory costs and provides that “for every one new regulation issued, at least two prior regulations be identified for elimination, and that the cost of planned regulations be prudently managed and controlled through a budgeting process.” This rule is not subject to the requirements of this Executive Order because it is not significant under Executive Order 12866.

**Costs**

DoD has found that this rule will not impose costs on the public because this rule is standardizing terms and conditions for administrative requirements without imposing additional requirements or burdens on the public. In fact, the public will benefit from a time savings resulting from the standardization.

**Benefits**

DoD determined that a standard format for, and wording of, general terms and conditions for grants and cooperative agreements within the DoDGARs, along with specifying the limits of flexibility afforded to DoD Components, will help maximize long term benefits in relation to costs and burdens for recipients of those awards.
The major benefit of this rule is use of standard terms and conditions for administrative requirements, provided in a uniform format with consistent placement and numbering, included in DoD grants and cooperative agreements awarded to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. Greatly increased uniformity across the Department’s approximately 100 offices will help to lessen administrative burdens and costs for recipients, especially those that receive awards from multiple DoD Components and enhance the productivity of projects and programs supported by DoD awards.

Any added administrative burdens and associated costs to recipients due to this regulatory action are primarily existing burdens resulting from the Governmentwide guidance to agencies that OMB issued in 2 CFR part 200. In the NPRM, DoD invited input on any area in which potential recipients of DoD awards perceive an increase in burden relative to the OMB guidance that is not justified by the commensurate value of an improvement in DoD’s ability to carry out its responsibilities for good stewardship of Federal taxpayers’ dollars. Any area where a commenter indicated the potential for an increase in burden or costs is addressed in the responses in Section III, “Comments and Responses.”

Alternatives
No action - If no action was taken DoD would not be compliance with OMB requirements to move all financial assistance regulations to 2 CFR.

B. Congressional Review Act (5 U.S.C. § 801, et seq.)
Under the Congressional Review Act, a major rule may not take effect until at least 60 days after submission to Congress of a report regarding the rule. A major rule is one that would have an annual effect on the economy of $100 million or more or have certain other impacts. This rule is not a major rule under the Congressional Review Act.

C. Impact on Small Entities
The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. This rule will not impose any impacts on any entities. This means that there will be no economic impacts on any entities. Therefore, the Department of Defense under 5 U.S.C. 601 et seq. certifies that this rule will not have a significant economic impact on a substantial number of small entities.
D. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996, Public Law 104-121, we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person in the FOR FURTHER INFORMATION CONTACT section of this rule.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531-1538, requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any 1
year. Although this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Collection of Information

The Paperwork Reduction Act (PRA) (44 U.S.C. 3501-3520) applies to collections of information using identical questions posed to, or reporting or recordkeeping requirements imposed on, ten or more members of the public. This rule does not call for a new collection of information under the PRA.

G. Federalism

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a proposed rule (and subsequent final rule) that imposes substantial direct requirement costs on State and local governments, preempts State law, or otherwise has Federalism implications. This proposed rule does not have federalism implications that warrant the preparation of a federalism assessment in accordance with Executive Order 13132.

PART 1126—SUBCHAPTER D OVERVIEW

Sec.
1126.1 Purposes of this subchapter.
1126.2 Applicability of this subchapter.
1126.3 Exceptions from requirements in this subchapter.
1126.4 Relationship to other portions of the DoD grant and agreement regulations.
1126.5 Organization of this subchapter.
1126.6 Organization of the other parts of this subchapter.

§1126.1 Purposes of this subchapter.

This subchapter of the DoD Grant and Agreement Regulations:

(a) Addresses general terms and conditions governing administrative requirements for use by DoD Components when awarding cost-type grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes. It does so by providing:
(1) A standard organization of the administrative requirements into articles of general terms and conditions, each of which is in a specific subject area.

(2) Standard wording for those articles; and

(3) Associated prescriptions for DoD Component’s use of the standard wording to construct their general terms and conditions, which allow for adding, omitting, or varying in other ways from the standard wording in certain situations.

(b) Thereby implements OMB guidance in 2 CFR part 200 as it relates to general terms and conditions of grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes.

§1126.2 Applicability of this subchapter.

(a) Entities. This subchapter:

(1) Applies to DoD Components that award cost-type grants and cooperative agreements to institutions of higher education, nonprofit organizations, States, local governments, and Indian tribes.

(2) Does not directly impose requirements on a recipient of a DoD Component’s award but does do so indirectly, through the DoD Component’s compliance with this subchapter when it constructs its general award terms and conditions. The terms
and conditions delineate the rights and responsibilities of the
recipient and the Federal Government under the award.

(b) Awards. This subchapter applies to DoD Components’
cost-type grants and cooperative agreements to types of entities
identified in paragraph (a)(1) of this section, other than
Technology Investment Agreements that are addressed in 32 CFR
part 37.

§1126.3 Exceptions from requirements in this subchapter.

(a) Exceptions that are not permitted. A DoD Component
may not grant any exception to the requirements in this
subchapter if the exception is:

(1) Prohibited by statute, executive order, or
regulation;

(2) Inconsistent with the OMB implementation of the

(b) Other exceptions. Other exceptions are permitted from
requirements in this subchapter for institutions of higher
education, nonprofit organizations, States, local governments,
and Indian tribes as follows:

(1) Statutory or regulatory exceptions. A DoD
Component’s general terms and conditions may incorporate a
requirement that is inconsistent with the requirements in this
subchapter if that requirement is specifically authorized or
required by a statute or regulation adopted in the Code of Federal Regulations after opportunity for public comment.

(2) Individual exceptions. The Head of the DoD Component or his or her designee may approve an individual exception affecting only one award in accordance with procedures stated in 32 CFR 21.340.

(3) Small awards. A DoD Component’s terms and conditions for small awards may apply less restrictive requirements than those specified in this subchapter (a small award is an award for which the total value of obligated funding through the life of the award is not expected to exceed the simplified acquisition threshold).

(4) Other class exceptions. The Assistant Secretary of Defense for Research and Engineering or his or her designee may approve any class exception affecting multiple awards other than small awards, with OMB concurrence if the class exception is for a requirement that is inconsistent with OMB guidance in 2 CFR part 200. Procedures for DoD Components’ requests for class exceptions are stated in 32 CFR 21.340.

§1126.4 Relationship to other portions of the DoD grant and agreement regulations.

The administrative requirements specified in this subchapter complement:
(a) Provisions of 32 CFR part 34 that address administrative requirements for DoD Components’ grants and cooperative agreements to for-profit entities; and

(b) Requirements in 32 CFR part 37 for technology investment agreements.

§1126.5 Organization of this subchapter.

This subchapter is organized into six parts in addition to this overview part. Each part provides standard wording and prescriptions for articles of general terms and conditions that address administrative requirements in a particular subject area. Table 1 shows the subject area and articles corresponding to each part:

§1126.6 Organization of the other parts of this subchapter.

(a) Each of parts 1128 through 1138 of this subchapter is organized into subparts and appendices.

(1) Each appendix provides the standard wording of general terms and conditions for one of the articles of general terms and conditions that the part addresses.

(2) For each appendix addressing a particular article, the part has an associated subpart that provides the prescription for DoD Components’ use of the standard wording for that article.

(b) For example, Table 1 to §1126.5 indicates that 2 CFR part 1128 provides the standard wording of general terms and conditions for FMS Articles I through VII and the prescriptions for DoD Components’ use of that standard wording.

(1) FMS Article I on financial management system standards is the first of the articles that 2 CFR part 1128 covers. Appendix A to 2 CFR part 1128 provides the standard wording of general terms and conditions for FMS Article I. The associated subpart of 2 CFR part 1128, subpart A, provides the prescription for DoD Components’ use of the standard wording of that article.

(2) Appendices B through G of 2 CFR part 1128 provide the standard wording of general terms and conditions for FMS
Articles II through VII, respectively. The associated subparts, Subparts B through G, provide the corresponding prescriptions for DoD Components.

§1128.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning financial and program management, including recipients’ financial management systems, payments, cost sharing or matching, program income, budget and program
revisions, audits, allowable costs, and periods of availability of funds.

(b) It thereby implements OMB guidance in the following portions of 2 CFR part 200, as they apply to general terms and conditions of grants and cooperative agreements:

(1) Sections 200.80, 200.209, and 200.302 through 200.309;

(2) Sections 200.301 and 200.328, as they relate to associations between financial data and performance accomplishments and reporting; and

(3) Subparts E and F.

§1128.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

§1128.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

§1128.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.
(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through G to this part (with the associated direction to DoD Components in Subparts A through G, respectively):

Table 1 to paragraph (c)

§1128.100 Purpose of FMS Article I.

FMS Article I specifies standards for recipients’ financial management systems. It thereby implements OMB guidance in:

(a) 2 CFR 200.302, 200.303, and 200.328; and

(b) 2 CFR 200.301 and 200.328, as they relate to associations between financial data and performance accomplishments and reporting.

§1128.105 Content of FMS Article I.

(a) Requirement. A DoD Component’s general terms and conditions must address requirements for recipients’ financial management systems.

(b) Award terms and conditions — (1) General. Except as provided in paragraph (b)(2) of this section, a DoD Component’s general terms and conditions must include the wording appendix A to this part provides for FMS Article I.

(2) Exceptions. A DoD Component’s general terms and conditions may:

   (i) Reserve Section A of FMS Article I if the DoD Component determines that it is not possible that any States will receive:

      (A) DoD Component awards using those general terms and conditions; or
(B) Subawards from recipients of DoD Component awards using those general terms and conditions.

(ii) Reserve paragraph B.6 of FMS Article I if the DoD Component determines that it will not require recipients of awards using those general terms and conditions to relate financial data to performance accomplishments (e.g., through unit costs). Because the nature of research makes the use of unit costs and other relationships between financial data and performance accomplishments generally inappropriate, DoD Components should reserve paragraph B.6 in general terms and conditions for awards supporting research.

Subpart B–Payments (FMS Article II)

§1128.200 Purpose of FMS Article II.

FMS Article II contains requirements related to payments under an award. It thereby implements OMB guidance in 2 CFR 200.305.

§1128.205 Content of FMS Article II.

(a) Requirement. A DoD Component’s general terms and conditions must address payment method; payment timing and amounts, which relate to cash management; frequency of payment requests; and matters related to recipients’ depositories, including interest earned on advance payments.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording appendix B to this
part provides for FMS Article II with appropriate additions, deletions, and substitutions as described in §§1128.210 through 1128.220.

§1128.210 Payment requirements for States.

(a) Policy. Payments to States are subject to requirements in Department of the Treasury regulations at 31 CFR part 205 that implement the Cash Management Improvement Act. Those regulations are in two subparts with distinct requirements that apply to different programs:

(1) Subpart A of 31 CFR part 205 contains requirements for payments to States under “major programs,” as defined in that part. The Department of the Treasury negotiates Treasury-State agreements for major programs. Those agreements specify the appropriate timing and amounts of payments. They further specify a State’s interest liability if it receives an advance payment too many days before it disburses the funds for program purposes, as well as the Federal Government’s interest liability if it reimburses the State too many days after the State disburses the funds. Most DoD awards to States are not under major programs, so Subpart A applies relatively infrequently.

(2) Subpart B of 31 CFR part 205 applies to all other DoD grants and cooperative agreements to States—i.e., awards that are not under major programs.
(b) Award terms and conditions — (1) General. Because few DoD awards to States are under major programs, appendix B to this part includes wording for Section A of FMS Article II that specifies the requirements of Subpart B of 31 CFR part 205. A DoD Component’s general terms and conditions must include this wording for Section A of FMS Article II if no award using those terms and conditions will be made to a State under a program designated as a major program in the applicable Treasury-State agreement.

(2) Exception for awards under major programs. If a DoD Component is establishing general terms and conditions that will be used for awards to States, only some of which are subject to requirements for major programs in Subpart A of 31 CFR part 205, then the DoD Component should:

(i) Use appendix B’s wording for Section A of FMS Article II in its general terms and conditions; and

(ii) In each award subject to Subpart A of 31 CFR part 205, include award-specific terms and conditions that make payments to the recipient subject to the requirements in Subpart A of 31 CFR part 205 and the applicable Treasury-State agreement, thereby overriding the wording of Section A of FMS Article II.
§1128.215 Payment requirements for institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(a) Policy. OMB guidance in 2 CFR 200.305 addresses the use of three payment methods for grants and cooperative agreements—advance payments, reimbursement, and working capital advances. Two of the methods pertain to a DoD Component’s general terms and conditions, as described in paragraphs (a)(1) and (2) of this section.

(1) Advance payments. With the possible exception of construction awards, as provided in paragraph (a)(2) of this section, a DoD Component’s general terms and conditions must authorize each recipient to request payments in advance as long as the recipient maintains, or demonstrates the willingness to maintain, both:

(i) Written procedures that minimize the time elapsing between its receipt of funds from the Federal Government and its disbursement of the funds for project or program purposes; and

(ii) Financial management systems that meet the standards for fund control and accountability specified in the wording of FMS Article I (see Subpart A and appendix A to this part).
(2) **Reimbursement.** A DoD Component’s general terms and conditions may specify the reimbursement method if the awards using those terms and conditions will support construction projects financed in whole or in part by the Federal Government.

(b) **Award terms and conditions — (1) General.** Appendix B provides wording for Section B of FMS Article II that a DoD Component:

(i) Must use in general terms and conditions for non-construction awards to authorize recipients to request advance payments; and

(ii) May use in general terms and conditions for construction awards if it elects to authorize recipients of those awards to request advance payments.

(2) **Alternative award terms and conditions.** A DoD Component may develop an alternative to appendix B’s wording for Section B of FMS Article II to use in general terms and conditions for construction awards, if it elects to specify reimbursement as the payment method for those awards. The alternative:

(i) Would replace appendix B’s wording for paragraph B.1 with wording to specify the reimbursement method of payment;

(ii) Must include appendix B’s wording for paragraphs B.2.b and c, B.4, and B.5, which may be renumbered as
appropriate, because those paragraphs apply to reimbursements as well as advance payments;

(iii) Should omit appendix B’s wording for paragraphs B.2.a, B.3, and B.6 because those paragraphs apply specifically to advance payments; and

(iv) Must inform recipients that the DoD payment office generally makes payment within 30 calendar days after receipt of the request for reimbursement by the award administration office, unless the request is reasonably believed to be improper.

§1128.220 Electronic funds transfer and other payment procedural instructions or information.

(a) Policy. A DoD Component’s general terms and conditions must specify that payments will be made by electronic funds transfer (EFT) unless a recipient is excepted in accordance with Department of the Treasury regulations at 31 CFR part 208 from the Governmentwide requirement to use EFT.

(b) Award terms and conditions — (1) Electronic funds transfer. Appendix B provides wording for Section C of FMS Article II that a DoD Component must use to specify payment by EFT, when awards are not excepted from the Governmentwide requirement.

(2) Other payment procedures or instructions. A DoD Component may insert one or more paragraphs in its general terms
and conditions in lieu of the reserved paragraph C.2 in appendix B, to provide procedural instructions or information regarding payments that is common to awards using those terms and conditions. For example, it may insert wording to give detailed instructions on where and how recipients are to submit payment requests. All forms, formats, and data elements for payment requests must be OMB-approved information collections.

Subpart C-Allowable costs, period of availability of funds, and fee or profit (FMS Article III)

§1128.300 Purpose of FMS Article III.

FMS Article III of the general terms and conditions specifies what costs are allowable as charges to awards and when they are allowable. It also specifies restrictions on payment of fee or profit. It thereby implements OMB guidance in §§200.209 and 200.309 and Subpart E of 2 CFR part 200. It also partially implements 2 CFR 200.201(b)(1) and 200.323(c), as those sections apply to the cost principles to be used in relation to subawards and contracts, respectively.

§1128.305 Content of FMS Article III.

(a) Requirement. A DoD Component’s general terms and conditions must address allowability of costs and permissibility of fee or profit.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording appendix C to this
part provides for FMS Article III with appropriate reservations as described in §§1128.310 through 1128.325.

§1128.310 Cost principles.

(a) Policy. The set of Governmentwide cost principles applicable to a particular entity type governs the allowability of costs that may be:

(1) Charged to each cost-type:

   (i) DoD grant or cooperative agreement to a recipient of that entity type;

   (ii) Subaward to a subrecipient of that entity type at any tier below a DoD grant or cooperative agreement; and

   (iii) Procurement transaction with a contractor of that entity type awarded by a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.

(2) Considered in establishing the amount of any:

   (i) Fixed-amount subaward, at any tier under a grant or cooperative agreement, to a subrecipient of that entity type; or

   (ii) Fixed-price procurement transaction with a contractor of that entity type that is awarded by either a recipient of a DoD grant or cooperative agreement or a subrecipient that received a subaward at any tier below that grant or cooperative agreement.
(b) Award terms and conditions — (1) General. Because almost all DoD grants and cooperative agreements are cost-type awards, appendix C includes wording for Section A of FMS Article III that specifies use of the applicable Governmentwide cost principles in the determination of the allowability of costs.

(2) Exception. A DoD Component may reserve any paragraph of appendix C’s wording for Section A of FMS Article III in its general terms and conditions if the Component is certain that no entities of the type to which the paragraph applies could be recipients of awards using those general terms and conditions or recipients of subawards or procurement transactions at any tier under those awards.

§1128.315 Clarification concerning allowability of publication costs.

(a) Requirement. A DoD Component’s general terms and conditions must clarify that a recipient must charge publication costs consistently as either direct or indirect costs in order for those costs to be allowable charges to DoD grants and cooperative agreements.

(b) Award terms and conditions — (1) General. To clarify the allowability of publication costs, a DoD Component’s general terms and conditions must include the wording appendix C to this part provides for Section B of FMS Article III.
(2) Exception. A DoD Component may instead reserve Section B of FMS Article III in its general terms and conditions if the DoD Component determines that there will be no publication costs under any of the awards using those general terms and conditions.

§1128.320 Period of availability of funds.

(a) Requirement. A DoD Component’s general terms and conditions must specify the period during which Federal funds are available for obligation by recipients for project or program purposes.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording appendix C to this part provides for Section C of FMS Article III to specify the period of availability of funds.

§1128.325 Fee or profit.

(a) Requirement. A DoD Component’s general terms and conditions must specify that recipients may neither receive fee or profit nor pay fee or profit to subrecipients.

(b) Award terms and conditions. A DoD Component must use the wording appendix C to this part provides for Section D of FMS Article III to specify the limitation on payment of fee or profit.
Subpart D–Revision of budget and program plans (FMS Article IV)

§1128.400 Purpose of FMS Article IV.

FMS Article IV of the general terms and conditions specifies requirements related to changes in recipients’ budget and program plans. It thereby implements OMB guidance in §200.308 of 2 CFR part 200 and partially implements §200.209 and Subpart E of that part.

1128.405 Content of FMS Article IV.

(a) Requirement. A DoD Component’s general terms and conditions must specify the changes in budget and program plans for which a recipient is required to request DoD Component prior approval and the procedures for submitting those requests.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must include as FMS Article IV the $wording appendix D to this part provides, with any revisions to the wording that are authorized by §§1128.410 through 1128.430.

§1128.410 Approved budget.

(a) OMB guidance. As described in 2 CFR 200.308(a), the approved budget for a grant or cooperative agreement may include both the Federal and non-Federal shares of funding under the award or only the Federal share.

(b) DoD implementation. For DoD grants and cooperative agreements, the approved budget includes the Federal share and any cost sharing or matching that the recipient is required to
provide under the award.

(c) Award terms and conditions. A DoD Component’s general terms and conditions therefore must include the wording appendix D to this part provides for Section A of FMS Article IV.

§1128.415 Prior approvals for non-construction activities.

(a) OMB guidance. OMB guidance in 2 CFR 200.308(c) through (e) addresses prior approval requirements for revisions of a recipient’s budget and program plans under a non-construction grant or cooperative agreement, which includes, for the purposes of this section, non-construction activities under an award that supports both construction and non-construction.

(b) DoD implementation of the guidance. The following paragraphs (c) through (g) of this section provide details of the DoD implementation of the guidance in 2 CFR 200.308(c) through (e) and paragraph (h) specifies the corresponding award terms and conditions. A DoD Component’s general terms and conditions for non-construction awards may require additional prior approvals for budget and program revisions (i.e., prior approvals other than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) Scope or objective, cost sharing or matching, and additional Federal funds. A DoD Component’s general terms and conditions for non-construction awards must require that a
recipient obtain DoD Component prior approval:

(1) For a change in scope or objective of the project or program, as described in 2 CFR 200.308(c)(1)(i).

(2) For any change in the cost sharing or matching included in the approved budget for which FMS Article VI requires prior approval, as described in OMB guidance at 2 CFR 200.308(c)(1)(vii).

(3) If the need arises for additional Federal funds to complete the project or program, as described in 2 CFR 200.308(c)(1)(viii).

(d) Personnel changes, disengagements, or reductions in time. A DoD Component must include the following prior approval requirements in general terms and conditions of research awards and may include them in general terms and conditions of other non-construction awards:

(1) A change in a key person, as described in 2 CFR 200.308(c)(1)(ii).

(2) A principal investigator’s or project director’s disengagement from, or reduction in time devoted to, the project or program, as described in 2 CFR 200.308(c)(1)(iii).

(e) Costs requiring prior approval under the cost principles. With respect to waivers of prior approvals required by the cost principles, as described in 2 CFR 200.308(c)(1)(iv):

(1) Any waiver of a cost principles requirement for
prior approval by a recipient entity’s cognizant agency for indirect costs is appropriately addressed in award-specific terms and conditions, rather than general terms and conditions, because the general terms and conditions must be appropriate for use in awards to multiple recipient entities.

(2) A DoD Component may waive requirements in the cost principles for recipients to request prior approval before charging certain costs as direct costs to awards. However, the DoD Component should carefully consider each prior approval requirement individually and decide:

(i) Which, if any, to waive; and

(ii) Whether to make the waiver of the prior approval requirement contingent on specified conditions (e.g., a DoD Component might waive the prior approval required for direct charging of special purpose equipment purchases under an award but elect to waive it only up to a certain dollar value).

(f) Transfers of funds and subawards. A DoD Component’s general terms and conditions for non-construction awards may include prior approval requirements for:

(1) Transfers of funds for participant support costs, as described in 2 CFR 200.308(c)(1)(v).

(2) Subawarding of work under an award, as described in 2 CFR 200.308(c)(1)(vi).

(3) Transfers of funds among direct cost categories,
as described in 2 CFR 200.308(e), but the wording in the general terms and conditions must make clear that the prior approval requirement applies only to awards using those terms and conditions if the Federal share of the total value is in excess of the simplified acquisition threshold. As a matter of DoD policy, requiring prior approvals for transfers among direct cost categories generally is not appropriate for the general terms and conditions of grants and cooperative agreements that support research.

(g) Pre-award costs, carry forward of unobligated balances, and no-cost extensions. (1) A DoD Component’s general terms and conditions may authorize recipients to incur project costs up to 90 calendar days prior to the beginning date of the period of performance, at their own risk, as described in 2 CFR 200.308(d)(1). OMB guidance in 2 CFR 200.308(d)(4) makes that authorization the default policy for research awards. Therefore, a DoD Component must use this policy in general terms and conditions for research awards unless exceptional circumstances provide the basis for overriding that policy.

(2) If a DoD Component’s general terms and conditions are used for awards that have multiple periods of performance, the DoD Component should authorize recipients to carry forward unobligated balances to subsequent periods of performance, as described in 2 CFR 200.308(d)(3), unless there are compelling
reasons not to do so.

(3) A DoD Component’s general terms and conditions may authorize recipients to initiate one-time extensions in the periods of performance of their awards by up to 12 months, subject to the conditions described in 2 CFR 200.308(d)(2), but only if the DoD Component judges that authorizing no-cost extensions for awards using the general terms and conditions will not cause the DoD Component to fail to comply with DoD funding policies (e.g., the incremental program budgeting and execution policy for research funding) contained in Volume 2A of the DoD Financial Management Regulation, DoD 7000.14-R.

(h) Award terms and conditions. Appendix D to this part provides wording for inclusion in Section B of a DoD Component’s general terms and conditions in accordance with paragraphs (c) through (g) of this section. Specifically:

(1) In accordance with paragraph (c) of this section, a DoD Component’s general terms and conditions for non-construction awards must include the wording that appendix D provides for paragraphs B.1.a and B.1.i of FMS Article IV and, if there will be cost sharing or matching required under any awards using the general terms and conditions, paragraph B.1.g.

(2) In accordance with paragraph (d) of this section, a DoD Component’s general terms and conditions for research awards must include the wording that appendix D provides for
paragraphs B.1.b and B.1.c of FMS Article IV. A DoD Component also may include paragraphs B.1.b and B.1.c in general terms and conditions for other non-construction awards.

(3) In accordance with paragraph (e) of this section, a DoD Component’s general terms and conditions for non-construction awards must include the wording that appendix D provides for paragraph B.1.d of FMS Article IV unless the DoD Component decides to waive any requirements in the applicable cost principles for recipients to obtain prior approval before including certain types of costs as direct charges to awards. If a DoD Component elects to waive any of those prior approval requirements, it must add wording to paragraph B.1.d to identify the specific types of costs for which recipients need not obtain DoD Component prior approval (thereby leaving in place the other prior approval requirements in the cost principles).

(4) In accordance with paragraphs (f) and (g) of this section, a DoD Component’s general terms and conditions for non-construction awards may include the wording that appendix D provides for paragraphs B.1.e, B.1.f, and B.1.h (except as noted for research awards in paragraph (f)(3) of this section) and Section C of FMS Article IV. A DoD Component may modify the wording as specified in paragraphs (f) and (g) of this section (e.g., to limit the authorization for pre-award costs in non-construction awards other than research to a period of less than
90 calendar days prior to the beginning date of the period of performance).

(5) If no awards using a DoD Component’s general terms and conditions will support non-construction activities, the DoD Component may reserve section B.1 of the wording that appendix D provides for FMS Article IV.

§1128.420 Prior approvals for construction activities.

(a) OMB guidance. OMB guidance in 2 CFR 200.308(g)(1) through (4) addresses prior approval requirements for revisions of a recipient’s budget and program plans under a construction grant or cooperative agreement or construction activities under an award that supports both construction and non-construction activities.

(b) DoD implementation of the guidance. DoD implements the guidance in 2 CFR 200.308(g)(1) through (4) through terms and conditions of awards for construction. A DoD Component’s general terms and conditions for construction awards may require additional prior approvals for budget and program revisions (i.e., prior approvals other than those authorized by this subpart) only in accordance with the exceptions provisions of 2 CFR 1126.3.

(c) Award terms and conditions. In a DoD Component’s general terms and conditions for construction awards or awards supporting construction activities, the DoD Component:
(1) Must include the wording that appendix D to this part provides for paragraph B.2 of FMS Article IV.

(2) May reserve or remove the wording appendix D to this part provides for paragraph B.1 and Section C of FMS Article IV unless some awards using the general terms and conditions will also support non-construction activities (if the DoD Component elects to remove Section C, it should redesignate Section D in the article as Section C).

§1128.425 Additional prior approval for awards that support both non-construction and construction activities.

(a) OMB guidance. Guidance on an additional prior approval requirement for grants or cooperative agreements that support both construction and non-construction activities is contained in 2 CFR 200.308(g)(5).

(b) DoD implementation of the guidance. DoD implements the guidance in 2 CFR 200.308(g)(5) through terms and conditions for awards that support both non-construction and construction activities.

(c) Award terms and conditions. If a DoD Component establishes general terms and conditions for awards that support both non-construction and construction activities, the DoD Component may add the prior approval requirement for funding or budget transfers between construction and non-construction activities that is described in OMB guidance in 2 CFR
200.308(g)(5). The wording that appendix D to this part provides for Section B of FMS Article IV includes a reserved paragraph B.3 in which the DoD Component may add appropriate wording to include that prior approval requirement.

§1128.430 Procedures for prior approvals.

(a) OMB guidance. Guidance on procedures related to recipient requests for prior approval is contained in 2 CFR 200.308(h) and (i).

(b) DoD implementation of the guidance. DoD implements the guidance in 2 CFR 200.308(h) and (i) for prior approval requests through award terms and conditions.

(c) Award terms and conditions. A DoD Component must:

(1) Include the wording appendix D to this part provides for paragraph D.1 of FMS Article IV of its general terms and conditions.

(2) Insert appropriate wording in lieu of the reserved paragraph D.2 that appendix D to this part includes in FMS Article IV to specify:

(i) The format the recipient must use when it requests approval for budget revisions. As described in 2 CFR 200.308(h), the award term may allow the recipient to submit a letter of request or otherwise must specify that the recipient use the same format it used for budget information in its application or proposal.
Any other procedural instructions related to requests for prior approvals for budget or program revisions (e.g., to whom requests must be submitted) that are common to the awards using the general terms and conditions. For procedural instructions that will vary from one award to another, it is appropriate to include wording that points to the award-specific terms and conditions as the source of the information.

**Subpart E–Non-Federal audits (FMS Article V)**

§1128.500 Purpose of FMS Article V.

FMS Article V of the general terms and conditions specifies requirements related to audits required under the Single Audit Act, as amended (31 U.S.C., chapter 75). The article thereby implements for grants and cooperative agreements the OMB guidance in Subpart F of 2 CFR part 200.

§1128.505 Content of FMS Article V.

(a) Requirement. A DoD Component’s general terms and conditions must address audit requirements.

(b) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must include the wording appendix E to this part provides for FMS Article V.

(2) Exception. A DoD Component may reserve Section B of the wording in appendix E if there will be no subawards to for-profit entities under any award using those terms and
conditions.

Subpart F–Cost sharing or matching (FMS Article VI)

§1128.600 Purpose of FMS Article VI.

FMS Article VI sets forth requirements concerning recipients’ cost sharing or matching under awards. It thereby implements OMB guidance in:

(a) 2 CFR 200.306 and 200.308(c)(1)(vii); and

(b) 2 CFR 200.434, in conjunction with FMS Article III in appendix C to this part.

§1128.605 Content of FMS Article VI.

(a) Requirement. A DoD Component’s general terms and conditions for awards under which there may be required cost sharing or matching must specify the criteria for determining allowability, methods for valuation, and requirements for documentation of cost sharing or matching.

(b) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must include as FMS Article VI the wording appendix F to this part provides, with any revisions to the wording that are authorized by §§1128.610 through 1128.635.

(2) Exception. A DoD Component may reserve FMS Article VI of its general terms and conditions if it determines that there will be no cost sharing or matching required under any of the awards using those terms and conditions.
§1128.610 General requirement for cost sharing or matching.

(a) Requirement. (1) FMS Article VI of the general terms and conditions must tell a recipient that:

   (i) It may find the amount or percentage of cost sharing or matching required under its award in the award cover pages.

   (ii) The cost sharing or matching amount or percentage identified in the award includes all required (but not voluntary uncommitted) contributions to the project or program by the recipient and its subrecipients, including any that involve third-party contributions or donations to the recipient and subrecipients.

   (iii) It must obtain the DoD Component’s prior approval for any change in the required amount or percentage of cost share or match.

(2) At a DoD Component’s option, FMS Article VI also may require a recipient to obtain the DoD Component’s prior approval if it wishes to substitute alternative cost sharing or matching contributions in lieu of specific contributions included in the approved budget (e.g., to use a third-party in-kind contribution not included in the approved budget).

(b) Award terms and conditions. To implement paragraph (a) of this section, a DoD Component’s general terms and conditions must include the wording appendix F to this part.
provides as Section A of FMS Article VI. A DoD Component may insert wording in lieu of the reserved paragraph A.2.b if it elects to require recipients to obtain prior approval before substituting alternative cost sharing or matching contributions, as described in paragraph (a)(2) of this section.

§1128.615 General criteria for determining allowability as cost sharing or matching.

(a) OMB guidance. The OMB guidance in 2 CFR 200.306(b) lists the basic criteria for the allowability of cost sharing or matching under grants and cooperative agreements.

(b) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must include the wording appendix F to this part provides as Section B of FMS Article VI to specify the allowability of cash or third-party in-kind contributions as cost sharing or matching.

(2) Exception. A DoD Component may reserve paragraph B.4 of Section B of FMS Article VI in its general terms and conditions, or replace it with appropriate alternative wording, if the DoD Component has statutory authority to accept costs reimbursed by other Federal awards as cost sharing or matching under the awards using its general terms and conditions.

§1128.620 Allowability of unrecovered indirect costs as cost sharing or matching.
(a) OMB guidance. The OMB guidance in 2 CFR 200.306(c) provides that unrecovered indirect costs may only be included as part of cost sharing and matching with the prior approval of the Federal awarding agency.

(b) DoD implementation. DoD Components must allow any recipient that either has an approved negotiated indirect cost rate or is using the de minimis rate described in 2 CFR 200.414(f) to count unrecovered indirect costs toward any required cost sharing or matching under awards. The basis for this policy is that recipients’ indirect costs that are allowable and allocable to DoD projects and programs are legitimate costs of carrying out those projects and programs.

(c) Award terms and conditions. To implement the policy in paragraph (b) of this section, a DoD Component’s general terms and conditions must include the wording appendix F to this part provides as Section C of FMS Article VI unless a statute requires otherwise.

§1128.625 Allowability of program income as cost sharing or matching.

(a) OMB guidance. OMB guidance in 2 CFR 200.307(e)(3) specifies that, with the prior approval of the Federal awarding agency, recipients may use program income to meet cost sharing or matching requirements of their awards.

(b) Award terms and conditions—(1) General. A DoD
Component’s general terms and conditions must include the wording appendix F to this part provides as Section D of FMS Article VI if, in FMS Article VII of those terms and conditions, the DoD Component specifies that recipients dispose of program income using either:

(i) The cost sharing or matching alternative described in paragraph (b)(1)(iii) of §1128.720; or

(ii) A combination alternative, as described in paragraph (b)(1)(iv) of §1128.720, that includes use of at least some program income as cost sharing or matching.

(2) Exception. A DoD Component may reserve Section D of FMS Article VI if FMS Article VII of those terms and conditions does not provide that recipients will use any program income as cost sharing or matching.

§1128.630 Valuation of services or property contributed or donated by recipients or subrecipients.

(a) OMB guidance. OMB guidance in 2 CFR 200.306(d) specifies:

(1) That values for recipients’ and subrecipients’ contributions of services or property toward cost sharing or matching must be established in accordance with the cost principles in Subpart E of 2 CFR part 200; and

(2) Types of projects or programs under which recipients’ or subrecipients’ donations of buildings or land are
allowable as cost sharing or matching, with the prior approval of the Federal awarding agency, and how the donations are to be valued in those cases.

(b) DoD implementation. DoD implements the guidance in 2 CFR 200.306(d) through award terms and conditions, with the following clarifications:

(1) Cost principles to be used for valuation. (i) Values for recipients’ and subrecipients’ contributions of services or property toward cost sharing or matching must be established in accordance with the cost principles applicable to the entity making the contribution.

(ii) Consistent with the cost principles, what generally should be charged to awards for real property and equipment is depreciation rather than allowing a recipient’s or subrecipient’s donation of the property (i.e., counting the full value of the property toward cost sharing or matching). However, depreciation included in a recipient’s or subrecipient’s indirect costs is not appropriate for counting as cost sharing or matching under an individual award.

(2) Donations of property to projects or programs under awards. (i) In addition to donations of buildings or land described in 2 CFR 200.306(d), recipients and subrecipients may, with the prior approval of the DoD Component, donate other capital assets described in the cost principles in 2 CFR
(B) The costs therefore satisfy the allowability criterion in 2 CFR 200.306(b)(4) and can qualify as cost sharing or matching if they meet the other criteria listed in 2 CFR 200.306(b).

(ii) However, when there are alternative ways for recipients to meet requirements for cost sharing or matching, DoD Components should not approve donations of capital assets to projects or programs under awards. Inclusion of the full value of a donated asset as project costs in the approved budget of an award is analogous to inclusion of the acquisition cost for an asset that is purchased under the award. Through the donation, the Federal Government acquires an interest in the donated asset that must be resolved at time of disposition of the asset, which is best avoided if possible.

(iii) Whenever a DoD Component permits a recipient to donate a capital asset to a project or program under an award, the DoD Component should inform the cognizant
Federal agency that negotiates the indirect cost rate for that recipient. Doing so enables the cognizant agency to take the donation into account when it establishes the recipient’s indirect cost rate, given that the recipient may not include depreciation for the donated asset as indirect costs that enter into the computation of that rate.

(c) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must use the wording appendix F to this part provides as Section E of FMS Article VI.

(2) Exception. A DoD Component’s general terms and conditions may reserve paragraph E.2 of the wording appendix F to this part provides if the DoD Component does not allow recipients to donate buildings, land, or other capital assets to projects or programs under awards using those terms and conditions.

§1128.635 Valuation of third-party in-kind contributions.

(a) OMB guidance. OMB guidance in 2 CFR 200.306(e) through (j) and 2 CFR 200.434(b) through (g) specifies how to value and document various types of third-party in-kind contributions for cost sharing or matching purposes.

(b) Award terms and conditions — (1) General. To implement the OMB guidance described in paragraph (a) of this section as it applies to valuation and documentation of third-party in-kind contributions, a DoD Component’s general
terms and conditions must use the wording Section VI of appendix F to this part provides as Section F of FMS Article VI.

(2) Exception. A DoD Component’s general terms and conditions may reserve any paragraph of the wording appendix F to this part provides for Section F of FMS Article VI if the DoD Component determines that there will be no possibility of third-party in-kind contributions under awards using those terms and conditions.

Subpart G—Program income (FMS Article VII)

§1128.700 Purpose of FMS Article VII.

FMS Article VII of the general terms and conditions specifies requirements for program income that recipients earn. The article thereby implements OMB guidance in 2 CFR 200.80 and 200.307.

§1128.705 Content of FMS Article VII.

(a) Requirement. A DoD Component’s general terms and conditions must address the kinds of income included as program income, the way or ways in which a recipient may use it, the duration of the recipient’s accountability for it, and related matters.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must include as FMS Article VII the wording appendix G to this part provides, unless, as authorized by
§§1128.710 through 1128.725, there are revisions to the wording of Sections A and E of the article or Section D is reserved.

§1128.710 What program income includes.

(a) OMB guidance. Under the definition of “program income” at 2 CFR 200.80 and related OMB guidance at 2 CFR 200.307, an agency’s regulations or terms and conditions of grants and cooperative agreements may include as program income:

1. Rebates, credits, discounts, and interest earned on any of them; and

2. Taxes, special assessments, levies, fines and other similar revenue raised by a governmental recipient.

(b) DoD implementation. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, each DoD Component must exclude the types of income listed in paragraphs (a)(1) and (2) of this section from program income for which recipients are accountable to the Federal Government.

(c) Award terms and conditions — (1) General. Except as provided in paragraph (c)(2) of this section, a DoD Component must use the wording provided in appendix G to this part as Section A of FMS Article VII in its general terms and conditions. Doing so excludes the types of income listed in paragraphs (a)(1) and (2) of this section from program income for which recipients are accountable to the Federal Government.
(2) Exceptions. If a DoD Component has a statutory or regulatory basis for including either or both types of income described in paragraphs (a)(1) and (2) of this section, it may do so by appropriately revising the wording appendix G provides for Section A of FMS Article VII. For example, to include as program income:

   (i) Rebates, credits, discounts, and interest earned on them, a DoD Component would reserve paragraph A.3.c and insert the wording of that paragraph as a new paragraph at the end of section A.2, thereby adding them to the list of items included as program income subject to FMS Article VII.

   (ii) Taxes, special assessments, levies, fines and other similar revenue raised by a governmental recipient, a DoD Component would reserve paragraph A.3.d and insert that wording as a new paragraph at the end of section A.2, thereby adding them to the list of items included as program income subject to FMS Article VII.

§1128.715 Recipient obligations for license fees and royalties.

   (a) Policy. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment provides otherwise, a DoD Component’s general terms and conditions may not specify that recipients have obligations to the Federal Government with respect to program income from license fees and royalties for patents or patent
applications, copyrights, trademarks, or inventions produced under DoD awards.

(b) Award terms and conditions — (1) General. Except as provided in paragraph (b)(2) of this section, a DoD Component’s general terms and conditions must implement the policy in paragraph (a) of this section by including the wording provided in appendix G to this part as Section D of FMS Article VII.

(2) Exception. If a DoD Component has a statutory or regulatory basis for establishing recipient obligations for the license fees and royalties described in paragraph (a) of this section, it may reserve Section D of FMS Article VII in its general terms and conditions.

§1128.720 Program income use.

(a) OMB guidance. OMB guidance in 2 CFR 200.307(e) identifies alternative ways that a Federal agency might specify that recipients use program income they earn.

(b) DoD implementation. A DoD Component’s general terms and conditions must specify how recipients are to use program income under awards using those terms and conditions.

(1) The terms and conditions may specify one of the following ways for recipients to use program income:

   (i) Addition. A recipient under this alternative adds program income to the total amount of the
approved budget, which consists of the Federal share of funding and any required matching or cost sharing.

(ii) *Deduction.* A recipient using this alternative subtracts program income from total allowable costs to determine net allowable costs for purposes of determining the Federal share of funding and any required cost sharing or matching.

(iii) *Cost sharing or matching.* Under this alternative, a recipient counts program income toward its required cost sharing or matching.

(iv) *Combination.* The fourth alternative is a combination of any of the three alternatives described in paragraphs (b)(1)(i) through (iii) of this section. For example, an agency might specify one alternative to be used for program income up to a dollar limit and a second alternative for any program income beyond that amount.

(2) For research awards, absent compelling reasons to do otherwise for a specific set of general terms and conditions, a DoD Component must specify the addition alternative described in paragraph (b)(1)(i) of this section.

(3) For general terms and conditions of other awards, a Component may specify any of the alternatives described in paragraph (a) of this section. However, the cost sharing or matching alternative is best used as part of a combination.
alternative, as described in paragraph (b)(1)(iv) of this section, unless the DoD Component knows at the time awards are made how much program income recipients will earn in relation to the amounts of their required cost sharing or matching.

(c) Award terms and conditions. (1) Default—addition alternative. In accordance with the DoD implementation in paragraph (b) of this section, a DoD Component must use the wording provided in appendix G to this part as Section E of FMS Article VII in:

(i) Research awards; and

(ii) Other awards for which it elects to specify the addition alternative for use of program income.

(2) Deduction alternative. A DoD Component electing to specify the deduction alternative for use of program income must modify the wording appendix G to this part provides for Section E by:

(i) Substituting the following wording for the wording of paragraph E.1: “1. You must use any program income that you earn during the period of performance under this award as a deduction from the total approved budget of this award. The program income must be used for the purposes and in accordance with the terms and conditions of the award.”

(ii) Including an additional paragraph E.4, such as the following, to inform recipients how the award will
change if program income is deducted: “If you report program income on the Federal Financial Report (SF-425), we will recalculate the Federal share of the budget and the non-Federal share if there is one. We also will modify the award to reflect the recalculated share or shares and the amount of program income you must spend on the project, which is the difference between the originally approved and recalculated budget amounts.”

(3) Cost-sharing or matching alternative. A DoD Component electing to specify the cost-sharing or matching alternative for use of program income must replace the wording appendix G to this part provides for Section E with the following wording: “You must use any program income that you earn during the period of performance under this award to meet any cost-sharing or matching requirement under this award. The program income must be used for the purposes and in accordance with the terms and conditions of the award.”

(4) A combination of alternatives. A DoD Component electing to specify some combination of addition, deduction, and cost-sharing or matching alternatives must use wording in Section E of FMS Article VII that specifies requirements for each alternative in the combination that is consistent with the requirements specified for that alternative in paragraphs (c)(1), (2), or (3) of this section.
§1128.725 Program income after the period of performance.

(a) OMB guidance. OMB guidance in 2 CFR 200.307(f) provides that an agency may specify in agency regulations, grant or cooperative agreement terms and conditions, or agreements negotiated with recipients during the closeout process that a recipient is accountable to the Federal Government for program income earned after the end of the period of performance.

(b) DoD implementation. A DoD Component should rarely, if ever, establish a requirement for a recipient to be accountable to the Federal Government for program income earned after the end of the period of performance.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must include as Section F of FMS Article VII the wording for that section that is provided in appendix G to this part. That wording specifies that recipients are not accountable to the Federal Government for program income earned after the end of the performance period. If an exception is warranted for an individual award, the exception is properly addressed at the time of award in the award-specific terms and conditions.

Appendix A to Part 1128—Terms and Conditions for FMS Article I, “Financial Management System Standards”
Unless any part of this appendix is reserved, as provided in §1128.105, a DoD Component’s general terms and conditions must include the following wording for FMS Article I.

**FMS Article I. Financial management system standards.**

(DECEMBER 2014)

**Section A. System standard for States.** As a State, you must expend and account for funds under this award in accordance with:

1. Applicable State laws; and
2. To the extent they comply with the requirements of Section B of this Article, your procedures for expending and accounting for your own State funds.

**Section B. System standards for all recipients.** Your financial management system must provide for:

1. Inclusion, in your accounts, of the following information about each DoD grant or cooperative agreement that you receive:
   a. That you received the award from DoD;
   b. The number and title listed in the Catalog of Federal Domestic Assistance for the DoD program under which the award was made;
   c. The DoD award number; and
   d. The year (your fiscal year) in which you received the award.
2. Accurate, current, and complete disclosure of the financial results of the award needed to comply with financial and programmatic reporting requirements that are specified in REP Articles I and II of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award concerning reporting requirements. If you are asked at any time under this award to report financial information on an accrual basis, you:

   a. Need not establish an accrual accounting system if you maintain your records on a different basis; and

   b. May develop the accrual data based on an analysis of the data you have on hand.

3. Records that identify adequately the sources of funds for all activities funded by DoD awards, including any required cost sharing or matching, and the application of those funds. This includes funding authorizations; your obligations and expenditures of the funds; unobligated balances; property and other assets under the award; program income; and interest.

4. Effective control over, and accountability for, all funds, property, and other assets under this award. You must adequately safeguard all assets and ensure they are used solely for authorized purposes (see
Section C of this article for additional requirements concerning internal controls).

5. Comparison of expenditures under this award for project or program purposes with amounts in the approved budget for those purposes.

6. The ability to relate financial data to performance accomplishments under this award if you are required to do so by the programmatic reporting requirements in REP Article I of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award concerning reporting requirements.

7. Written procedures:
   a. To implement requirements specified in FMS Article II, “Payments;”
   b. For determining the allowability of costs, which for this award are determined in accordance with FMS Article III, “Allowable costs, period of availability of funds, and fee or profit,” of these general terms and conditions, as supplemented by any award-specific terms and conditions of this award that relate to allowability of costs.

Section C. Internal controls. Your system of internal controls must conform to OMB guidance in 2 CFR
200.303. With respect to paragraph (e) of 2 CFR 200.303, your internal control system must include measures to safeguard any information that Federal statute, Executive order, or regulation requires to be protected (e.g., personally identifiable or export controlled information), whether generated under the award or provided to you and identified as being subject to protection.

Appendix B to Part 1128—Terms and Conditions for FMS Article II, “Payments”

Unless a DoD Component adds, deletes, or modifies wording, as permitted by §§1128.210 through 1128.220, a DoD Component’s general terms and conditions must include the following wording for FMS Article II.

FMS Article II. Payments. (DECEMBER 2014)

Section A. Awards to States. If the award-specific terms and conditions of this award do not identify it as an award subject to Subpart A of 31 CFR part 205 (Department of the Treasury regulations implementing the Cash Management Improvement Act), then this award is subject to Subpart B of that part. Consistent with Subpart B of 31 CFR part 205:

1. Payment method, timing, and amounts. You must:
a. Minimize the time between your receipt of a payment under this award and your disbursement of those funds for program purposes.

b. Limit the amount of each advance payment request to the minimum amount you need to meet your actual, immediate cash requirements for carrying out the program or project.

c. Submit each advance payment request approximately 10 days before you anticipate disbursing the requested amount for program purposes, so that your receipt of the funds will be as close in time as is administratively feasible to your actual cash outlay for direct project costs and the proportionate share of any allowable indirect costs.

2. Interest. Unlike awards subject to Subpart A of 31 CFR part 205, neither you nor we will incur any interest liability due to a difference in timing between your receipt of payments under this award and your disbursement of those funds for project or program purposes.

Section B. Awards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes.
1. **Payment method.** Unless the award-specific terms and conditions of this award provide otherwise, you are authorized to request advance payments under this award. That authorization is contingent on your continuing to maintain, or demonstrating the willingness to maintain, written procedures that minimize the time elapsing between your receipt of each payment and your disbursement of the funds for program purposes. Note that you are not required to request advance payments and may instead, at your option, request reimbursements of funds after you disburse them for project or program purposes.

2. **Amounts requested.** You must:

   a. Limit the amount of any advance payment request to the minimum amount needed to meet your actual, immediate cash requirements for carrying out the purpose of the approved program or project, including direct project costs and a proportionate share of any allowable indirect costs.

   b. Exclude from any payment request amounts you are withholding from payments to contractors to assure satisfactory completion of the work. You may request those amounts when you make the payments to the
contractors or to escrow accounts established to ensure satisfactory completion of the work.

c. Exclude from any payment request amounts from any of the following sources that are available to you for program purposes under this award: program income, including repayments to a revolving fund; rebates; refunds; contract settlements; audit recoveries; and interest earned on any of those funds. You must disburse those funds for program purposes before requesting additional funds from us.

3. **Timing of requests.** For any advance payment you request, you should submit the request approximately 10 days before you anticipate disbursing the requested amount for project or program purposes. With time for agency processing of the request, that should result in payment as close as is administratively feasible to your actual disbursements for project or program purposes.

4. **Frequency of requests.** You may request payments as often as you wish unless you have been granted a waiver from requirements to receive payments by electronic funds transfer (EFT). If you have been granted a waiver from EFT requirements, the award-specific terms and conditions of this award
specify the frequency with which you may submit payment requests.

5. **Withholding of payments.** We will withhold payments for allowable costs under the award at any time during the period of performance only if one or more of the following applies:

   a. We suspend either payments or the award, or disallow otherwise allowable costs, as a remedy under OAR Article III due to your material failure to comply with Federal statutes, regulations, or the terms and conditions of this award. If we suspend payments and not the award, we will release withheld payments upon your subsequent compliance. If we suspend the award, then amounts of payments are subject to adjustment in accordance with the terms and conditions of OAR Article III.

   b. You are delinquent in a debt to the United States as defined in OMB Circular A-129, “Policies for Federal Credit Programs and Non-Tax Receivables,” in which case we may, after reasonable notice, inform you that we will not make any further payments for costs you incurred after a specified date until you correct the conditions or liquidate the indebtedness to the Federal Government.
c. The award-specific terms and conditions of this award include additional requirements that provide for withholding of payments based on conditions identified during our pre-award risk evaluation, in which case you should have been notified about the nature of those conditions and the actions needed to remove the additional requirements.

6. Depository requirements.

   a. There are no eligibility requirements for depositories you use for funds you receive under this award.

   b. You are not required to deposit funds you receive under this award in a depository account separate from accounts in which you deposit other funds. However, FMS Article I requires that you be able to account for the receipt, obligation, and expenditure of all funds under this award.

   c. You must deposit any advance payments of funds you receive under this award in insured accounts whenever possible and, unless any of the following apply, you must deposit them in interest-bearing accounts:
i. You receive a total of less than $120,000 per year under Federal grants and cooperative agreements.

ii. You would not expect the best reasonably available interest-bearing account to earn interest in excess of $500 per year on your cash balances of advance payments under Federal grants and cooperative agreements.

iii. The best reasonably available interest-bearing account would require you to maintain an average or minimum balance higher than it would be feasible for you to do within your expected Federal and non-Federal cash balances.

iv. A foreign government or banking system precludes your use of interest-bearing accounts.

d. You may retain for administrative expenses up to $500 per year of interest that you earn in the aggregate on advance payments you receive under this award and other Federal grants and cooperative agreements. You must remit annually the rest of the interest to the Department of Health and Human Services, Payment Management System, using the procedures set forth in OMB guidance in 2 CFR 200.305(b)(9).
Section C. Electronic funds transfer and other payment procedural instructions or information.

1. Electronic funds transfer. Unless the award-specific terms and conditions of this award provide otherwise, you will receive payments under this award by electronic funds transfer.

2. [Reserved].

Appendix C to Part 1128—Terms and Conditions for FMS Article III, “Allowable Costs, Period of Availability of Funds, and Fee or Profit”

Unless a DoD Component reserves sections or paragraphs of this article, as permitted by §§1128.310 through 1128.325, a DoD Component’s general terms and conditions must include the following wording for FMS Article III.

FMS Article III. Allowable costs, period of availability of funds, and fee or profit. (DECEMBER 2014)

Section A. Allowable costs. This section, with the clarification provided in Section B, specifies which Federal cost principles must be used in determining the allowability of costs charged to this award, a subrecipient’s costs charged to any cost-type subaward that you make under this award, and a contractor’s
costs charged to any cost-type procurement transaction into which you enter under this award. These cost principles also govern the allowable costs that you or a subrecipient of a subaward at any tier below this award may consider when establishing the amount of any fixed-amount subaward or fixed-price procurement transaction at the next lower tier. The set of cost principles to be used in each case depends on the type of entity incurring the cost under the award, subaward, or contract.

1. **General case.** If you, your subrecipient, or your contractor is:
   
   a. **An institution of higher education,** the allowability of costs must be determined in accordance with provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendix III to that part.
   
   b. **A hospital,** the allowability of costs must be determined in accordance with provisions of appendix IX to 2 CFR part 200, which currently specifies the cost principles in appendix IX to 45 CFR part 75 as the applicable cost principles.
   
   c. **A nonprofit organization other than a hospital or institution of higher education,** the allowability of
costs must be determined in accordance with provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendices IV and VIII to that part. In accordance with guidance in 2 CFR 200.401(c), a nonprofit organization listed in appendix VIII to 2 CFR part 200 is subject to the cost principles for for-profit entities specified in paragraph 1.e of this section.

d. **A State, local government, or Indian tribe**, the allowability of costs must be determined in accordance with applicable provisions of Subpart E of OMB guidance in 2 CFR part 200 other than 2 CFR 200.400(g), supplemented by appendices V through VII to that part.

e. **A for-profit entity (other than a hospital) or a nonprofit organization listed in appendix VIII to 2 CFR part 200:**

   i. The allowability of costs must be determined in accordance with:

   (A) The cost principles for commercial organizations in the Federal Acquisition Regulation (FAR) at Subpart 31.2 of 48 CFR part 31, as supplemented by provisions of the Defense Federal
Acquisition Regulation Supplement (DFARS) at Subpart 231.2 of 48 CFR part 231; and

(B) For a for-profit entity, the additional provisions on allowability of audit costs, in 32 CFR 34.16(f).

ii. The indirect cost rate to use in that determination is:

(A) The for-profit entity’s federally negotiated indirect cost rate if it has one.

(B) Subject to negotiation between you and the for-profit entity if it does not have a federally negotiated indirect cost rate. The rate that you negotiate may provide for reimbursement only of costs that are allowable in accordance with the cost principles specified in paragraph A.1.e.i of this article.

2. Exception. You may use your own cost principles in determining the allowability of a contractor’s costs charged to a cost-type procurement transaction under this award—or in pricing for a fixed-price contract based on estimated costs—as long as your cost principles comply with the Federal cost principles that paragraph A.1 of this section identifies as applicable to the contractor.
Section B. Clarifications concerning charges for professional journal publications. For an entity that Section A of this article makes subject to the cost principles in Subpart E of 2 CFR part 200:

1. Costs of publishing in professional journals are allowable under 2 CFR 200.461(b) only if they are consistently applied across the organization. An organization may not charge costs of journal publications as direct costs to this award if it charges any of the same type of costs for other journal publications as indirect costs.

2. “Costs of publication or sharing of research results” in 2 CFR 200.461(b)(3) are the “charges for professional journal publications” described in 2 CFR 200.461(b) and subject to the conditions of 2 CFR 200.461(b)(1) and (2).

Section C. Period of availability of funds. You may charge to this award only:

1. Allowable costs incurred during the period of performance specified in this award, including any subsequent amendments to it;

2. Any pre-award costs that you are authorized (by either the terms and conditions of FMS Article IV or the DoD awarding official) to incur prior to the start
of the period of performance, at your own risk, for purposes of the project or program under this award; and

3. Costs of publishing in professional journals incurred after the period of performance, as permitted under 2 CFR 200.461(b)(3), if:
   a. We receive the request for payment for such costs no later than the date on which REP Article II requires you to submit the final financial report to us (or, if we grant your request for an extension of the due date, that later date on which the report is due); and
   b. Your reported expenditures on the final financial report include the amount you disbursed for those costs.

Section D. Fee or profit.

1. You may not receive any fee or profit under this award.

2. You may not use funds available to you under this award to pay fee or profit to an entity of any type to which you make a subaward.

3. You may pay fee or profit to an entity with which you enter into a procurement transaction to purchase
Appendix D to Part 1128—Terms and Conditions for FMS Article IV, “Revision of Budget and Program Plans”

Unless a DoD Component reserves a section or paragraph or adds or modifies wording, as permitted by §§1128.410 through 1128.430, a DoD Component’s general terms and conditions must include the following wording for FMS Article IV.

**FMS Article IV. Revision of budget and program plans.**

**(DECEMBER 2014)**

**Section A. Approved budget.** The approved budget of this award:

1. Is the most recent version of the budget that you submitted, and we approved (either at the time of the initial award or a more recent amendment), to summarize planned expenditures for project or program purposes.

2. Includes all Federal funding that we make available to you under this award to use for project or program purposes and any cost sharing or matching that you are required to provide under this award for those same purposes.

**Section B. Revisions requiring prior approval.**
1. **Non-construction activities.** You must request prior approval from us for any of the following program or budget revisions in non-construction activities:

   a. A change in the scope or objective of the project or program under this award, even if there is no associated budget revision that requires our prior approval.

   b. A change in a key person identified in the award cover pages.

   c. The approved principal investigator’s or project director’s disengagement from the project for more than three months, or a 25 percent reduction in his or her time devoted to the project.

   d. The inclusion of direct costs that require prior approval in accordance with the applicable cost principles, as identified in FMS Article III.

   e. The transfer to other categories of expense of funds included in the approved budget for participant support costs, as defined at 2 CFR 200.75.

   f. A subaward to another entity under which it will perform a portion of the substantive project or program under the award, if it was not included in the approved budget. This does not apply to your
contracts for acquisition of supplies, equipment, or general support services you need to carry out the project or program.

g. Any change in the cost sharing or matching you provide under the award, as included in the approved budget, for which FMS Article VI requires prior approval.

h. A transfer of funds among direct cost categories or programs, functions, and activities, if the Federal share of the total value for your award exceeds the simplified acquisition threshold and the cumulative amount of the transfers exceeds or is expected to exceed 10 percent of the approved budget.

i. The need arises for additional Federal funds to complete the project or program.

2. Construction activities. You must request prior approval from us for any of the following program or budget revisions in construction activities:

   a. A change in the scope or objective of the project or program under this award, even if there is no associated budget revision that requires our prior approval.

   b. The need arises for additional Federal funds to complete the project or program.
c. The inclusion of direct costs that require prior approval in accordance with the applicable cost principles, as identified in FMS Article III.

3. **Funding transfers between construction and non-construction activities.** [Reserved.]

**Section C. Pre-award costs, carry forward of unobligated balances, and one-time no-cost extensions.**

You are authorized, without requesting prior approval from us, to:

1. Charge to this award after you receive it pre-award costs that you incurred, at your own risk, up to 90 calendar days before the start date of the period of performance, as long as they are costs that would be allowable charges to the project or program under the terms and conditions of FMS Article III if they were incurred during the period of performance.

2. Carry forward an unobligated balance to a subsequent period of performance under this award.

3. Initiate a one-time extension of the period of performance by up to 12 months, as long as:
   a. You notify us in writing with the supporting reasons and revised end date of the period of performance at least 10 calendar days before the current end date.
b. The extension does not require any additional Federal funding.

c. The extension does not involve any change in the scope or objectives of the project or program.

Section D. Procedures.

1. We will review each request you submit for prior approval for a budget or program change and, within 30 calendar days of our receipt of your request, we will respond to you in writing to either:

a. Notify you whether your request is approved; or

b. Inform you that we still are considering the request, in which case we will let you know when you may expect our decision.

2. [Reserved.]

Appendix E to Part 1128—Terms and Conditions for FMS Article V, “Non-Federal Audits”

Unless a DoD Component reserves Section B, as permitted by §1128.605, a DoD Component’s general terms and conditions must use the following wording for FMS Article V.

FMS Article V. Non-Federal audits. (DECEMBER 2014)

Section A. Requirements for entities subject to the Single Audit Act. You and each subrecipient under this award that is an institution of higher education, nonprofit organization, State, local government, or
Indian tribe must comply with the audit requirements specified in Subpart F of 2 CFR part 200, which is the OMB implementation of the Single Audit Act, as amended (31 U.S.C. chapter 75).

Section B. Requirements for for-profit entities. Any for-profit entity that receives a subaward from you under this award is subject to the audit requirements specified in 32 CFR 34.16. Your subaward terms and conditions will require the subrecipient to provide the reports to you if it is willing to do so, so that you can resolve audit findings that pertain specifically to your subaward (e.g., disallowance of costs). If the for-profit entity is unwilling to agree to provide the auditor’s report to you, contact the grants officer for this award to discuss an alternative approach for carrying out audit oversight of the subaward. If the grants officer does not provide an alternative approach within 30 days of receiving your request, you may determine an approach to ensure the for-profit subrecipient’s compliance with the subaward terms and conditions, as described in OMB guidance at 2 CFR 200.501(h).
Appendix F to Part 1128—Terms and Conditions for FMS Article VI, “Cost Sharing or Matching”

Unless a DoD Component reserves FMS Article VI in its entirety, reserves one or more paragraphs within sections of the article, or includes added or alternate wording, as permitted by §§1128.610 through 1128.635, a DoD Component’s general terms and conditions must use the following wording for FMS Article VI.

FMS Article VI. Cost sharing or matching. (DECEMBER 2014)

Section A. Required cost sharing or matching.

1. If any cost sharing or matching is required under this award, the total amount or percentage required is shown in the award cover pages and included in the approved budget. That cost sharing or matching includes all:
   
   a. Cash contributions to the project or program either made by or through (if made by a third party) you and any subrecipients.
   
   b. Third-party in-kind contributions to the project or program.

2. You must obtain our prior approval if you wish to:
   
   a. Change the amount or percentage of cost sharing or matching required under this award.
   
   b. [Reserved].

Section B. Allowability as cost sharing or matching.

Each cash or third party in-kind contribution toward any cost sharing or matching required under this award, whether put forward by you or a subrecipient under a subaward that you make, is allowable as cost sharing or matching if:

1. You (or the subrecipient, if it is a subrecipient contribution) maintain records from which one may verify that the contribution was made to the project or program and, if it is a third-party in-kind contribution, its value.

2. The contribution is not counted as cost sharing or matching for any other Federal award.

3. The contribution is:
   a. Allowable under the cost principles applicable to you (or the subrecipient, if it is a subrecipient contribution) under FMS Article III of these terms and conditions; and
   b. Allocable to the project or program and reasonable.

4. The Government does not pay for the contribution through another Federal award, unless that award is under a program that has a Federal statute authorizing application of that program’s Federal funds to other
Federal programs’ cost sharing or matching requirements.

5. The value of the contribution is not reimbursed by the Federal share of this award as either a direct or indirect cost.

6. The contribution conforms to the other terms and conditions of this award, including the award-specific terms and conditions.

Section C. Allowability of unrecovered indirect costs as cost sharing or matching. You may use your own or a subrecipient’s unrecovered indirect costs as cost sharing or matching under this award. Unrecovered indirect costs means the difference between the amount of indirect costs charged to the award and the amount that you and any subrecipients could have charged in accordance with your respective approved indirect cost rates, whether those rates are negotiated or de minimis (as described in 2 CFR 200.414(f)).

Section D. Allowability of program income as cost sharing or matching. If FMS Article VII of these general terms and conditions or the award-specific terms and conditions of this award specify that you are to use some or all of the program income you earn to meet cost-sharing or matching requirements under
the award, then program income is allowable as cost sharing or matching to the extent specified in those award terms and conditions.

Section E. Valuation of services or property that you or subrecipients contribute or donate. You must establish values for services or property contributed or donated toward cost sharing or matching by you or subrecipients in accordance with the provisions of this section. These contributions or donations are distinct from third-party in-kind contributions to you or subrecipients, which are addressed in Section F of this article.

1. Usual valuation of services or property that you or subrecipients contribute or donate. Values established for contributions of services or property by you or a subrecipient must be the amounts allowable in accordance with the cost principles applicable to the entity making the contribution (i.e., you or the subrecipient), as identified in FMS Article III. For property, that generally is depreciation.

2. Needed approvals for, and valuation of, property that you or subrecipients donate.
   a. Types of property that may be donated.
i. **Buildings or land.** If the purposes of this award include construction, facilities acquisition, or long-term use of real property, you may donate buildings or land to the project if you obtain our prior approval. Donation of property to the project, as described in PROP Article I, means counting the value of the property toward cost sharing or matching, rather than charging depreciation.

ii. **Other capital assets.** If you obtain our prior approval, you may donate to the project other capital assets identified in 2 CFR 200.439(b)(1) through (3).

b. **Usual valuation of donated property.** Unless you obtain our approval as described in paragraph E.2.c of this article, the value for the donated property must be the lesser of:

   i. The value of the remaining life of the property recorded in your accounting records at the time of donation, or

   ii. The current fair market value.

c. **Approval needed for alternative valuation of property.** If you obtained our approval in the approved budget, you may count as cost sharing or matching the current fair market value of the donated
property even if it exceeds the value of the remaining life of the property recorded in your accounting records at the time of donation.

d. **Federal interest in donated property.** Donating buildings, land, or other property to the project, rather than charging depreciation, results in a Federal interest in the property in accordance with PROP Article I of these terms and conditions.

**Section F. Valuation of third-party in-kind contributions.**

1. **General.** If a third party furnishes goods or services to you or subrecipients that are to be counted toward cost sharing or matching under this award, the entity to which the third party furnishes the goods or services (i.e., you or a subrecipient) must document the fair market value of those in-kind contributions and, to the extent feasible, support those values using the same methods the entity uses internally.

2. **Valuation of third-party services.** You must establish values for third-party volunteer services and services of third parties’ employees furnished to you or subrecipients as follows:
a. **Volunteer services.** Volunteer services furnished by third-party professional and technical personnel, consultants, and other skilled and unskilled labor must be valued in accordance with 2 CFR 200.306(e).

b. **Services of third parties’ employees.** When a third-party organization furnishes the services of its employees to you or a subrecipient, values for the contributions must be established in accordance with 2 CFR 200.306(f).

c. **Additional requirement for donations to nonprofit organizations.** For volunteer services or services of third parties’ employees furnished to a nonprofit organization:

   i. OMB guidance in 2 CFR 200.434(e) also applies and may require the nonprofit organization to allocate a proportionate share of its applicable indirect costs to the donated services.

   ii. The indirect costs that the nonprofit organization allocates to the donated services in that case must be considered project costs and may be either reimbursed under the award or counted toward required cost sharing or matching, but not both.
3. Valuation of third-party property. You must establish values for third-party property furnished to you or subrecipients as follows:

   a. Supplies donated by third parties. When a third-party organization donates supplies (e.g., office, laboratory, workshop, or classroom supplies), the value that may be counted toward cost sharing or matching may not exceed the fair market value of the supplies at the time of donation.

   b. Equipment, buildings, or land donated by third parties.

      i. The value of third-party donations of equipment, buildings, or land that may be counted toward cost sharing or matching when the third party transferred title to you or a subrecipient depends on the purpose of the award in accordance with the following:

         (A) If one of the purposes of the award is to assist you or the subrecipient in the acquisition of equipment, buildings, or land, you may count the aggregate fair market value of the donated property toward cost sharing or matching.

         (B) If the award’s purposes instead include only the support of activities that require the use of
equipment, buildings, or land, you may only charge depreciation unless you obtain our prior approval to count as cost sharing or matching the fair market value of equipment or other capital assets and fair rental charges for land.

ii. The values of the donated property must be determined in accordance with the usual accounting policies of the entity to which the third party transferred title to the property, with the qualifications specified in 2 CFR 200.306(i)(1) and (2) for donated land and buildings and donated equipment, respectively.

c. **Use of space donated by third parties.** If a third party makes space available for use by you or a subrecipient, the value that you may count toward cost sharing or matching may not exceed the fair rental value of comparable space as established by an independent appraisal, as described in 2 CFR 200.306(i)(3).

d. **Equipment loaned by third parties.** If a third party loans equipment for use by you or a subrecipient, the value that you may count toward cost sharing or matching may not exceed its fair rental value.
Appendix G to Part 1128—Terms and Conditions for FMS Article VII, “Program Income”

Unless a DoD Component revises the wording of Section A or E or reserves Section D, as permitted by §§1128.710 through 1128.725, a DoD Component’s general terms and conditions must use the following wording for FMS Article VII.

FMS Article VII. Program income. (DECEMBER 2014)

Section A. Definition. The term “program income” as used in this award:

1. Is gross income that:
   a. You earn that is directly generated by a supported activity or earned as a result of this award; or
   b. A subrecipient earns as a result of a subaward you make under this award.

2. Includes, but is not limited to, income earned under this award from:
   a. Fees for services performed;
   b. The use or rental of real or personal property acquired under any Federal award and currently administered under this award;
   c. The sale of commodities or items fabricated under this award;
d. License fees and royalties on patents and copyrights; and
e. Payments of principal and interest on loans made with Federal award funds.

3. Does not include for purposes of this award any:
   a. Interest earned on advance payments, disposition of which is addressed in FMS Article II;
   b. Proceeds from the sale of real property, equipment or supplies, which is addressed in PROP Articles III and IV;
   c. Rebates, credits, discounts, and interest earned on any of them; and
   d. Governmental revenues, including any taxes, special assessments, levies, fines and similar revenues you raise.

Section B. Encouragement to earn program income. You are encouraged to earn program income under this award when doing so does not interfere with the program or project the award supports.

Section C. Costs of generating program income. You may deduct costs incidental to the generation of program income from the amount that you use in accordance with Section E of this Article, as long as those costs are not charged to this award (which
includes their being counted toward any cost sharing or matching you are required to provide).

Section D. License fees and royalties. You have no obligations to the Federal Government with respect to program income earned under this award from license fees and royalties for patents or patent applications, copyrights, trademarks, or inventions developed or produced under the award.

Section E. Use of program income.

1. You must use any program income that you earn during the period of performance under this award to increase the amount of the award (the sum of the Federal share and any cost sharing or matching you are required to provide), thereby increasing the amount budgeted for the project. The program income must be used for the purposes and under the terms and conditions of the award.

2. Your use of the additional funding is subject to the terms and conditions of this award, including:

   a. FMS Article II concerning your use of balances of program income before you request additional funds from us; and
b. FMS Article III concerning allowability of costs for which the funds may be used.

3. You must report on each Federal Financial Report (SF-425) that you submit in accordance with REP Article II the program income that you earn and any that you use during the reporting period covered by that SF-425.

Section F. Duration of accountability for program income.

The requirements concerning disposition of program income in Section E of this Article apply only to program income you earn during the period of performance. There are no requirements under this award applicable to program income you earn after the end of the period of performance.

Subpart A–Title to Property (PROP Article I)

§1130.100 Purpose of PROP Article I.

PROP Article I specifies in whom and under what conditions title to property vests under the award. It thereby implements OMB guidance for grants and cooperative agreements:

(a) Pertaining to vesting of title to property, in 2 CFR 200.311(a), 200.312(a), 200.313(a), 200.314(a), and 200.315(a).

(b) Pertaining to the property trust relationship in 2 CFR 200.316.

§1130.105 Title to property acquired under awards.

(a) General policy. Title to tangible property that a recipient acquires under an award (whether by purchase, construction or fabrication, development, or otherwise), and title to intangible property that a recipient acquires other than by developing or producing it under an award, generally vests in the recipient subject to the conditions in PROP Articles II-IV and Section D of PROP Article VI, which protect the Federal interest in the property.

(b) Exceptions to the general policy when there is statutory authority—(1) Exempt property in general. If a DoD Component has statutory authority to do so, it may vest
title in recipients to property acquired under awards either unconditionally or subject to fewer conditions than those in PROP Articles II-IV and VI. This subpart refers to acquired property for which a DoD Component has such statutory authority—and elects to use it—as “exempt property.”

(2) Research awards. (i) Under 31 U.S.C. 6306, a DoD Component may vest title to tangible personal property (i.e., equipment and supplies) in a nonprofit institution of higher education or nonprofit organization whose primary purpose is conducting scientific research—without further obligation to the Federal Government or subject to conditions the DoD Component deems appropriate—if the property is bought with amounts provided under a grant or cooperative agreement for basic or applied research.

(ii) As a matter of policy, to enhance the university infrastructure for future performance of defense research and research-related education and training, DoD Components must make maximum use of the authority of 31 U.S.C. 6306 to vest title to equipment in nonprofit institutions of higher education subject to only the following three conditions:

(A) The recipient uses the equipment for the authorized purposes of the project or program until the property is no longer needed for those purposes.
(B) The recipient manages the equipment as provided in PROP Article II of the general terms and conditions (see Subpart B of this part). This includes maintaining property records that include the percentage of Federal participation in the costs of the project or program under which the recipient acquired the exempt property, so that the recipient may deduct the Federal share if it wishes to use the property in future contributions for cost sharing or matching purposes on Federal awards.

(C) The DoD Component reserves the right to transfer title to the equipment to another recipient entity if the Principal Investigator relocates his or her research program to that entity.

(c) **Award terms and conditions — (1) General.** Unless a DoD Component has a statute authorizing it to identify acquired property as exempt property, as described in paragraph (b) of this section, it must use the wording appendix A to this part provides for Section A of PROP Article I.

(2) **Exceptions.** (i) If a DoD Component has statutory authority such as described in paragraph (b) of this section, and elects to use that authority for awards subject to its general terms and conditions, it must insert wording in paragraph A.2 of PROP Article I to:
(A) Identify the type or types of property it is exempting from the standard requirements for title vesting, use, and disposition contained in PROP Articles II through IV and VI and reporting requirements contained in REP Article III of the general terms and conditions.

(B) If it is exempting the property from some, but not all, of the standard requirements, identify the requirements to which the exempt property will be subject.

(ii) Paragraph A.2 of PROP Article I in general terms and conditions used for research awards to institutions of higher education and nonprofit organizations whose primary purpose is conducting scientific research generally should provide for vesting of title to acquired equipment and supplies in those types of entities when they are conducting basic or applied research subject only to the three conditions described in paragraph (b)(2)(ii) of this section.

§1130.110 Property trust relationship.

(a) OMB guidance. OMB guidance in 2 CFR 200.316 describes the property trust relationship. It states that:

(1) Recipients must hold real property, equipment, and intangible property acquired or improved under grants or cooperative agreements in trust for the beneficiaries of the
projects or programs under which the property was acquired or improved; and

(2) A Federal agency may require a recipient to record liens or other appropriate notices of record to indicate that personal or real property was acquired or improved under a grant or cooperative agreement, making the property’s use and disposition subject to the award terms and conditions.

(b) DoD implementation. A DoD Component’s general terms and conditions must specify that recipients hold title to real property, equipment, and intangible property acquired or improved under DoD grants and cooperative agreements in trust for the beneficiaries of the projects or programs carried out under those awards.

(c) Award terms and conditions. A DoD Component’s general terms and conditions:

(1) Must include the wording appendix A to this part provides for paragraph B.1 of PROP Article I, except that a DoD Component may instead reserve Section B if there will be no acquisition or improvement of real property, equipment, or intangible property under awards using those general terms and conditions or subawards under those awards.
(2) May add wording to the reserved paragraph B.2 of the wording of Section B of PROP Article I to require recipients to record liens or other notices of record, as described in paragraph (a) of this section.

§1130.115 Title to federally owned property.

(a) Requirement. A DoD Component’s general terms and conditions must inform recipients that title to federally owned property remains with the Federal Government and include the wording appendix A to this part provides for Section C of PROP Article I.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must either:

(1) Include the wording appendix A to this part provides for Section C of PROP Article I to indicate that title to federally owned property remains with the Federal Government; or

(2) Reserve Section C if it provides no federally owned property under its awards.

§1130.120 Federal interest in donated property.

(a) Requirement. A DoD Component’s general terms and conditions must inform recipients that the Federal Government acquires an interest in any real property or equipment for which
the value of the remaining life of the property in the recipient’s accounting records or the fair market value of the property is counted toward required cost sharing or matching, rather than charging depreciation.

(b) Award terms and conditions. A DoD Component’s general terms and conditions therefore must either:

(1) Include the wording appendix A to this part provides for Section D of PROP Article I to specify the Federal interest in donated real property or equipment; or

(2) Reserve Section D of PROP Article I if the DoD Component does not permit recipients to count the fair market value of real property or equipment toward cost sharing or matching.

§1130.125 Federal interest in property improved under awards.

(a) Requirement. A DoD Component’s general terms and conditions must address the Federal interest in improvements to real property or equipment that results if a recipient directly charges the costs of the improvements to an award.

(b) Award terms and conditions. A DoD Component’s general terms and conditions therefore must either: 
(1) Include the wording appendix A to this part provides for Section E of PROP Article I to specify the Federal interest in improved real property or equipment; or

(2) Reserve Section E of PROP Article I if there will be no improvements to real property or equipment under awards using those general terms and conditions or subawards under those awards.

Subpart B–Property Management System (PROP Article II)

§1130.200 Purpose of PROP Article II.

(a) PROP Article II prescribes standards for:

(1) Insurance coverage for real property and equipment acquired or improved under awards;

(2) The system that a recipient uses to manage both equipment that is acquired or improved in whole or in part under awards and federally owned property.

(b) It thereby implements OMB guidance in 2 CFR 200.310 and 200.313(d)(1) through (4), and partially implements 2 CFR 200.313(b).
§1130.205 Insurance coverage for real property and equipment.

(a) OMB guidance. OMB guidance in 2 CFR 200.310 includes a requirement for recipients’ insurance coverage for real property and equipment acquired or improved under grants and cooperative agreements and states that federally owned property need not be insured unless required by Federal award terms and conditions.

(b) DoD implementation. A DoD Component’s general terms and conditions must require recipients to provide insurance coverage for real property and equipment acquired or improved under awards. However, unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, DoD awards will not require recipients to insure federally owned property.

(c) Award terms and conditions. A DoD Component’s general terms and conditions therefore must either:

(1) Include the wording appendix B to this part provides for Section A of PROP Article II; or

(2) Reserve Section A of PROP Article II if there will be no real property or equipment acquired or improved under awards using those terms and conditions or subawards under those awards.
§1130.210 Other property management system standards for States.

(a) Requirement. A DoD Component’s general terms and conditions must address the standards for States’ property management systems.

(b) Award terms and conditions. A DoD Component’s general terms and conditions therefore must either:

(1) Include the wording appendix B to this part provides for Section B of PROP Article II; or

(2) Reserve Section B of PROP Article II if no State will acquire or improve equipment, in whole or in part, or be accountable for federally owned property under awards using those general terms and conditions or subawards under those awards.

§1130.215 Other property management system standards for institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(a) Requirement. A DoD Component’s general terms and conditions must address the standards for property management systems of institutions of higher education, nonprofit organizations, local governments, and Indian tribes.
(b) *Award terms and conditions.* A DoD Component’s general terms and conditions therefore must either:

1. Include the wording appendix B to this part provides for Section C of PROP Article II; or

2. Reserve Section C of PROP Article II if no institution of higher education, nonprofit organization, local government, or Indian tribe will acquire or improve equipment, in whole or in part, or be accountable for federally owned property under awards using those general terms and conditions or subawards under those awards.

**Subpart C–Use and Disposition of Real Property (PROP Article III)**

§1130.300 *Purpose of PROP Article III.*

PROP Article III specifies requirements for recipients’ use and disposition of real property acquired or improved under an award. It thereby implements OMB guidance in 2 CFR 200.311(b) and (c).

§1130.305 *Use of real property.*

(a) *OMB guidance.* OMB guidance in 2 CFR 200.311(b) states that, except as otherwise provided by Federal statute or the Federal awarding agency, a recipient must use real property
acquired or improved under a grant or cooperative agreement for the originally authorized purpose as long as needed for that purpose, during which time the recipient must not dispose of the property or encumber its title or other interests.

(b) DoD implementation. Unless a statute or program regulation adopted in the Code of Federal Regulations after opportunity for public comment specifies otherwise, DoD awards must permit recipients to do the following:

(1) While real property acquired or improved under an award still is needed for the authorized purpose, also use it for other projects or programs that either are supported by DoD Components or other Federal agencies or not federally supported, as long as that use does not interfere with the property’s use for the authorized purpose.

(2) After the real property no longer is needed for the authorized purpose, with the written approval of the award administration office, use the property on other federally supported projects or programs that have purposes consistent with those authorized for support by the DoD Component that made the award under which the property was acquired or improved.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must either:
§1130.310 Disposition of real property.

(a) **OMB guidance.** OMB guidance in 2 CFR 200.311(c):

(1) Addresses the recipient’s responsibility to request disposition instructions for real property when the recipient no longer needs it for the originally authorized purpose; and

(2) Identifies three alternative disposition methods those instructions may specify.

(b) **DoD implementation.** DoD implements the guidance in 2 CFR 200.311(c) through award terms and conditions that govern disposition of real property acquired or improved under awards.

(c) **Award terms and conditions.** A DoD Component’s general terms and conditions must include the wording appendix C to this part provides for Section B of PROP Article III to specify
requirements concerning disposition of real property acquired or improved under awards.

Subpart D—Use and Disposition of Equipment and Supplies (PROP Article IV)

§1130.400 Purpose of PROP Article IV.

PROP Article IV specifies requirements for recipients’ use and disposition of equipment and supplies in which there is a Federal interest. It thereby implements OMB guidance in:

(a) 2 CFR 200.313(a) through (c), 200.313(d)(5), and 200.313(e) as that guidance applies to requirements for use and disposition of equipment; and

(b) 2 CFR 200.314, as that guidance applies to requirements for use and disposition of supplies.

§1130.405 Property subject to PROP Article IV.

(a) Requirement. A DoD Component’s general terms and conditions must identify the types of non-exempt property to which requirements for use and disposition of equipment and supplies apply.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component’s
general terms and conditions must use the wording appendix D to
this part provides for Section A of PROP Article IV. That
wording identifies the categories of equipment and supplies in
which there is a Federal interest.

§1130.410 Requirements for a State’s use and disposition of
equipment.

(a) OMB guidance. OMB guidance in:

1. 2 CFR 200.313(a) sets forth basic conditions for
use of equipment acquired under a grant or cooperative agreement
that apply when title to the equipment is vested in a recipient
conditionally, because the awarding agency either does not have
statutory authority to vest title in the equipment
unconditionally or elects not to do so.

2. 2 CFR 200.313(b) provides that a State must use,
manage, and dispose of equipment in accordance with State laws
and procedures.

(b) DoD implementation. DoD implements 2 CFR 200.313(a)
and (b) through award terms and conditions that govern States’
use and disposition of equipment.

(c) Award terms and conditions. A DoD Component’s general
terms and conditions must use the wording appendix D to this
part provides for Section B of PROP Article IV to specify the requirements for a State’s use and disposition of equipment in which there is a Federal interest.

§1130.415 Use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(a) OMB guidance. OMB guidance in:

(1) 2 CFR 200.313(a) sets forth basic conditions for use of equipment acquired under a grant or cooperative agreement that apply when title to the equipment is vested in a recipient conditionally, because the awarding agency either does not have statutory authority to vest title in the equipment unconditionally or elects not to do so.

(2) 2 CFR 200.313(c) provides the parameters for use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(3) 2 CFR 200.313(d)(5) calls for use of sales procedures to ensure highest possible return when selling equipment.

(b) DoD implementation. For equipment in which there is a Federal interest under awards to institutions of higher
education, nonprofit organizations, local governments, or Indian tribes, DoD implements through award terms and conditions the following portions of 2 CFR part 200 as they apply to use of equipment prior to the time of its disposition:

(1) 2 CFR 200.313(a) and (c); and

(2) 2 CFR 200.313(d)(5), as it applies to equipment sales prior to the time of disposition, to offset the acquisition cost of replacement equipment.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix D to this part provides for Section C of PROP Article IV to specify the requirements for use of equipment described in paragraph (b) of this section.

§1130.420 Disposition of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.

(a) OMB guidance. OMB guidance in 2 CFR 200.313(e) addresses disposition of original or replacement equipment acquired under a grant or cooperative agreement by an institution of higher education, nonprofit organization, local government, or Indian tribe.
(b) **DoD implementation.** DoD implements 2 CFR 200.313(e) through award terms and conditions that govern disposition of original or replacement equipment acquired under an award by an institution of higher education, nonprofit organization, local government, or Indian tribe when there is a Federal interest in the equipment.

(c) **Award terms and conditions.** A DoD Component’s general terms and conditions must use the wording appendix D to this part provides for Section D of PROP Article IV to specify the requirements for disposition of equipment described in paragraph (b) of this section.

§1130.425 Use and disposition of supplies.

(a) **OMB guidance.** OMB guidance in 2 CFR 200.314 sets forth requirements for use and disposition of supplies acquired under a grant or cooperative agreement.

(b) **DoD implementation.** DoD implements 2 CFR 200.314 through award terms and conditions that govern use and disposition of supplies acquired under awards either by purchase or by donation as cost sharing or matching.

(c) **Award terms and conditions.** A DoD Component’s general terms and conditions must use the wording appendix D to this
part provides for Section E of PROP Article IV to specify the requirements for use and disposition of acquired supplies.

Subpart E—Use and Disposition of Federally Owned Property (PROP Article V)

§1130.500 Purpose of PROP Article V.

PROP Article V specifies requirements for recipients’ use and disposition of federally owned property. It implements the portion of OMB guidance in 2 CFR 200.312(a) that applies to disposition of federally owned property.

§1130.505 Content of PROP Article V.

A DoD Component’s general terms and conditions must either:

(a) Include the wording appendix E to this part provides for PROP Article V to specify requirements for use and disposition of federally owned property; or

(b) Reserve PROP Article V if there is no possibility of recipients or subrecipients being accountable for federally owned property under awards using those terms and conditions.
Subpart F—Intangible Property (PROP Article VI)

§1130.600 Purpose of PROP Article VI.

PROP Article VI sets forth the rights and responsibilities of recipients and the Federal Government with respect to intangible property. It thereby implements OMB guidance in 2 CFR 200.315.

§1130.605 Copyrights asserted in works developed or otherwise acquired under awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.315(b) addresses recipients’ and the Federal Government’s rights related to works that recipients may copyright under grants and cooperative agreements.

(b) DoD implementation. DoD implements 2 CFR 200.315(b) through award terms and conditions that specify recipient and DoD rights with respect to copyrightable works.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix F to this part provides for Section A of PROP Article VI to affirm the recipient’s right to assert copyright in works it develops or otherwise acquires under an award, as well as DoD’s right to use the works for Federal purposes.
§1130.610 Inventions developed under awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.315(c) states that recipients of grants and cooperative agreements are subject to applicable regulations concerning patents and inventions, including Department of Commerce regulations at 37 CFR part 401.

(b) DoD implementation. In implementing 2 CFR 200.315(c) for awards for the performance of experimental, developmental, or research work, DoD:

(1) Extends to other entities the patent rights provisions of chapter 18 of Title 35 of the U.S. Code and 37 CFR part 401 that directly apply to small business firms and nonprofit organizations. This broadened applicability is in accordance with the February 18, 1983, Presidential memorandum on Government patent policy, referred to in Executive Order 12591, “Facilitating Access to Science and Technology.”

(2) Establishes a requirement for recipients to provide final reports listing all subject inventions under their awards or stating there were none, a requirement that 37 CFR 401.5(f)(1) provides as an agency option.

(3) Incorporates the prohibition in 35 U.S.C. 212 on asserting Federal Government rights in inventions made by
recipients of scholarships, fellowships, training grants, or other awards made primarily for educational purposes.

(c) Award terms and conditions. (1) Awards for research, developmental, or experimental work. A DoD Component’s general terms and conditions for awards for the performance of experimental, developmental, or research work funded in whole or in part by the Federal Government must include the wording appendix F to this part provides for Section B of PROP Article VI, with one permitted exception. The exception is that a DoD Component may reserve or substitute alternative wording for paragraph B.2.b of Section B of PROP Article VI, as appropriate, if it elects to:

(i) Omit the requirement for final invention reports;

(ii) Substitute “120 calendar days” for “90 calendar days” to provide an additional 30 days for recipient’s submissions of final reports after the end date of the period of performance; or

(iii) Include a requirement for recipients to submit information about each patent application they submit for a subject invention, interim listings of all subject inventions,
or both, which the Department of Commerce regulations at 37 CFR 401.5(f)(2) and (3) permit agencies to require.

(2) Awards for primarily educational purposes. A DoD Component’s general terms and conditions for awards to support scholarships or fellowships, training grants, or other awards for primarily educational purposes must replace the wording appendix F to this part provides for Section B of PROP Article VI with an alternative award provision stating that the Federal Government will have no rights to inventions made by recipients.

(3) Awards for other purposes. A DoD Component developing general terms and conditions for awards other than those described in paragraphs (c)(1) and (2) of this section should:

(i) Consult its intellectual property counsel if it anticipates that recipients may develop patentable inventions under its awards, to identify any applicable statutes or regulations and determine an appropriate substitute for the wording appendix F to this part provides for Section B of PROP Article VI; or

(ii) Reserve Section B of PROP Article VI if it does not expect development of any patentable inventions under those awards.
§1130.615 Data produced under awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.315(d) and (e) addresses rights in data under grants and cooperative agreements.

(b) DoD implementation. DoD implements 2 CFR 200.315(d) and (e) through award terms and conditions.

(c) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must include the wording appendix F to this part provides for Section C of PROP Article VI.

(2) Exception. A DoD Component may reserve paragraph C.2 of Section C of PROP Article VI in its general terms and conditions if:

(i) Those terms and conditions will not be used for research awards; and

(ii) The DoD Component determines that no research data as defined in 2 CFR 200.315 will be generated under the awards using those terms and conditions.
§1130.620 Intangible property acquired, but not developed or produced, under awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.315(a) addresses use and disposition of intangible property that is acquired under grants and cooperative agreements (in addition to vesting of title, which is implemented in §1130.105 and appendix A to this part).

(b) DoD implementation. DoD implements 2 CFR 200.315(a) through award terms and conditions that govern use and disposition of intangible property that is acquired, but not developed or produced, under awards.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording appendix F to this part provides for Section D of PROP Article VI.

Appendix A to Part 1130—Terms and Conditions for PROP Article I, “Title to Property”

Unless a DoD Component inserts or adds wording or reserves sections of the article, as provided in §§1130.105 through 1130.125, a DoD Component’s general terms and conditions must use the following wording for PROP Article I.
PROP Article I. Title to property. (DECEMBER 2014)

Section A. Title to property acquired under this award.

1. General. Other than any property identified in paragraph A.2 of this section as exempt property:

   a. Title to real property, equipment, and supplies that you acquire (whether by purchase, construction or fabrication, development, or otherwise) and charge as direct project costs under this award vests in you, the recipient. Title to intangible property that you acquire (other than by developing or producing it) under this award also vests in you.

   b. That title is a conditional title, subject to the terms and conditions in PROP Articles II-IV, Section D of PROP Article VI, and REP Article III of this award.

   c. There is a Federal interest in the property, other than intangible property that you develop or produce under the award. For real property, equipment, and intangible property, we retain this Federal interest until final disposition of the property under PROP Article III (for real property), PROP Article IV (for equipment and supplies), or
Section D of PROP Article VI (for intangible property that is acquired, other than by developing or producing it), a period that in some cases may extend beyond closeout of this award.

2. **Exempt property.** [Reserved].

**Section B. Property trust relationship.**

1. **Basic requirement.** Other than intangible property that you develop or produce under the award, you hold any real property, equipment, or intangible property that you acquire or improve under this award in trust for the beneficiaries of the project or program that you are carrying out under the award.

2. **Notices of record.** [Reserved].

**Section C. Federally owned property.** Title to any federally owned property that we provide to you under this award (or for which accountability is transferred to this award from another Federal award) remains with the Federal Government.

**Section D. Federal interest in donated real property or equipment.** If real property or equipment is acquired under this award through your donation of the
property to the project or program (i.e., counting the value of the remaining life of the property recorded in your accounting records or the fair market value as permitted under FMS Article VI of this award as part of your share of project costs to meet any cost sharing or matching requirements, rather than charging depreciation):

1. The Federal Government acquires through that donation an interest in the real property or equipment, the value of which at any given time is the product of:

   a. The Federal share of the project costs under this award; and

   b. The current fair market value of the property at that time.

2. The real property or equipment is subject to Section B of this article and the terms and conditions of PROP Articles II-IV and REP Article III that are applicable to property acquired under the award.
3. The Federal interest in the real property or equipment must be addressed at the time of property disposition.

Section E. Federal interest in property improved under the award.

1. The Federal Government has an interest in improvements (as distinct from ordinary repairs and maintenance) you make to an item of real property or equipment if you charge the costs of the improvements as direct costs to this award.

2. We thereby acquire an interest in the property if the Government did not previously have one. If the Government already had an interest in the property, the value of that Federal interest in the property increases by the amount of the Federal interest in the improvements.

3. The property is subject to Section B of this article and the terms and conditions of PROP Articles II-IV and REP Article III that are applicable to real property or equipment acquired under the award.

4. The Federal interest must be addressed at the time of property disposition.
Appendix B to Part 1130—Terms and Conditions for PROP Article II, “Property Management System”

Unless a DoD Component reserves sections of the article, as provided in §§1130.205 through 1130.215, a DoD Component’s general terms and conditions must use the following wording for PROP Article II.

PROP Article II. Property management system. (DECEMBER 2014)

Section A. Insurance coverage for real property and equipment. You must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved under this award as you provide for real property and equipment that you own.

Section B. Other property management system standards for a State.

1. Equipment. Your property management system for equipment acquired or improved in whole or in part under this award must be in accordance with your State laws and procedures.
2. **Federally owned property.** You may use your own property management system for any federally owned property for which you are accountable, as long as it meets the following minimum standards:

   a. **Records.** Your records must include for each item of federally owned property:

      i. A description of the item.

      ii. The location of the item.

      iii. The serial or other identification number.

      iv. Which Federal agency holds title.

      v. The date you received the item.

      vi. Any data on the ultimate disposition of the item, such as the date of disposal.

      vii. The Federal award identification number of the award under which you are accountable for the item.

   b. **Inventory.** You must take a physical inventory of federally owned property annually.

   c. **Control system.** You must:
i. Maintain an internal property control system with adequate safeguards to prevent loss, damage, or theft of federally owned property.

ii. Investigate any loss, damage, or theft of federally owned property and promptly notify the award administration office.

d. Maintenance. You must maintain the property in good condition.

Section C. Other property management system standards for an institution of higher education, nonprofit organization, local government, or Indian tribe. Your procedures for managing equipment (including replacement equipment) acquired or improved in whole or in part under this award and any federally owned property for which you are accountable under this award must, as a minimum, meet the requirements in this section.

1. Records. You must maintain records that include for each item of equipment or federally owned property:

   a. A description of the item.

   b. The serial or other identification number.
c. Who holds title (e.g., you or the Federal Government and, if the latter, which Federal agency).

d. The source of funding for the equipment, including the Federal award identification number, or the source of the federally owned property, including the award number of the award under which you are accountable for the property.

e. The acquisition date and cost of the equipment (or improvement to the equipment) or the date you received the federally owned property.

f. The location, use, and condition of the equipment or federally owned property.

g. Information from which one can calculate the amount of the Federal interest in the acquisition or improvement of the item (this amount is zero after you compensate us for the Federal interest in the item or improvement).

h. Any data on the ultimate disposition of the item including the date of disposal and sale price.
2. **Labelling.** You must ensure that property owned by the Federal Government is labeled to identify it as federally owned property.

3. **Inventory.**
   
a. You must take a physical inventory of equipment in which there is a Federal interest and reconcile the results with your records at least once every 2 years.

   b. You must take an annual inventory of any federally owned property for which you are accountable under this award.

4. **Control system.** You must:
   
a. Maintain an internal property control system with adequate safeguards to prevent loss, damage, or theft of equipment and federally owned property.

   b. Investigate any loss, damage, or theft and notify the award administration office if it involved equipment in which there is a Federal interest under the award or federally owned property.

5. **Maintenance.** You must maintain equipment acquired or improved in whole or in part under the award and federally owned property in good condition.
Appendix C to Part 1130—Terms and Conditions for PROP Article III, “Use and Disposition of Real Property”

Unless a DoD Component substitutes wording in Section A, as provided in §1130.305, a DoD Component’s general terms and conditions must use the following wording for PROP Article III.

PROP Article III. Use and disposition of real property. (DECEMBER 2014)

Section A. Use of real property.

1. You must use real property acquired or improved under this award for the originally authorized purpose as long as needed for that purpose. During that time, you may not:

   a. Dispose of the property except, with the approval of the award administration office, to acquire replacement property under this award, in which case you must use the proceeds from the disposition as an offset to the cost of the replacement property; or

   b. Encumber the title or other interests in the property without the approval of the award administration office identified in this award.
2. During the time that the real property is used for the originally authorized purpose, you may make the property available for use on other projects or programs, but only if that use will not interfere with the property’s use as needed for its originally authorized purpose.

   a. First preference must be given to other projects or programs supported by DoD Components and second preference to those supported by other Federal agencies.

   b. Third preference is for other projects or programs not currently supported by the Federal Government. You should charge user fees for use of the property in those cases, if it is at all practicable.

3. When the real property is no longer needed for the originally authorized purpose, with the written approval of the award administration office, you may delay final disposition of the property to use it on other federally sponsored projects or programs. A condition for the award administration office’s approval is that the other projects or programs have purposes consistent with those authorized for support
by the DoD Component that made the award under which the property was acquired or improved.

Section B. Disposition of real property. When you no longer need real property for the originally authorized purpose, you must obtain disposition instructions from the award administration office, except as provided in paragraph A.3 of this article. Those instructions will provide for one of the following three alternatives, which are that you:

1. Retain title after compensating us for the Federal interest in the property, which is to be computed as specified in the definition of “Federal interest.”

2. Sell the property and compensate us for the Federal interest in the property, as described in 2 CFR 200.311(c)(2).

3. Transfer title to us or a third party we designate, as described in 2 CFR 200.311(c)(3).

Appendix D to Part 1130—Terms and Conditions for PROP Article IV, “Use and Disposition of Equipment and Supplies”
As specified in §§1130.405 through 1130.425, a DoD Component’s general terms and conditions must use the following wording for PROP Article IV.

PROP Article IV. Use and disposition of equipment and supplies. (DECEMBER 2014)

Section A. Property subject to this article. This article specifies requirements for use and disposition of equipment and supplies. If a provision of PROP Article I identifies any type of equipment or supplies as exempt property, requirements of this Article apply to that exempt property only to the extent specified in that provision of PROP Article I or an award-specific term or condition. The types of non-exempt property to which this article applies are:

1. Supplies that you acquire either by purchase or by donation as cost sharing or matching under this award; and

2. Equipment for which title is vested conditionally in you. That includes equipment with a conditional title resulting from your having, either under this award or under a previous award from which you
transferred accountability for the equipment to this award:

a. Directly charged as project costs, in whole or in part, the acquisition (by purchase, construction or fabrication, or development) of equipment;

b. Donated the equipment to the project or program by counting the value of the remaining life of the property recorded in your accounting records or the fair market value toward any cost sharing or matching requirements under the award, rather than charging depreciation (see PROP Article I, Section D); or

c. Directly charged as project costs improvements to the equipment that meet the criteria given in paragraph E.1 of PROP Article I.

Section B. Requirements for a State’s use and disposition of equipment. You:

1. Must use the equipment for the authorized purposes of the project or program during the period of
performance, or until the property is no longer needed for those purposes.

2. May not encumber the property without the prior written approval of the award administration office.

3. Must use and dispose of the equipment in accordance with your State laws and procedures.

Section C. Use of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe. You:

1. Must use the equipment for the authorized purposes of the project or program under this award until the equipment is no longer needed for those purposes, whether or not the project or program continues to be supported by this award.

2. May not encumber the equipment without the prior written approval of the award administration office.

3. During the time that the equipment is used for the project or program under this award:

   a. You must make the equipment available for use on other projects or programs but only if that use will
not interfere with the equipment’s use as needed for the project or program supported by this award.

   i. First preference must be given to other projects or programs supported or previously supported by DoD Components

   ii. Second preference to projects or programs supported or previously supported by other Federal agencies.

   iii. Third preference is for other projects or programs not supported by the Federal Government. You should charge user fees for use of the equipment in those cases, if it is at all practicable.

   b. You may use the equipment, if you need to acquire replacement equipment, as a trade-in or sell it (using sales procedures designed to ensure the highest possible return) and use the proceeds from the sale to offset the cost of the replacement equipment.

   4. When the equipment is no longer needed for the project or program under this award, you may defer final disposition of the equipment and continue to use it on other federally sponsored projects or programs.
You must give first priority to other projects or programs supported by DoD Components.

5. Notwithstanding the encouragement in FMS Article VII to earn program income, you may not use equipment in which there currently is a Federal interest—whether you acquired it under this award or are otherwise accountable for it under this award—to provide services for a fee that is less than private companies charge for equivalent services.

**Section D. Disposition of equipment by an institution of higher education, nonprofit organization, local government, or Indian tribe.** You must request disposition instructions from the award administration office when either original or replacement equipment acquired under this award with a current fair market value that exceeds $5,000 is no longer needed for the original project or program or for other federally sponsored activities as described in paragraph C.4 of this article. For each item of equipment with a current fair market value of $5,000 or less, you may retain, sell, or otherwise dispose of the item with no further obligation to the Federal Government.

1. We may issue disposition instructions that:
a. Allow you to retain or sell any item of equipment after compensating us for the Federal interest in the property, which is to be computed as specified in the definition of “Federal interest;” or

b. Require you to transfer title to the equipment to a Federal agency or a third party, in which case you are entitled to compensation from us for the non-Federal interest in the equipment, plus any reasonable shipping or interim storage costs incurred.

2. If we fail to provide disposition instructions for any item of equipment within 120 calendar days of receiving your request, you may retain or sell the equipment, but you must compensate us for the amount of the Federal interest in the equipment.

3. If you sell the equipment:

   a. You must use sales procedures designed to ensure the highest possible return; and

   b. You may deduct and retain for selling and handling expenses either $500 or ten percent of the proceeds, whichever is less.
Section E. Use and disposition of supplies acquired under this award.

1. Use. As long as we retain a Federal interest in supplies acquired under this award either by purchase or by donation as cost sharing or matching, you may not use the supplies to provide services to other organizations for a fee that is less than private companies charge for equivalent services, notwithstanding the encouragement in FMS Article VII to earn program income.

2. Disposition. If you have a residual inventory of unused supplies with aggregate value exceeding $5,000 at the end of the period of performance under this award, and the supplies are not needed for any other Federal award, you must retain the supplies or sell them but must in either case compensate us for the amount of the Federal interest in the supplies. You may deduct and retain for selling and handling expenses either $500 or ten percent of the proceeds, whichever is less.

Appendix E to Part 1130—Terms and Conditions for PROP Article V, “Use and Disposition of Federally Owned Property”
Unless a DoD Component reserves the article, as specified in §1130.505, a DoD Component’s general terms and conditions must use the following wording for PROP Article V.

**PROP Article V. Use and disposition of federally owned property. (DECEMBER 2014)**

**Section A. Use.** During the time that federally owned property for which you are accountable under this award is used for the project or program supported by the award, you:

1. Also may make the property available for use on other federally supported projects or programs, but only if that use will not interfere with the property’s use for the project or program supported by this award. You must give first priority to other projects or programs supported by DoD Components.

2. May use the property for purposes other than federally supported projects or programs only with the prior approval of the awarding office or, if you request approval after the award is made, the award administration office.

**Section B. Disposition.** You must request disposition instructions from the award administration office for
any federally owned property under this award,
including any property for which a subrecipient is accountable under a subaward you make under this award, either:

1. At any time during the period of performance if the property is no longer needed for the project or program supported by this award; or

2. At the end of the period of performance.

Appendix F to Part 1130—Terms and Conditions for PROP Article VI, “Intangible Property”

Except for Section B, whose language must be tailored or reserved based on the type of award as specified in §1130.610, and Section D if reserved as provided in §1130.615, a DoD Component’s general terms and conditions must use the following wording for PROP Article VI.

PROP Article VI. Intangible property. (DECEMBER 2014)

Section A. Assertion of copyright.

1. You may assert copyright in any work that is eligible for copyright protection if you acquire
ownership of it under this award, either by developing it or otherwise.

2. With respect to any work, you developed or otherwise acquired under this award, DoD reserves a royalty-free, nonexclusive and irrevocable license to:

   a. Reproduce, publish, or otherwise use the work for Federal Government purposes; and

   b. Authorize others to reproduce, publish, or otherwise use the work for Federal Government purposes.

Section B. Inventions developed under the award.

1. Applicability of Governmentwide clause for research awards. You must comply with the Governmentwide patent rights award clause published at 37 CFR 401.14, with the modifications described in paragraph B.2 of this section. DoD adopts that Governmentwide clause for the following entities, thereby broadening the applicability beyond types of entities included in the definition of “contractor” in 37 CFR part 401:

   a. Any governmental or nonprofit entity (the types of entities subject to these general terms and
conditions) receiving a DoD award for the performance of experimental, research, or developmental work;

b. Any governmental, nonprofit, or for-profit entity receiving a subaward to perform experimental, research, or developmental work under an award described in paragraph B.1.a of this section.

2. **Modifications to the wording of the Governmentwide clause.** DoD adopts the Governmentwide clause at 37 CFR 401.14, as described in paragraph B.1 of this section, with the following modifications:

   a. **Terminology.** Throughout the Governmentwide clause:

      i. Insert the terms “recipient” and “subrecipient (or contractor to the recipient or to a subrecipient)” to replace the terms “contractor” and “subcontractor,” respectively.

      ii. Insert the terms “award” and “subaward (or contract under either the award or a subaward)” to replace the terms “contract” and “subcontract,” respectively.
b. Final report. Add a new subparagraph (f)(5) to read, “The recipient must submit a final report listing all subject inventions made under the award or stating that there were none. The final report is due 90 calendar days after the end date of the period of performance unless you request, and we grant, an extension of the due date.”

c. Broadening applicability to all entities. Delete paragraphs (g)(2) and (3) of the Governmentwide clause, redesignate paragraph (g)(1) as paragraph (g) and delete the phrase “to be performed by a small business firm or domestic nonprofit organization” from paragraph (g) as redesignated.

Section C. Data produced under the award.

1. Data in general. The Federal Government has the right to:

   a. Obtain, reproduce, publish, or otherwise use the data produced under this award; and

   b. Authorize others to receive, reproduce, publish, or otherwise use the data produced under this award for Federal Government purposes.
2. **Research data requested under the Freedom of Information Act (FOIA).**

   a. If we receive a request under the FOIA for “research data” that are related to “published research findings” produced under this award and that were “used by the Federal Government in developing an agency action that has the force and effect of law,” you must provide the data to us within a reasonable time after we request it from you, so that the data can be made available to the public through procedures established under the FOIA.

   b. For purposes of the requirement in paragraph C.2.a of this section, 2 CFR 200.315(e) provides definitions of the phrases “published research findings,” “used by the Federal Government in developing an agency action that has the force and effect of law,” and “research data.”

**Section D. Use and disposition of intangible property acquired, but not developed or produced, under the award.**

1. **Applicability.** This section applies to a patent, patent application, copyright, or other intangible
property acquired, but not developed or produced, under this award.

2. **Use.** You:

   a. Must use the intangible property for the authorized purpose under this award until the intangible property is no longer needed for that purpose, whether or not that purpose is still being supported by this award.

   b. May not encumber the intangible property without the prior written approval of the award administration office.

3. **Disposition.** When the intangible property is no longer needed for the originally authorized purpose, you must contact the award administration office to arrange for disposition in accordance with the procedures specified for disposition of equipment in either section B or D of PROP Article IV, as applicable.

§1132.1  Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning recipients’ purchases of property (supplies, equipment, and real property) and services.

(b) It thereby implements OMB guidance in 2 CFR 200.317 through 200.326, and appendix II to 2 CFR part 200, as those portions of 2 CFR part 200 apply to general terms and conditions of grants and cooperative agreements. It also partially implements 2 CFR 200.205(d), 200.213, and 200.517.

§1132.2  Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

§1132.3  Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as follows:

(a) As described in 2 CFR 1126.3, and

(b) Based on any language in 2 CFR 200.110(a) regarding the applicability of the procurement standards in 2 CFR part 200.
§1132.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through C to this part (with the associated direction to DoD Components in Subparts A through C, respectively):

**Subpart A–Procurement Standards for States (PROC Article I)**

**§1132.100 Purpose of PROC Article I.**

PROC Article I of the general terms and conditions specifies requirements for a State’s procurement of property and services under grants or cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.317 and partially implements the guidance in 2 CFR 200.205(d) and 200.213.
§1132.105 Content of PROC Article I.

(a) Requirement. A DoD Component’s general terms and conditions must address requirements for States’ procurement systems.

(b) Award terms and conditions – (1) General. Except as provided in paragraph (b)(2) of this section, a DoD Component’s general terms and conditions must use the wording appendix A to this part provides for PROC Article I.

(2) Exception. A DoD Component’s general terms and conditions may instead reserve PROC Article I if the DoD Component determines that it is not possible that any States will receive:

(i) DoD Component awards using those general terms and conditions; or

(ii) Subawards from recipients of DoD Component awards using those general terms and conditions.
§1132.200 Purpose of PROC Article II.

PROC Article II of the general terms and conditions specifies procurement procedures for a recipient of a grant or cooperative agreement other than a State or for-profit entity. It thereby:

(a) Implements OMB guidance in 2 CFR 200.318 through 200.323, 200.324(a) and (b), and 200.325;

(b) Partially implements 2 CFR 200.205(d) and 200.213; and

(c) Implements, in conjunction with PROC Article III, 2 CFR 200.326.

§1132.205 Procurement procedures.

(a) Requirement. A DoD Component’s general terms and conditions must address requirements for procurement systems of institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(b) Award terms and conditions. In order to implement the requirement described in paragraph (a) of this section, a DoD
Component’s general terms and conditions must use the wording that appendix B provides for Sections A through F of PROC Article II.

(a) Requirement. A DoD Component’s general terms and conditions must address requirements for procurement of recovered materials if State agencies or agencies of a political subdivision of a State may receive awards using those terms and conditions or be subrecipients under those awards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must either:

(1) Use the wording that appendix B provides for Section G of PROC Article II, to specify requirements for a local government or other political subdivision of a State to comply with Resource Conservation and Recovery Act requirements; or

(2) Reserve Section G if the DoD Component determines that it is not possible that a political subdivision of a State will receive either:

   (i) An award using those terms and conditions; or
(ii) A subaward under an award using those terms and conditions.

§1132.215 Review of recipient procurement documents.

(a) Requirements. A DoD Component’s general terms and conditions must:

(1) Include a requirement for recipients to make technical specifications for proposed procurements available upon the DoD Component’s request, as described in 2 CFR 200.324(a).

(2) Reserve the DoD Component’s right to review a recipient’s pre-procurement documents when any of the conditions described in 2 CFR 200.324(b)(1) through (5) apply and the recipient is not exempted from the requirement in accordance with 2 CFR 200.324(c).

(b) Award terms and conditions. To implement the requirements described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording that appendix B to this part provides for Section H of PROC Article II.

§1132.220 Bonding requirements.

(a) Requirements. A DoD Component’s general terms and
conditions must require each recipient to meet minimum bonding requirements if it awards any construction or facility improvement contract with a value in excess of the simplified acquisition threshold. A recipient would instead use its own bonding requirements if the DoD Component determined that the recipient’s bonding policy and requirements are adequate to protect Federal interests.

(b) Award terms and conditions — (1) General. To implement the requirements in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording that appendix B to this part provides for Section I of PROC Article II. The DoD Component may include a provision in the award-specific terms and conditions to override Section I of PROC Article II in each award to a recipient for which it made the determination about the recipient’s bonding policy and requirements, as described in paragraph (a) of this section.

(2) Exceptions. A DoD Component’s general terms and conditions may reserve Section I if the DoD Component determines that there will be no construction or facility improvement contracts with values in excess of the simplified acquisition threshold under awards using its general terms and conditions.
Subpart C—Contract Provisions for Recipient Procurements (PROC Article III)

§1132.300 Purpose of PROC Article III.

PROC Article III of the general terms and conditions specifies provisions that recipients must include in contracts under their awards, as applicable. It thereby:

(a) Implements, in conjunction with PROC Articles I and II, OMB guidance concerning recipients’ contract provisions under grants and cooperative agreements in 2 CFR 200.317 and 200.326;

(b) Partially implements the OMB guidance in 2 CFR 200.205(d) and 200.213 concerning suspension and debarment requirements; and

(c) Partially implements the OMB guidance in 2 CFR 200.517 concerning retention and access of auditors’ records.

§1132.305 Administrative requirements.

(a) Requirement. A DoD Component’s general terms and conditions must require recipients to include in their contracts standard administrative requirements related to remedies, termination, allowable costs, rights in copyrights and data, records access and retention, and reporting.
(b) **Award terms and conditions.** To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording that appendix C to this part provides for Section A of PROC Article III.

§1132.310 National policy requirements.

(a) **Requirement.** A DoD Component’s general terms and conditions must require recipients to include provisions in their contracts that require the contractors to comply with applicable national policy requirements.

(b) **Award terms and conditions — (1) General.** To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording that appendix C to this part provides for Section B of PROC Article III.

(2) **Exceptions.** (i) The Wage Rate Requirements (Construction) statute (40 U.S.C. 3141-44, 3146, and 3147) does not apply to a program carried out through grants or cooperative agreements unless another statute makes it apply to that program. A DoD Component’s general terms and conditions therefore may not include the provision that appendix C to this part includes as paragraph B.2 of PROC Article III unless
another statute makes the Wage Rate Requirements statute apply to the program using those general terms and conditions.

(ii) If a DoD Component determines that any of the other national policy requirements in Section B will not apply to any of the awards subject to its general terms and conditions, the DoD Component may reserve the paragraphs of Section B addressing those requirements. Should a future need arise to include the requirements in a given award, the DoD Component may include them as award-specific terms and conditions.

Appendix A to Part 1132—Terms and Conditions for PROC Article I, “Procurement Standards for States”

Unless a DoD Component reserves the article, as specified in §1132.105, a DoD Component’s general terms and conditions must use the following wording for PROC Article I.

PROC Article I. Procurement standards for States.

(DECEMBER 2014)

Section A. Use of State procurement system. Subject only to the conditions in Sections B through D of this article, you must use the same policies and procedures to procure supplies, equipment, real property, and
services under this award that you use when you procure those items for State purposes using non-Federal funds.

Section C. Debarment and suspension. You must comply with restrictions on awarding procurement transactions to excluded or disqualified parties and other requirements specified by OMB guidelines on nonprocurement debarment and suspension at 2 CFR part 180, as implemented by DoD at 2 CFR part 1125.

Section D. Contract provisions. You must include provisions in your procurement transactions under this award to require the contractors’ compliance with the requirements specified in PROC Article III, as applicable.

Appendix B to Part 1132—Terms and Conditions for PROC Article II, “Procurement Standards for Institutions of Higher Education, Nonprofit Organizations, Local Governments, and Indian Tribes”
With the exception of Sections G and I, which may be reserved as specified in §§1132.210 and 1132.220, a DoD Component’s general terms and conditions must use the following wording for PROC Article II.

PROC Article II. Procurement standards for institutions of higher education, nonprofit organizations, local governments, and Indian tribes.

(DECEMBER 2014)

Section A. General procurement standards.

1. For procurement under this award, you must comply with the following paragraphs of OMB guidance in 2 CFR 200.318:

   a. 200.318(a) concerning documented procurement procedures;

   b. 200.318(b) concerning oversight of contractors;

   c. 200.318(c) concerning standards of conduct and conflicts of interest;

   d. 2 CFR 200.318(d) concerning purchases of unnecessary or duplicative items;
e. 200.318(e) concerning intergovernmental or inter-entity agreements;

f. 200.318(g) concerning value engineering;

g. 200.318(i) concerning procurement records;

h. 200.318(j) concerning time and material type contracts; and

i. 200.318(k) concerning settlement of issues arising out of procurements.

2. You must do business only with responsible contractors who are able to perform, as described in OMB guidance in 2 CFR 200.318(h). Related to that, you must comply with restrictions on awarding procurement transactions to excluded or disqualified parties and other requirements specified by OMB guidelines on nonprocurement debarment and suspension at 2 CFR part 180, as implemented by DoD at 2 CFR part 1125.

Section B. Competition. You must award procurement transactions under this DoD award in accordance with the competition requirements described in OMB guidance in 2 CFR 200.319.
Section C. Procurement methods. You must award procurement transactions under this award using methods described in OMB guidance in 2 CFR 200.320.

Section D. Contracting with small and minority businesses, women’s business enterprises, and labor surplus area firms. You must take the affirmative steps described in OMB guidance in 2 CFR 200.321 when awarding procurement transactions under this award.

Section E. Contract cost and price. When awarding a contract under this award, you must follow the procedures related to costs and price that are described in OMB guidance in 2 CFR 200.323, using the applicable cost principles specified in FMS Article III.

Section F. Contract provisions. You must include provisions in your procurement transactions under this award to require the contractors’ compliance with the requirements of PROC Article III, as applicable.

Section G. Procurement of recovered materials. If you are a political subdivision of a State, you must comply with the Resource Conservation and Recovery Act
requirements described in OMB guidance in 2 CFR 200.322.

Section H. Review of procurement documents. Upon our request, you must make available:

1. Technical specifications on proposed procurements, as described in 2 CFR 200.324(a).

2. Pre-procurement documents for our review, as described in 2 CFR 200.324(b) unless you are exempt from that requirement under 2 CFR 200.324(c).

Section I. Bonding requirements. If you award a construction or facility improvement contract under this award with a value in excess of the simplified acquisition threshold, you must comply with at least the minimum requirements for bidders’ bid guarantees and contractors’ performance and payment bonds described in 2 CFR 200.325(a) through (c), unless a provision in the award-specific terms and conditions of this award excepts you from the requirement based on our determination that your bonding policy and requirements are adequate to protect Federal interests.

Unless a DoD Component reserves one or more paragraphs of Section B, as specified in §1132.310, a DoD Component’s general terms and conditions must use the following wording for PROC Article III.

PROC Article III. Contract provisions for recipient procurements. (December 2014)

Section A. Contract provisions for administrative requirements.

1. Remedies. In any contract under this award for an amount in excess of the simplified acquisition threshold, you must provide for administrative, contractual, or legal remedies, including any appropriate sanctions and penalties, when the contractor violates or breaches the contract terms.

2. Termination. In any contract for an amount in excess of $10,000, you must specify conditions under which you may terminate the contract for cause or convenience; the procedures for termination; and the basis to be used for settlement.
3. **Allowable costs under cost-type contracts.** In any cost-type contract with an entity, you must include a clause to permit the entity to charge to the contract only costs that are allowable under the cost principles that FMS Article III identifies as applicable to that type of entity, as supplemented by any award-specific terms and conditions related to allowability of costs that are included in this award. Your contract clause may permit the contractor to use its own cost principles in determining the allowability of its costs charged to the contract, as long as its cost principles comply with those Federal cost principles supplemented by any award-specific terms and conditions of this award.

4. **Rights in copyright and data.** You must include in each contract under this award a provision requiring that the contractor:

   a. Grant the Federal Government a royalty-free, nonexclusive and irrevocable right to:

      i. Reproduce, publish, or otherwise use for Federal purposes any work that is subject to copyright and that the contractor develops, or acquires ownership of, under this award;
ii. Authorize others to reproduce, publish, or otherwise use such work for Federal purposes; and

b. Grant the Federal Government the right to:

   i. Obtain, reproduce, publish, or otherwise use data produced under this award;

   ii. Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes; and

   c. Include the Federal Government rights described in subparagraphs 4.a. and 4.b. of this section in any subcontracts.

5. Access to records.

   a. In any negotiated, cost-type or time and materials contract for an amount in excess of the simplified acquisition threshold, you must provide for access to any of the contractor’s books, documents, papers, and records that are directly pertinent to that contract to enable and support audits, examinations, excerpts, and transcriptions. The contract provision must provide access to those
records for all of the following and their duly authorized representatives:

   i. You;

   ii. Us as the Federal awarding agency, including our Inspector General; and

   iii. The Comptroller General of the United States.

   b. In any audit services contract for performance of an audit required by the Single Audit Act, as implemented by OMB in Subpart F of 2 CFR part 200, you must provide for the access to audit documentation described in 2 CFR 200.517(b).

6. **Records retention.**

   a. In any negotiated, cost-type or time and materials contract for an amount in excess of the simplified acquisition threshold, you must provide for retention of all records that are directly pertinent to that contract for 3 years after you make final payment and all pending matters are closed.

   b. In any audit services contract for performance of an audit required by the Single Audit Act, as
implemented by OMB in Subpart F of 2 CFR part 200, you must provide for the retention of audit documentation described in 2 CFR 200.517(a).

7. **Reporting.** In any contract awarded under this award, you must include any provision for the contractor’s reporting to you that may be needed in order for you to meet your requirements under this award to report to us.

**Section B. Contract provisions for national policy requirements.**

1. **Equal employment opportunity.** You must include the clause provided in 41 CFR 60-1.4(b) in any “federally assisted construction contract” (as defined in 41 CFR 60-1.3) under this award, unless provisions of 41 CFR part 60-1 exempt the contract from the requirement.

2. **Wage Rate Requirements (Construction),** formerly the Davis-Bacon Act. With respect to each construction contract for more than $2,000 to be awarded using funding provided under this award, you must:

   a. Place in the solicitation under which the contract will be awarded a copy of the current
prevailing wage determination issued by the Department of Labor;

b. Condition the decision to award the contract upon the contractor’s acceptance of that prevailing wage determination;

c. Include in the contract the clauses specified at 29 CFR 5.5(a) in Department of Labor regulations at 29 CFR part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction,” to require the contractor’s compliance with the Wage Rate Requirements (Construction), as amended (40 U.S.C. 3141-44, 3146, and 3147); and

d. Report all suspected or reported violations to the award administration office identified in this award.

3. Copeland Act prohibition on kickbacks. In each contract under this award that is subject to the Wage Rate requirements in paragraph 2 of these provisions, you must:

   a. Include a provision requiring the contractor to comply with the anti-kickback provisions of the Copeland Act (18 U.S.C. 874 and 40 U.S.C. 3145), as
supplemented by Department of Labor regulations at 29 CFR part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States.”

b. Report all suspected or reported violations to the award administration office identified in the award notice cover sheet of this award.

4. **Contract Work Hours and Safety Standards Act for work involving mechanics or laborers.** In each contract for an amount greater than $100,000 that involves the employment of mechanics or laborers and is not a type of contract excepted under 40 U.S.C. 3701, you must include the clauses specified in Department of Labor (DoL) regulations at 29 CFR 5.5(b) to require use of wage standards that comply with the Contract Work Hours and Safety Standards Act (40 CFR, Subtitle II, Part A, Chapter 37), as implemented by DoL at 29 CFR part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction.”

5. **Patents and inventions.** If you procure the services of a nonprofit organization, small business firm, or other entity for the performance of experimental,
developmental or research work, you must include in the contract the clause prescribed in Section B of PROP Article VI to establish contractual requirements regarding subject inventions resulting from the contract and provide for Federal Government rights in those inventions.

6. **Clean air and water requirements.** You must:

   a. In each contract for an amount greater than $150,000 under this award, include a clause requiring the contractor to comply with applicable provisions of the Clean Air Act (42 U.S.C. 7401-7671q), Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and standards, orders, or regulations issued under those acts; and

   b. Report any violations of the Acts, standards, orders, or regulations to both the award administration office identified in this award and the appropriate regional office of the Environmental Protection Agency.

7. **Nonprocurement suspension and debarment.** Unless you have an alternate method for requiring the contractor’s compliance, you must include a clause in
each contract for an amount equal to or greater than $25,000 for other than federally required audit services and in each contract for federally required audit services regardless of dollar value to require the contractor to comply with OMB guidance on nonprocurement suspension and debarment in 2 CFR part 180, as implemented by DoD regulations at 2 CFR part 1125.

8. **Byrd Amendment anti-lobbying requirements.** In each contract for an amount exceeding $100,000, you must include a clause requiring the contractor to submit to you the certification and any disclosure forms regarding lobbying that are required under 31 U.S.C. 3152, as implemented by the DoD at 32 CFR part 28.

9. **Purchase of recovered materials by States or political subdivisions of States.** In each contract under which the contractor may purchase items designated in Environmental Protection Agency (EPA) regulations in 40 CFR part 247, Subpart B, you must include a clause requiring the contractor to comply with applicable requirements in those EPA regulations, which implement Section 6002 of the Resource

10. **Fly America requirements.** In each contract under which funds provided under this award might be used for international air travel for the transportation of people or property, you must include a clause requiring the contractor to:

   a. Comply with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. 40118, also known as the "Fly America" Act), as implemented at 41 CFR 301-10.131 through 301-10.143. The statute and regulations provide that U.S. Government-financed international air travel of passengers and transportation of personal effects or property must use a U.S. Flag air carrier or be performed under a cost-sharing arrangement with a U.S. carrier, if such service is available; and

   b. Include the requirements of the Fly America Act in all subcontracts that might involve international air transportation.

11. **Cargo preference for United States flag vessels.** In each contract under which equipment, material, or
commodities may be shipped by oceangoing vessels, you must include the clause specified in Department of Transportation regulations at 46 CFR 381.7(b) to require that at least 50 percent of equipment, materials or commodities purchased or otherwise obtained with Federal funds under this award, and transported by ocean vessel, be transported on privately owned U.S.-flag commercial vessels, if available.

§1134.1  **Purpose of this part.**

(a) This part specifies standard wording of general terms and conditions concerning recipients’ reporting requirements.

(b) It thereby implements OMB guidance on reporting in 2 CFR part 170 and the following portions of 2 CFR part 200, as they relate to general terms and conditions of grants and cooperative agreements:

(1) 2 CFR 200.301 and 200.327 through 200.329; and

(2) 2 CFR 200.300(b) as it relates to subaward reporting, 200.312(a) as it relates to inventories of federally owned property, and 200.343(a) as it relates to financial and performance reporting.

§1134.2  **Applicability of this part.**

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

§1134.3  **Exceptions from requirements of this part.**

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.
§1134.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding subpart. That direction may permit DoD Components to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through D to
this part (with the associated direction to DoD Components in Subparts A through D, respectively):

§1134.100 Purpose of REP Article I.

REP Article I of the general terms and conditions specifies requirements related to recipient reporting on program performance. It thereby implements OMB guidance for grants and cooperative agreements in:

(a) 2 CFR 200.328; and

(b) Portions of 2 CFR 200.301 and 200.343(a) that relate to performance reporting.

§1134.105 Performance reporting for construction awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(c) notes that agencies rely heavily on onsite technical inspections and certified percentage of completion data to monitor progress under construction grants and cooperative agreements and states that agencies may require additional performance reports only when considered necessary.

(b) DoD implementation. DoD Components may require performance reports under construction awards only when necessary and, to reduce recipient burdens, should coordinate
the performance reporting with financial reporting to the maximum extent practicable.

(c) Award terms and conditions. (1) If a DoD Component has general terms and conditions specifically for construction awards and does not need performance reports for those awards, it:

(i) Should reserve Sections A through D of REP Article I in those terms and conditions;

(ii) Must follow the specifications in §§1134.135 and 1134.145 to include the wording appendix A to this part provides for Sections E and G of REP Article I in those terms and conditions, in order to require recipients to promptly report significant developments and reserve the DoD Component’s right to make site visits.

(iii) Must follow the specifications in §1134.140 to insert wording in Section F of REP Article I in those terms and conditions, to tell recipients where and how to submit any reports of significant developments.

(2) If a DoD Component has general terms and conditions specifically for construction awards and determines that it needs performance reports for those awards:
(i) It may tailor the template and content that appendix A to this part provides for Sections A through D of REP Article I in those terms and conditions, as needed to specify the reporting requirements or, as appropriate, instead integrate those requirements into REP Article II on financial reporting. The form, format, or data elements that the DoD Component specifies for any of those performance reports must comply with requirements of the Paperwork Reduction Act of 1995, as implemented by OMB at 5 CFR part 1320, to use OMB-approved information collections if more than 9 recipients will be subject to the reporting requirement.

(ii) It must follow the specifications in §§1134.135 through 1134.145 concerning Sections E through G of REP Article I in those terms and conditions, as described in paragraphs (c)(1)(ii) and (iii) of this section.

§1134.110 Performance reporting for non-construction awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(f) states that an agency may waive any performance report that it does not need.

(b) DoD implementation — (1) Interim reports. DoD Components should waive requirements for interim performance reports under non-construction awards, including research
awards, only when program managers have an alternative source for the information that the reports provide in support of the need for technical program oversight during the period of performance.

(2) Final reports — (i) Research. DoD Components may not waive requirements for final performance reports under research awards, even when program managers have other sources of the information they contain. A primary purpose of a final report under a research award is to document the overall project or program well enough to serve as a long-term reference from which others may understand the purpose, scope, approach, results or outcomes, and conclusions or recommendations of the research.

(ii) Non-construction awards other than research. DoD Components should consider the long-term value of final performance reports for documenting program outcomes, as well as any near-term value, before waiving requirements for final reports under other non-construction awards.

(c) Award terms and conditions. Appendix A to this part provides a template for REP Article I of the general terms and conditions of research awards or other non-construction awards under which performance reports are required. A DoD Component must either use the wording that appendix A provides or insert
wording into the template, in accordance with §§1134.115 through 1134.145, to:

(1) Specify the content and form, format, or data elements recipients must use for interim and final performance reporting (see §1134.115);

(2) Specify the reporting frequency, reporting periods, and due dates for interim performance reports (see §1134.120);

(3) Specify the due dates and reporting periods for final performance reports (see §1134.125);

(4) Specify that recipients may request extensions of due dates for performance reports (see §1134.130);

(5) Require recipients to report significant developments (see §1134.135);

(6) Specify reporting procedures (see §1134.140); and

(7) Reserve the DoD Component’s right to make site visits (see §1134.145).

§1134.115 Content and forms, formats, or data elements for interim and final performance reporting under non-construction awards.
(a) OMB guidance. OMB guidance in:

(1) 2 CFR 200.301 and 200.328(b)(2) state that Federal awarding agencies must require recipients to use standard OMB-approved information collections for reporting performance information.

(2) 2 CFR 200.328(b)(2)(i) through (iii) list types of information that performance reports under non-construction grants and cooperative agreements will contain, as appropriate, unless other collections are approved by OMB.

(b) DoD implementation. (1) The content of the information collections that a DoD Component’s general terms and conditions specify for non-construction awards must include the elements listed in 2 CFR 200.328(b)(2)(i) through (iii) that are appropriate to the projects or programs subject to those general terms and conditions.

(2) Forms, formats, and data elements that a DoD Component’s general terms and conditions specify for performance reporting under non-construction awards must comply with requirements of the Paperwork Reduction Act of 1995 to use OMB-approved information collections, as implemented by OMB at 5 CFR part 1320.
(3) To the maximum extent practicable, a DoD Component’s general terms and conditions for non-construction awards must specify that recipients use Governmentwide standard forms, formats, and data elements that also are used by other Federal agencies for similar programs, recipients, and types of awards (e.g., the Research Performance Progress Report format or any successor to it that OMB clears for interim performance progress reports under research awards to institutions of higher education and nonprofit organizations).

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component must insert wording in lieu of the reserved Section A of REP Article I of its general terms and conditions for non-construction awards to specify the form, format, or data elements that recipients must use for interim and final performance reports. Section A of REP Article I may specify a different requirement for final performance reports than interim reports.

§1134.120 Frequency, reporting periods, and due dates for interim performance reporting under non-construction awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(b)(1) addresses performance reporting frequency under grants and cooperative agreements and due dates.
(1) **Reporting frequency.** The OMB guidance states that interim performance reports should be no less frequent than annually, nor more frequent than quarterly except in unusual circumstances (e.g., when more frequent reporting is necessary for effective program monitoring).

(2) **Due dates.** The OMB guidance states that due dates for interim performance reports must be:

   (i) 30 calendar days after the end of the reporting period if interim reports are required quarterly or semiannually; and

   (ii) 90 calendar days after the end of the reporting period if interim reports are required annually, unless the agency elects to require the annual reports before the anniversary dates of multiyear awards.

(b) **DoD implementation.** DoD implements the OMB guidance in 2 CFR 200.328(b)(1) concerning frequency and due dates of interim performance reports through award terms and conditions, with the following clarifications and added specifications concerning reporting periods:

   (1) **Reporting frequency.** DoD Components rarely, if ever, should require recipients to submit interim performance reports more often than annually for basic research awards.
Before requiring interim performance reports more frequently than annually for other research awards, DoD Components should carefully consider whether the benefits of more frequent reporting are sufficient to offset the potential for slowing the rate of research progress, due to diversion of researchers’ time from research performance to report preparation.

(2) Reporting periods. For research awards, a DoD Component should not require any recipient to submit interim performance reports on a cumulative basis--i.e., the second and any subsequent performance report should address only the most recent reporting period and not also address previous reporting periods covered by earlier interim performance reports.

(3) Due dates. If a DoD Component requires an interim report more frequently than quarterly due to unusual circumstances, as described in 2 CFR 200.328(a)(1) and paragraph (a)(1) of this section, the DoD Component must specify that the due date for the report is 30 days after the end of the reporting period. For all other interim reports, DoD Components must specify due dates in accordance with paragraph (a)(2) of this section.

(c) Award terms and conditions. A DoD Component must insert wording in lieu of the reserved Section B of REP Article
I of its general terms and conditions for non-construction awards to specify:

(1) The frequency with which recipients must submit interim performance reports;

(2) The reporting period each interim performance report must cover; and

(3) The due date for each interim performance report, stated as the number of calendar days after the end of the reporting period.

§1134.125 Due dates and reporting periods for final performance reports under non-construction awards.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(b)(1) states that each final performance report will be due 90 calendar days after the end date of the period of performance. It also states that an agency may extend the due date if a recipient submits a justified request.

(b) DoD implementation – (1) Due dates. Consistent with 2 CFR 200.328(b)(1):

   (i) General. A DoD Component’s general terms and conditions must specify that the due date for each recipient’s submission of its final performance report is:
(A) 90 calendar days after the end of the period of performance for non-construction awards other than research.

(B) 120 calendar days after the end of the period of performance for research awards.

(ii) **Exception.** A DoD Component may pre-approve a 30-day extension to the due date in its general terms and conditions for non-construction awards other than research by specifying that each recipient’s final performance report is due 120 calendar days after the end of the period of performance. Doing so would be especially helpful to recipients that have subawards and need time to assimilate subrecipient inputs into the final report for the project or program as a whole.

(2) **Reporting periods** – (i) **Non-construction awards other than research.** A DoD Component’s general terms and conditions for non-construction awards other than research may require each recipient to submit a final report that is cumulative and covers the entire period of performance, as that may more effectively document the project or program for future reference.
(ii) Research. Final reports for research awards must be cumulative (i.e., each final report must cover the entire period of performance under the award and not just the period since the previous interim performance report) because a primary purpose of a final report for a research award is to document the overall project or program, as described in §1134.110(b)(2).

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component in its general terms and conditions for non-construction awards:

(1) Must either:

(i) Specify that the due date for final performance reports is either 90 or 120 calendar days after the end of the period of performance, as indicated in paragraph (b)(1)(i), by including the wording that appendix A to this part provides for paragraph C.1 of REP Article I and modifying the bracketed language in that wording by removing the brackets and showing only the number of days (i.e., 90 or 120 calendar days) appropriate for the type of awards; or

(ii) Pre-approve a 30-day extension to the 90 calendar day due date, as described in paragraph (b)(1)(ii) of
this section for non-construction awards other than research, by including the wording that appendix A to this part provides for paragraph C.1 of REP Article I and modifying the bracketed language in that wording by removing the brackets and showing only “120 calendar days” in lieu of “90 calendar days.”

(2) Must insert wording in lieu of the reserved paragraph C.2 of REP Article I, to specify the reporting period for final reports (e.g., that research awards require cumulative final reports).

§1134.130 Requesting extensions of due dates for performance reports.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(b)(1) states that, if a recipient submits a justified request for an extension in the due date for any interim or final performance report under a grant or cooperative agreement, an agency may extend the due date.

(b) DoD implementation. A DoD Component’s general terms and conditions for non-construction awards must specify that a recipient may request an extension of the due date for interim or final performance reports. DoD Components should grant requests that provide adequate justification. For a DoD Component that pre-approves a 30-day extension of due dates for
final performance reports in its general terms and conditions, as described in §1134.125(b)(1)(ii) and (c)(1)(ii), any award-specific extensions would be beyond the pre-approved 30-day extension.

(c) Award terms and conditions. To implement the provisions of paragraphs (a) and (b) of this section, a DoD Component’s general terms and conditions for non-construction awards must include the wording that appendix A to this part provides for Section D of REP Article I on extensions of performance reporting due dates.

§1134.135 Reporting significant developments.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(d) states that a recipient must promptly notify the awarding agency about significant developments under grants and cooperative agreements.

(b) DoD implementation. A DoD Component’s general terms and conditions must require recipients to report significant developments, as described in 2 CFR 200.328(d).

(c) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording that appendix A to this part provides for Section E of REP Article I on reporting of significant developments.
§1134.140 Performance reporting procedures.

(a) Requirement. A DoD Component’s general terms and conditions must inform recipients about performance reporting procedures.

(b) Award terms and conditions. To implement the requirement of paragraph (a) of this section, a DoD Component in its general terms and conditions must insert wording in Section F of REP Article I (which is reserved in the template for REP Article I that appendix A to this part provides), to specify:

(1) The office or offices to which a recipient must submit its interim and final performance reports, any requests in due dates for those reports, and any reports of significant developments; and

(2) How the recipient is to submit those reports and requests (e.g., e-mail or other electronic submission method).

(3) For research awards, component must assure that the recipient final report complies with the distribution and marking requirements of DoD Manual 3200.14, Volume 1. This includes the requirement that all significant scientific or technological findings, recommendations, and results derived from DoD endeavors—which shall include the final performance report at a minimum—are recorded and provided to Defense
Technical Information Center (DTIC). Follow guidance in (b)(1) to inform recipients as the submission and distribution requirements (i.e. Component may choose to receive the report and submit to DTIC themselves or provide instructions to recipient on submission to DTIC).

(4) Access to Research Results

(i) For purposes of this term and condition, the following definition applies:

Final Peer-Reviewed Manuscript: The final version of a peer-reviewed article for a professional journal publication disclosing the results of scientific research which is authored or co-authored by the recipient or funded, in whole or in part, with funds from a DoD award, that includes all modifications from the publishing peer review process, and all graphics and supplemental material associated with the article.

(ii) The recipient shall ensure that any Final Peer-Reviewed Manuscript is submitted to the Defense Technical Information Center (DTIC) repository, currently at www.dtic.mil. Ensure that the Final Peer-Reviewed Manuscript is submitted when it is accepted for publication, and when the final title and date of publication are known.
§1134.145 Site visits.

(a) OMB guidance. OMB guidance in 2 CFR 200.328(e) states that a Federal awarding agency may make site visits as warranted by program needs.

(b) DoD implementation. A DoD Component’s general terms and conditions must state that the Federal Government reserves the right to make site visits as warranted.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must include the wording that appendix A to this part provides for Section G of REP Article I concerning site visits.

Subpart B–Financial Reporting (REP Article II)

§1134.200 Purpose of REP Article II.

REP Article II of the general terms and conditions specifies requirements related to financial reporting. It thereby implements OMB guidance in 2 CFR 200.327 and the portions of 2 CFR 200.301 and 200.343(a) that are specific to financial reporting under grants and cooperative agreements.
§1134.205  Reporting forms, formats, or data elements.

(a) OMB guidance. OMB guidance in 2 CFR 200.327 states that Federal awarding agencies may require recipients to use only the standard OMB-approved Governmentwide data elements for collection of financial information, unless OMB approves other forms, formats, or data elements for financial information collection.

(b) DoD implementation. DoD Components must collect financial information from recipients using OMB-approved forms, formats, or data elements.

(1) Unless current approvals expire, approved financial information collections include the Federal Financial Report (SF-425) and Request for Advance or Reimbursement (SF-270). In the future, they would include any additional information collections that OMB approves.

(2) For all but the recipient’s final financial report, a DoD Component may rely on financial information the recipient provides on the SF-270 or other OMB-approved payment request form, format, or data elements if that financial information is sufficient to meet the DoD Component’s needs. For the final report, the DoD Component must require the
recipient to use the SF-425 or other OMB-approved financial
information collection.

(3) A DoD Component must obtain approval for any
variations from OMB-approved forms or formats, including use of
additional or substitute data elements or modification of the
associated instructions for recipient entities submitting the
information.

§1134.210 Content of REP Article II.

(a) Requirement. A DoD Component’s general terms and
conditions must specify what financial information recipients
are required to report and how often, when, where, and how they
must report.

(b) Award terms and conditions — (1) General. Appendix B
to this part provides a template into which a DoD Component must
insert wording to specify the form, format, or data elements
recipients must use for financial reporting; the frequency,
reporting periods, and due dates for their financial reports
(stated as the number of days after the end of the reporting
period); and where and how they must submit the information.

(2) Required reporting form, format, or data elements
for interim and final financial reports. In Section A of REP
Article II, which is reserved in appendix B to this part, a DoD
Component must insert wording to specify the OMB-approved form, format, or data elements that recipients must use for financial reporting and the website where they can be found. The section may provide a different requirement for final financial reports than interim reports during the period of performance if the DoD Component needs less information on interim reports than is needed on the final report.

(3) Interim financial reports: frequency, reporting periods, and due dates. In Section B of REP Article II, which is reserved in appendix B to this part, a DoD Component must insert wording to specify the frequency with which recipients must submit interim financial reports, as well as the reporting period each report must cover and when it is due. However, this section of the article may waive interim reporting requirements if the DoD Component relies on information already provided with payment requests (e.g., on the SF-270).

(i) Consistent with OMB guidance in 2 CFR 200.327, the reporting frequency may be no less often than annually and no more frequently than quarterly except in unusual circumstances (e.g., a need for more frequent reporting for monitoring program performance, in which case financial reporting should be coordinated with performance reporting).
(ii) The reporting frequency, reporting periods, and due dates must conform with any guidance on those aspects of financial reporting in the OMB-approved instructions accompanying the form, format, or data elements used.

(iii) When a DoD Component’s general terms and conditions provide for advance payments based on predetermined schedules—which is very rarely if ever appropriate for research awards—the terms and conditions must provide for quarterly reporting. This will enable post-award administrators to closely monitor recipients’ balances of cash on hand for compliance with Governmentwide cash management standards.

(4) Final financial report. Appendix B to this part provides wording for Section C of REP Article II to implement OMB guidance in 2 CFR 200.343(a) as it applies to final financial reports. Given that 2 CFR part 200 provides 90 days for subrecipients to liquidate subaward obligations and submit their final financial reports to recipients, the wording in appendix B gives recipients 120 days to submit final financial reports to DoD post-award administration offices. That provides a reasonable amount of time for recipients to incorporate any information they need from final subaward reports. A DoD Component may alter the wording or supplement it if the DoD
Component has a basis to do so in a statute or a regulation published in the Code of Federal Regulations.

(5) Extensions of due dates. A DoD Component’s general terms and conditions must include the wording for Section D of REP Article II that appendix B to this part provides to authorize recipients to request extensions of due dates for interim or final financial reports.

(6) Where and how to submit financial reports. In Section E of REP Article II, which is reserved in appendix B to this part, a DoD Component must insert wording to specify the DoD official or office to whom a recipient must submit its interim and final financial reports and the method it must use to do so (e.g., e-mail or other electronic submission method).

Subpart C—Reporting on Property (REP Article III)

§1134.300 Purposes of REP Article III.

REP Article III of the general terms and conditions provides a consolidated source that sets out required reports, notifications, requests, and accountings related to federally owned property and property that is acquired or improved under awards. The article is:

(a) The original source of requirements for recipients to:
(1) Submit periodic status reports and notifications of critical changes for real property (in paragraphs A.1 and A.2 of the article), which thereby implements OMB guidance in 2 CFR 200.329;

(2) Submit an annual inventory of federally owned property (in paragraph C.1 of the article), which thereby partially implements OMB guidance in 2 CFR 200.312(a);

(3) Provide information on request about copyrighted works and data produced under awards (in paragraph D.2 of the article).

(b) A secondary source provided for the convenience of recipients and DoD post-award administrators that lists and refers to the original sources of requirements for recipients to:

(1) Request disposition instructions and account at closeout for real property (in paragraphs A.3 and A.4 of the article), the original sources of which are in PROP Article III and OAR Article VI;

(2) Provide notifications of loss, damage, or theft and requests for disposition instructions for equipment (in paragraphs B.2 and B.3 of the article), the original sources of which are in PROP Articles II and IV, respectively;
(3) Account at closeout for equipment and supplies (in paragraph B.4 of the article), the original sources of which are in OAR Article VI and PROP Article IV;

(4) Provide notifications of loss, damage, or theft and requests for disposition instructions for federally owned property (in paragraphs C.2 and C.3 of the article), the original sources of which are in PROP Articles II and V, respectively;

(5) Disclose and report on inventions developed under awards (in paragraph D.1), the original source of which is in PROP Article VI; and

(6) Request disposition instructions for intangible property acquired, but not developed or produced, under awards (in paragraph D.3 of the article), the original source of which is in PROP Article VI.

§1134.305 Real property: reports, notifications, requests, and accounting.

(a) Requirement. A DoD Component’s general terms and conditions must specify the real property reporting requirements described in §1134.300(a)(1) and provide references to the related requirements described in §1134.300(b)(1).
(b) **Award terms and conditions.** To implement the requirement described in paragraph (a) of this section, the wording of Section A of REP Article III of a DoD Component’s general terms and conditions must comply with either paragraph (b)(1) or (b)(2) of this section.

(1) General. Unless a DoD Component determines that there will be no acquisition or improvement of real property under awards using its general terms and conditions, those general terms and conditions must include the wording appendix C to this part provides for Section A of REP Article III, to which the DoD Component:

(i) Must add wording in lieu of the reserved paragraph A.1.a to specify how often a recipient must submit periodic status reports and how long it is required to do so (which should be the duration of the Federal interest in the real property). The wording of paragraph A.1.a must be consistent with OMB guidance in 2 CFR 200.329, which provides different options for reporting frequency depending on the duration of the Federal interest in the real property.

(ii) Must add wording in lieu of the reserved paragraph A.1.b to specify the due date for each periodic status report in terms of the number of calendar days after the end of the period covered by the report (e.g., a report on the status
of the property as of September 30 might be due 30 calendar days after that date).

(iii) May provide wording in lieu of the reserved paragraph A.1.c if there are other instructions—e.g., a form, format, or information elements that a recipient must use (which must be cleared by OMB under the Paperwork Reduction Act, as implemented by OMB at 5 CFR part 1320) or a particular office to which reports must be submitted, especially if reporting will continue beyond closeout of the award under which the real property was acquired or improved.

(2) Exception. A DoD Component may reserve Section A of REP Article III if it determines that there will be no acquisition or improvement of real property under awards using its general terms and conditions.

§1134.310 Equipment and supplies: reports, notifications, requests, and accounting.

(a) Requirement. REP Article III of a DoD Component’s general terms and conditions must clarify that there is no requirement for routine periodic reporting about equipment acquired under an award and provide the references described in §1134.300(b)(2) and (3) to requirements in other articles for
notifications, requests, and accounting related to equipment and supplies.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix C to this part provides for Section B of REP Article III.

§1134.315 Federally owned property: inventory, notifications, and requests.

(a) Requirement. REP Article III of a DoD Component’s general terms and conditions must specify the reporting requirement described in §1134.300(a)(2) and provide the references described in §1134.300(b)(4) to requirements in other articles for notifications and requests related to federally owned property.

(b) Policy. (1) Except as provided by statute or in regulations adopted in the Code of Federal Regulations after opportunity for public comment, a DoD Component may not specify:

(i) Due dates for the annual inventories of federally owned property; or
(ii) Forms, formats, or specific data elements for the inventories, notifications, or requests for disposition instructions. Any form, format, or data elements that a DoD Component specifies must be cleared by OMB under the Paperwork Reduction Act, as implemented by OMB at 5 CFR part 1320.

(2) Not specifying due dates, forms, formats, or data elements provides flexibility for recipients and DoD post-award administrators to handle these requirements in ways that reduce burdens and costs. For example, a recipient may arrange with a post-award administration office to submit one consolidated inventory annually for federally owned property under all of the awards it receives that are administered by that office, using a format its property management system already generates.

(c) Award terms and conditions — (1) General. To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix C to this part provides for Section C of REP Article III. The DoD Component may add wording on due dates or on forms, formats, or data elements only as provided in paragraph (b) of this section.

(2) Exception. A DoD Component may reserve Section C of REP Article III if it determines that no recipients of awards using its general terms and conditions, or subrecipients of
subawards under those awards, will be accountable for federally owned property under those awards or subawards.

§1134.320 Intangible property: disclosures, reports, and requests.

(a) Requirement. REP Article III of a DoD Component’s general terms and conditions must specify the requirement described in §1134.300(a)(3) and provide the references described in §1134.300(b)(5) and (6) to requirements in other articles for disclosures, reports, and requests related to intangible property.

(b) Award terms and conditions — (1) General. To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix C to this part provides for Section D of REP Article III.

(2) Exceptions. A DoD Component may reserve:

(i) Section D of REP Article III if it determines that no recipients of awards using its general terms and conditions, or subrecipients of subawards under those awards, will have any intangible property for which they will be accountable to the Federal Government; or
Any of paragraphs D.1 through D.3, if it determines that no recipients of awards using its general terms and conditions, or subrecipients of subawards under those awards, will be accountable to the Federal Government for the particular types of intangible property addressed by those paragraphs.

Subpart D–Reporting on Subawards and Executive Compensation (REP Article IV)

§1134.400 Purpose of REP Article IV.

REP Article IV of the general terms and conditions specifies requirements for recipients to report information about subawards and executive compensation.

§1134.405 Content of REP Article IV.

(b) *Award terms and conditions.* To implement the reporting requirements described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix E to this part provides as REP Article IV.

**Subpart E–Other Reporting (REP Article V)**

§1134.500 *Purpose of REP Article V.*

REP Article V of the general terms and conditions specifies requirements for recipients to provide any type of report not addressed in REP Articles I-IV.

§1134.505 *Content of REP Article V.*

(a) *Source of reporting requirement.* Any requirement in a DoD Component’s general terms and conditions for recipients to provide a type of report not addressed in REP Articles I-IV must:

(1) Have a basis in a statute or regulation adopted in the *Federal Register* after an opportunity for public comment; and

(2) Use a form/format that has been approved by OMB under the PRA, as implemented by OMB in 5 CFR part 1320.
(b) **Award terms and conditions.** (1) To implement any reporting requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must include the following content in REP Article V, consistent with the PRA approval. Otherwise, REP Article V must be reserved.

(a) The name of the report and where a recipient can obtain it;

(b) For an interim report, the frequency with which it must be submitted and due date(s);

(c) For a final report, whether the report is due 90 days or, if the DoD Component has pre-approved a 30-day extension, 120 days after the end of the period of performance; and

(d) To what DoD office/official the report(s) must be submitted.

(2) If there is more than one such report, the DoD Component must show the information for each in separate sections of the article.

**Appendix A to Part 1134—Terms and Conditions for REP Article I, “Performance Management, Monitoring, and Reporting”**
For the general terms and conditions of construction awards, unless a DoD Component reserves any sections or inserts or modifies wording, as specified in §1134.105 for Sections A through D of the article, a DoD Component’s general terms and conditions must use the following wording for REP Article I.

For the general terms and conditions of non-construction awards (§§1134.115 through 1134.145), a DoD Component must use the following wording for REP Article I and, as specified in §§1134.115 through 1134.125 and §1134.140, insert or modify wording, depending on whether the terms and conditions are for research and/or other non-construction awards.

Section A. Required reporting form, format, or data elements for interim and final performance reports.

[Reserved.]

Section B. Frequency, reporting periods, and due dates for interim performance reports. [Reserved.]

Section C. Due date and reporting period for final performance report.
1. **Due date.** You must submit the final performance report under this award no later than [90 calendar days for non-construction awards other than research or 120 calendar days for research awards] after the end date of the period of performance unless we approve an extension of that due date as described in Section D of this article.

2. **Reporting period.** [Reserved.]

1. Problems, delays, or adverse conditions that will materially impair your ability to meet the objectives of this award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
2. Favorable developments which will enable you to meet schedules and objectives sooner or at less cost than anticipated or produce more or different beneficial results than originally planned.

Section G. Site visits. We reserve the right to make site visits as warranted to monitor program performance under this award.

Appendix B to Part 1134—Terms and Conditions for REP Article II, “Financial Reporting”

A DoD Component must in its general terms and conditions complete the template provided in this appendix for Sections A, B, and E of REP Article II by inserting or modifying wording, as specified in §1134.210, and use the following wording for Sections C (unless alternate wording is permitted by §1134.210) and D of the article.

Section E. Where and how to submit financial reports. [Reserved.]
Appendix C to Part 1134—Terms and Conditions for REP Article III, “Reporting on Property”

Unless a DoD Component reserves REP Article III in its entirety as specified in §1134.305, or reserves Sections C or D (or any paragraph in those sections) as specified in §§1134.315 and 1134.320, a DoD Component’s general terms and conditions must include a completed Section A (as specified in §1134.305) and use the following wording for the remainder of REP Article III.

REP Article III. Reporting on property. (DECEMBER 2014)

Section A. Real property. Paragraphs A.1 through A.4 apply to real property for which you are accountable under this award, for as long as there is a Federal interest in the property (whether that interest is due to you or a subrecipient having acquired or improved the property under this award, or a transfer of the accountability for the property to this award from another award).

1. Periodic status reports. You must submit periodic status reports, as follows:
a. **Frequency and duration of reporting requirement.**

[Reserved.]

b. **Due dates.**  [Reserved.]

c. **Other submission instructions.**  [Reserved.]

2. **Notifications of critical changes.** You must notify the award administration office of any critical change in the status of real property as soon as feasible after you become aware of it. A critical change is any event with a significant adverse impact on the condition or value of the property, such as damage due to fire; flood, hurricane, or other severe weather; earthquake; or accident.

3. **Requests for disposition instructions.** You must comply with applicable requirements in PROP Article III to request disposition instructions, either during the period of performance or at closeout.

4. **Closeout accounting.** You must account to the award administration office for real property at the time of closeout of the award, as required by Section D of OAR Article VI.
Section B. Equipment and supplies. Paragraphs B.1 through B.4 apply to equipment or supplies for which you are accountable under this award and in which there is a Federal interest (whether that interest is due to you or a subrecipient having acquired or improved the property under this award, or a transfer of the accountability for the property to this award from another award).

1. Periodic status report. There is no requirement for periodic reporting during the period of performance.

2. Notifications of loss, damage, or theft. You must comply with applicable requirements in PROP Article II governing your property management system to promptly notify the award administration office of any loss, damage, or theft of equipment.

3. Requests for disposition instructions. You must comply with applicable requirements in PROP Article IV to request disposition instructions for equipment, either during the period of performance or at closeout.

a. **Equipment.** You must account to the award administration office for equipment at the time of closeout of this award, as required by Section D of OAR Article VI.

b. **Supplies.** If you have a residual inventory of unused supplies that meets the criteria specified in paragraph E.2 of PROP Article IV, you must as part of your closeout accounting arrange with the award administration office for the compensation that paragraph specifies for the Federal interest in the supplies.

Section C. **Federally owned property.** Paragraphs C.1 through C.3 apply to federally owned property for which you are accountable under this award.

1. **Annual inventory.** You must submit annually to the award administration office an inventory of federally owned property.

2. **Notifications of loss, damage, or theft.** As provided in PROP Article II governing your property management system, you must promptly notify the award administration office of any loss, damage, or theft of federally owned property.
3. **Requests for disposition instructions.** You must comply with requirements in Section B of PROP Article V to request disposition instructions, either during the period of performance or at closeout.

4. **Closeout accounting.** Your requests for disposition instructions for federally owned property, as described in paragraph C.3 of this section, satisfy the need to account for federally owned property at closeout (see Section D of OAR Article VI).

**Section D. Intangible property.** Paragraphs D.1 through D.3 apply to intangible property for which you are accountable under this award.

1. **Inventions developed under the award.** You must submit all reports on subject inventions developed under this award that are required by the modified Governmentwide patent rights award provision specified in Section B of PROP Article VI, which include a disclosure of each subject invention and a final report listing all such subject inventions.

2. **Copyrights and data.** You are not required to submit periodic reports about data produced under the award or about works for which you acquired ownership
under this award, either by development or otherwise, and in which copyright was asserted. However, because of the DoD/Federal Government’s rights in the works and data that Sections A and C of PROP Article VI specify, you must provide information about the works and data if we request it.

3. **Intangible property acquired, but not developed or produced, under the award.** You must comply with requirements in Section D of PROP Article VI to request disposition instructions for intangible property acquired, but not developed or produced, under the award.

**Appendix D to Part 1134—Terms and Conditions for REP Article IV, “Reporting on Subawards and Executive Compensation”**

As specified in §1134.405, a DoD Component’s general terms and conditions must use the following wording for REP Article IV.

**REP Article IV. Reporting on subawards and executive compensation.** (DECEMBER 2014)

You must report information about subawards and executive compensation as specified in the award provision in appendix A to 2 CFR part 170, “Reporting
subaward and executive compensation information,” modified as follows:

1. To accommodate any future designation of a different Governmentwide Web site for reporting subaward information, the Web site “http://www.fsrs.gov” cited in paragraphs a.2.i. and a.3 of the award provision is replaced by the phrase “http://www.fsrs.gov or successor OMB-designated Web site for reporting subaward information”;

2. To accommodate any future designation of a different Governmentwide Web site for reporting executive compensation information, the Web site “http://www.sam.gov” cited in paragraph b.2.i. of the award provision is replaced by the phrase “https://www.sam.gov or successor OMB-designated Web site for reporting information on total compensation”;

and

3. The reference to “Sec. ___.210 of the attachment to OMB Circular A-133, ‘Audits of States, Local Governments, and Non-Profit Organizations’” in paragraph e.3.ii of the award provision is replaced by “2 CFR 200.330, as implemented in SUB Article I of this award”.

Appendix E to Part 1134—Terms and Conditions for REP Article V, “Other reporting”

In accordance with §1134.505 of this part, a DoD Component’s general terms and conditions must either reserve REP Article V or provide the information required by that section for each applicable report.

REP Article V. Other reporting. (Date)

[Reserved.]

Appendix G to Part 1136—Terms and conditions for OAR
Article VII, “Post-closeout adjustments and continuing responsibilities”

§1136.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning submission and maintenance of recipient information; records retention and access; remedies for noncompliance and termination; claims, disputes, and appeals; collection of amounts due; closeout; and after-the-award requirements.

(b) It thereby implements OMB guidance for grants and cooperative agreements in multiple portions of 2 CFR part 200, as those portions apply to general terms and conditions. Specifically, this part implements:

(1) 2 CFR 200.113 and 200.210(b)(1)(iii);

(2) 2 CFR 200.300(b) as it refers to requirements in 2 CFR part 25; and

(3) 2 CFR 200.333 through 200.345.
§1136.2 Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

§1136.3 Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

§1136.4 Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding
subpart. That direction may permit DoD Components to vary from
the standard wording in some situations.

(c) Table 1 shows which article of general terms and
conditions may be found in each of appendices A through G to
this part (with the associated direction to DoD Components in
Subparts A through G, respectively):

Table 1 to paragraph (c)
In . . . You will find terms and conditions specifying recipients’ rights and responsibilities related to . . . That would appear in an award within OAR Article . . .

| Appendix A | Submitting and maintaining recipient information | I |
| Appendix B | Records retention and access | II |
| Appendix C | Remedies and termination | III |
| Appendix D | Claims, disputes, and appeals | IV |
| Appendix E | Collection of amounts due | V |
| Appendix F | Closeout | VI |
| Appendix G | Post-closeout adjustments and continuing responsibilities | VII |
§1136.100 Purpose of OAR Article I.

OAR Article I sets forth requirements for recipients to maintain current information about themselves in the data system the Federal Government specifies as the repository for standard information about its business partners, currently the System for Award Management. The article thereby implements OMB guidance in:

(a) 2 CFR 200.113 and 200.210(b)(1)(iii);

(b) 2 CFR part 25; and

(c) The portion of 2 CFR 200.300(b) that cites 2 CFR part 25 and the System for Award Management).

§1136.105 Content of OAR Article I.

To implement the requirement described in §1136.100, a DoD Component’s general terms and conditions must use the standard wording appendix A to this part provides as OAR Article I. A DoD Component may reserve Section B of the article in its general terms and conditions if it is certain that there will be no award using those general terms and conditions for which the Federal share of the award’s total value will exceed $500,000.
Subpart B–Records Retention and Access (OAR Article II)

§1136.200 Purpose of OAR Article II.

OAR Article II addresses rights and responsibilities concerning retention of records related to awards; access to recipients’ records; and collection, transmission, and storage of information. The article thereby implements OMB guidance in 2 CFR 200.333 through 200.337.

§1136.205 Records retention period.

(a) OMB guidance. OMB guidance in:

(1) The lead-in paragraph of 2 CFR 200.333 sets a standard retention period that is generally applicable to recipient records pertinent to grants and cooperative agreements.

(2) 2 CFR 200.333(c) and (f) provide different standard retention periods specifically for records that are related either to real property and equipment acquired with Federal funds or indirect cost rate proposals and cost allocation plans.

(b) DoD implementation. A DoD Component’s general terms and conditions must specify the standard retention periods described in paragraph (a) of this section.
(c) **Award terms and conditions — (1) General.** A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section A of OAR Article II.

(2) **Exception.** A DoD Component’s general terms and conditions may substitute alternative wording for paragraph A.3 of OAR Article II if the awards using those terms and conditions will be renewed quarterly or annually. The alternative wording for awards that will be renewed quarterly or annually would replace the words “final financial report” in paragraph A.3 with “quarterly financial report” or “annual financial report,” respectively.

§1136.210 Extensions of retention period due to litigation, claim, or audit.

(a) **OMB guidance.** OMB guidance in:

(1) 2 CFR 200.333(a) provides for an extended retention period for records involved in a litigation, claim, or audit that begins before the end of the standard 3-year retention period.

(2) 2 CFR 200.333(b) provides that a recipient also is required to extend the retention period when a Federal
awarding, cognizant, or oversight agency notifies it in writing to do so.

(b) DoD implementation. (1) A DoD Component’s general terms and conditions must provide for extended retention periods for records involved in a litigation, claim, or audit that begins before the end of the standard 3-year retention period, as described in 2 CFR 200.333(a).

(2)(i) Other than the exception described in paragraph (b)(2)(ii) of this section, DoD Components may not require recipients to extend the records retention period as described in 2 CFR 200.333(b).

(ii) A DoD Component’s general terms and conditions must extend the “retention period,” as that term is used in 2 CFR 200.344(a), to include the entire period during which recipients retain their records, even if that period extends beyond the standard 3-year retention period described in §1136.205. That extension will enable disallowance of costs and recovery of funds based on an audit or other review of records a recipient elected to retain beyond the standard retention period, even if the audit or review began after the end of that retention period. Without that extension, the ability to disallow costs and recover funds would be limited by 2 CFR 200.344(a), which states that an agency must make any
disallowance determination about a recipient’s costs and notify the recipient within the record retention period.

(c) *Award terms and conditions.* A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section B of OAR Article II.

§1136.215 Records for program income earned after the end of the performance period.

(a) *OMB guidance.* OMB guidance in 2 CFR 200.333(e) provides the retention period for records related to program income earned under a grant or cooperative agreement after the end of the period of performance, if an agency establishes requirements governing the disposition of program income earned after that time.

(b) *DoD implementation.* A DoD Component’s general terms and conditions should not establish retention requirements for records related to program income earned after the end of the period of performance. Retention requirements for those records in general terms and conditions would be inconsistent with the statement in 2 CFR 1128.725 that a DoD Component should rarely, if ever, establish a requirement for a recipient to be accountable for program income earned after the end of the period of performance. Section 1128.725 provides for use of
general terms and conditions wording in FMS Article VII that establishes no such requirement. Section 1128.725 further states that exceptions for individual awards are properly addressed at the time of award in the award-specific terms and conditions.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section C of OAR Article II. If a DoD Component includes a requirement in the award-specific terms and conditions for the recipient to be accountable for program income earned after the end of the period of performance, it also may include a requirement in the award-specific terms and conditions for the recipient’s retention of the associated records.

§1136.220 Records for joint or long-term use.

(a) OMB guidance. OMB guidance in:

(1) 2 CFR 200.334 states that a Federal awarding agency must request that a recipient transfer records to its custody if the agency determines that the records have value that warrants long-term retention. It also provides that the agency may instead arrange for the recipient to retain records that are continuously needed for joint use.
(2) 2 CFR 200.333(d) exempts records transferred to a Federal agency from the standard records retention requirement.

(b) **DoD implementation.** A DoD Component’s general terms and conditions must inform recipients that they may be asked to transfer records, maintain them for joint use, or retain them for a longer period.

(c) **Award terms and conditions.** A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section D of OAR Article II.

§1136.225 Methods for collecting, transmitting, and storing information.

(a) **OMB guidance.** OMB guidance in 2 CFR 200.335 addresses the use of electronic and paper formats in the collection, transmission, and storage of information related to awards.

(b) **DoD implementation.** A DoD Component’s general terms and conditions must include provisions consistent with the guidance in 2 CFR 200.335 for recipients’ use of electronic and paper formats to collect, transmit, and store information.

(c) **Award terms and conditions.** A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section E of OAR Article II.
§1136.230 Access to records.

(a) OMB guidance. OMB guidance in 2 CFR 200.336 and 200.337 addresses Federal Government and public access to recipient records related to grants and cooperative agreements.

(b) DoD implementation. A DoD Component’s general terms and conditions must provide for Federal Government access to records consistent with 2 CFR 200.336 and address public access to records to implement the guidance in 2 CFR 200.337.

(c) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for Section F of OAR Article II.

Subpart C—Remedies and Termination (OAR Article III)

§1136.300 Purpose of OAR Article III.

OAR Article III addresses remedies for noncompliance, including suspension and termination of awards. It thereby implements OMB guidance in 2 CFR 200.338 through 200.340 and 200.342.

§1136.305 Content of OAR Article III.

(a) Requirement. A DoD Component’s general terms and conditions must specify remedies available for addressing
noncompliance with award terms and conditions, policies and procedures related to termination of awards, and effects of suspension and termination on allowability of costs.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix C to this part provides for OAR Article III.

Subpart D–Claims, Disputes, and Appeals (OAR Article IV)

§1136.400 Purpose of OAR Article IV.

OAR Article IV addresses claims, disputes, and appeals under awards. It thereby provides the award terms and conditions required by the DoDGARs at 32 CFR 22.815 and also implements OMB guidance in 2 CFR 200.341.

§1136.405 Content of OAR Article IV.

(a) Requirement. The DoDGARs at 32 CFR 22.815 require DoD Components’ general terms and conditions to incorporate the procedures set forth in that section for processing claims and disputes and deciding appeals of grants officer’s decisions.

(b) Award terms and conditions — (1) General. To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the
wording appendix D to this part provides for OAR Article IV, with wording inserted in lieu of the reserved paragraph A.2 to identify the Component’s cognizant Grant Appeal Authority and provide his or her mailing or e-mail address.

(2) Exception. A DoD Component may add one or more sections to the wording appendix D to this part provides for OAR Article IV to state a requirement that recipients must provide opportunities to subrecipients for hearings, appeals, or other administrative proceedings with respect to claims, disputes, remedies for noncompliance, or other matters if:

(i) That requirement is in a statute or regulation adopted in the Code of Federal Regulations after opportunity for public comment; and

(ii) The statutory or regulatory requirement applies to awards using the DoD Component’s general terms and conditions.

Subpart E—Collection of Amounts Due (OAR Article V)

§1136.500 Purpose of OAR Article V.

OAR Article V addresses procedures for establishing, appealing, and collecting debts under DoD awards. It thereby:
(a) Provides requirements for recipients paralleling those for DoD Components in the DoDGARs at 32 CFR 22.820;

(b) Augments requirements of OAR Article IV in any case in which a claim leads to a determination that a recipient owes an amount to DoD; and

(c) Implements OMB guidance in 2 CFR 200.345.

§1136.505 Content of OAR Article V.

(a) Requirement. A DoD Component’s general terms and conditions must specify how grants officers’ decisions establish debts under awards, when debts become delinquent, how and when recipients may appeal, and how debts not paid in a timely manner are referred for debt collection.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix E to this part provides for OAR Article V.
Subpart F–Closeout (OAR Article VI)

§1136.600 Purpose of OAR Article VI.

OAR Article VI addresses recipients’ responsibilities for closeout of awards and subawards under them. The article thereby implements OMB guidance in 2 CFR 200.343.

§1136.605 Content of OAR Article VI.

(a) Requirement. A DoD Component’s general terms and conditions must specify requirements related to closeout of awards and subawards, including recipients’ liquidations of obligations, refunds of unobligated balances, and submission of final reports.

(b) Award terms and conditions – (1) General. To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix F to this part provides for OAR Article VI.

(2) Exception related to due dates for final reports other than performance, financial, and invention reports. Consistent with OMB guidance in 2 CFR 200.343(a), a DoD Component may grant extensions to due dates for final reports.

(i) To pre-approve a 30-day extension for final reports other than performance, financial, and invention
reports, a DoD Component may substitute “120 calendar days” for “90 calendar days” in the wording appendix F to this part provides for paragraph C.4 of OAR Article VI. These pre-approved 30-day extensions in the general terms and conditions are for all awards using those terms and conditions; they therefore are separate and distinct from any additional extensions a recipient may later request for an individual award.

(ii) The parallel authorities for pre-approved extensions of due dates for final performance and invention reports are elsewhere. DoDGARs provisions in:

(A) 2 CFR 1134.125 authorize a DoD Component to pre-approve a 30-day extension for due dates of performance reports by an appropriate substitution of wording in REP Article I of the general terms and conditions.

(B) 2 CFR 1130.610 authorize a DoD Component to pre-approve a 30-day extension for due dates of final reports listing subject inventions under awards by an appropriate substitution of wording in PROP Article VI of the general terms and conditions.

(C) 2 CFR 1134.505 authorize a DoD Component to pre-approve a 30-day extension for due dates of
other types of final reports by inclusion of appropriate wording in REP Article V of the general terms and conditions.

Subpart G-Post-Closeout Adjustments and Continuing Responsibilities (OAR Article VII)

§1136.700 Purpose of OAR Article VII.

OAR Article VII addresses post-closeout funding adjustments and recipients’ continuing responsibilities after award closeout. It thereby implements OMB guidance in 2 CFR 200.344.

§1136.705 Content of OAR Article VII.

(a) Requirement. A DoD Component’s general terms and conditions must specify the rights and responsibilities of the Federal Government and recipients with respect to funding adjustments and recipients’ continuing responsibilities after award closeout.

(b) Award terms and conditions. To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix G to this part provides for OAR Article VII.
Appendix A to Part 1136—Terms and Conditions for OAR Article I, “Submitting and Maintaining Recipient Information”

Unless a DoD Component reserves Section B, as specified in §1136.105, a DoD Component’s general terms and conditions must use the following wording for OAR Article I.

OAR Article I. Submitting and maintaining recipient information. (DECEMBER 2014)

Section A. System for Award Management.

1. Unless you are exempted from this requirement in accordance with OMB guidance in 2 CFR 25.110, you must maintain the currency of information about yourself in the system the Federal Government specifies as the repository for information about its business partners (currently the System for Award Management (SAM)).

2. You must maintain the information in that system until you submit the final financial report required under this award or receive the final payment, whichever is later.

3. You must review and update the information at least annually after your initial registration in the system (unless you are subject to the requirements in Section
Section B. Reporting of Performance and Integrity Information.

1. General reporting requirement. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds $10,000,000 for any period of time during the period of performance of this award, then during that period of time you must maintain in SAM the currency of information required by paragraph B.2 of this section. Note that:

   a. This reporting is required under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313).

   b. As required by section 3010 of Public Law 111-212, all performance and integrity information posted in the designated information system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

   c. Recipient information is submitted to the OMB-designated integrity and performance system through
the SAM, as described in paragraph B.3 of this
section. The currently designated integrity and
performance information system is the Federal Awardee
Performance and Integrity Information System (FAPIIS).

2. Proceedings about which you must report. Submit
the information that the designated information system
requires about each proceeding that:

   a. Is in connection with the award or performance of
   a grant, cooperative agreement, or procurement
   contract from the Federal Government;

   b. Reached its final disposition during the most
   recent 5-year period; and

   c. Is one of the following:

      i. A criminal proceeding that resulted in a
      conviction, as defined in paragraph B.5. of this
      section;

      ii. A civil proceeding that resulted in a
      finding of fault and liability and payment of a
      monetary fine, penalty, reimbursement, restitution, or
      damages of $5,000 or more;
iii. An administrative proceeding, as defined in paragraph B.5. of this section, that resulted in a finding of fault and liability and your payment of either monetary fine or penalty of $5,000 or more or a reimbursement, restitution, or damages in excess of $100,000; or

iv. Any other criminal, civil, or administrative proceeding if:

(A) It could have led to an outcome described in paragraph B.2.c.i, ii, or iii of this section;

(B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(C) The requirement in this section to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting procedures. Submit the information required in paragraph B.2 of this section to the Entity Management functional area of the SAM.
a. Current procedures are to submit the information as part of the maintenance of your information in the SAM that Section A of this article requires.

b. You do not need to submit the information again under this award if you already reported current information to the SAM under another Federal grant, cooperative agreement, or procurement contract.

4. Reporting frequency. During any period of time when you are subject to the requirement in paragraph B.1 of this section, you must report to SAM at least semiannually following your initial report of any information required in paragraph B.2 of this section, either to provide new information not reported previously or affirm that there is no new information to report.

5. Definitions. For purposes of this section:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract
Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract, grant, or cooperative agreement. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. **Conviction** means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. **Total value of currently active grants, cooperative agreements, and procurement contracts** includes:

   i. Only the Federal share of the funding under any Federal agency award with a recipient cost share or match; and

   ii. The value of all expected funding increments and options, even if not yet exercised, under each Federal agency award.

**Section C. Disclosure of evidence of integrity-related issues.**
1. **Disclosure requirement.** At any time during the period of performance of this award, if you have evidence that a covered person committed a covered action (see paragraphs C.2 and C.3 of this section) that may affect this award, you must disclose the evidence in writing to the Office of the Inspector General, DoD, with a copy to the grants officer identified in the award cover pages.

2. **Covered person.** As the term is used in this section, “covered person” means a principal, employee, or agent of either you or a subrecipient under this award, where:

   a. “Principal” means:

      i. An officer, director, owner, partner, principal investigator, or other person with management or supervisory responsibilities that relate to this award; or

      ii. A consultant or other person, whether or not employed by you or a subrecipient or paid with funds under this award, who:

         (A) Is in a position to handle funds under this award;
(B) Is in a position to influence or control the use of those funds; or

(C) Occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the project or program under this award.

b. “Agent” means any individual who acts on behalf of, or who is authorized to commit you or the subrecipient, whether or not employed by you or the subrecipient.

3. **Covered action.** As the term is used in this section, “covered action” means a violation of Federal criminal law in Title 18 of the United States Code involving fraud, bribery, or a gratuity violation.

4. **Safeguarding of the information.**

   a. To the extent permitted by law and regulation, we will:

      i. Safeguard and treat information you disclose to us as confidential if you mark the information as “confidential” or “proprietary.”
ii. Not release the information to the public in response to a Freedom of Information Act (5 U.S.C. 552) request without notifying you in advance.

b. We may transfer documents you provide to us to any other department or agency within the Executive Branch of the Federal Government if the information relates to matters within that organization’s jurisdiction.

Appendix B to Part 1136—Terms and Conditions for OAR Article II, “Records Retention and Access”

Unless a DoD Component substitutes alternate wording in paragraph A.3, a DoD Component’s general terms and conditions must use the following wording for OAR Article II, as specified in §§1136.205 through 1136.230.

OAR Article II. Records retention and access. (DECEMBER 2014)

Section A. Records retention period. Except as provided in Sections B through D of this article:

1. You must keep records related to any real property and equipment acquired, in whole or in part, using
Federal funds under the award for 3 years after final disposition of the property. For any item of exempt property with a current fair market value greater than $5,000, and for which final disposition was not a condition of the title vesting, you must keep whatever records you need for as long as necessary to ensure that you can deduct the Federal share if you later use the property in contributions for cost sharing or matching purposes under any Federal award.

2. You must keep records related to rate proposals for indirect or facilities and administrative costs, cost allocation plans, and supporting records such as indirect cost rate computations and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback or composite fringe benefit rates) as follows:

   a. If you are required to submit a proposal, plan, or other computations to your Federal cognizant agency for indirect costs, as the basis for negotiation of a rate, you must keep the submissions and all supporting records for 3 years from the date on which you were required to make the submissions.
b. If you are not required to submit a proposal, plan, or other computation as the basis for negotiation, you must keep the proposal, plan, other computation, and supporting records for 3 years from the end of the fiscal year or other accounting period covered by the proposal, plan, or other computation.

3. You must keep other financial records, supporting documents, statistical records, and other records pertinent to this award for a period of 3 years from the date you submit your final financial report under the award.

Section B. Extensions of retention period due to litigation, claim, or audit.

1. If any litigation, claim, or audit begins before the end of the 3-year retention period specified in Section A of this article and the final action related to the litigation, claim, or audit is not taken before the end of that 3-year period, you must retain all records related to this award that may be involved in the litigation, claim, or audit until all findings involving the records have been resolved and final action taken.
2. We may disallow costs and recover funds under this award based on an audit or other review of records you elected to retain beyond the retention period required by this article, even if the audit or review begins after the end of the 3-year retention period specified in Section A of this article. Thus, the “retention period,” as that term is used in OMB guidance in 2 CFR 200.344(a)(1), is extended, as described in 2 CFR 200.333(b), to include the entire period during which we and our authorized representatives continue to have access to those records under paragraph F.2 of this article.

Section C. Records for program income earned after the end of the performance period. In accordance with Section F of FMS Article VII, there are no requirements under this award applicable to program income you earn after the end of the period of performance and therefore no associated records retention requirements.

Section D. Records for joint or long-term use.

1. Joint use. To avoid duplicate recordkeeping for records that you and we both need to use on a continuous basis, we may ask you to make special
arrangements with us, by mutual agreement, to make records available for joint and continuous use.

2. **Long-term use.** If we determine that some records will be needed longer than the 3-year period specified in Section A of this article, we may request that you either:

   a. Retain the records for a longer period of time;

   or

   b. Transfer the records to our custody for long-term retention.

3. **Retention requirements for transferred records.** For any records transferred to our custody, you are not subject to the records retention requirements in Section A of this article.

**Section E. Methods for collecting, transmitting, and storing information.**

1. You should, whenever practicable, collect, transmit, and store information related to this award in open and machine-readable formats rather than in closed formats or on paper. However, if you request it, we will:
a. Provide award related-information to you on paper; and

b. Accept award related-information from you on paper. In that case, we will not require more than an original and two copies.

2. When your original records are in an electronic form that cannot be altered, you do not need to create and retain paper copies of those records.

3. When your original records are on paper, you may substitute electronic versions produced through duplication or using other forms of electronic media, provided that:

   a. You conduct periodic quality control reviews of the records;

   b. You provide reasonable safeguards against alteration of the records; and

   c. The records remain readable.

Section F. Access to records.

1. Scope of Federal Government access rights.
a. We as the awarding agency, the Federal Government Inspectors General, the Comptroller General of the United States, and any of our authorized representatives have the right of access to any documents, papers, or other records you have that are pertinent to this award, in order to make audits, examinations, excerpts, and transcripts.

b. This right also includes timely and reasonable access to your personnel for the purposes of interview and discussion related to the records.

c. As described in OMB guidance at 2 CFR 200.336(b), the access to records described in this section will include access to the true name of a victim of a crime only under extraordinary and rare circumstances.

   i. You are required to provide that access only in response to a court order or subpoena pursuant to a bona fide confidential investigation, or in response to a request duly authorized by the head of the DoD Component or his or her designee; and

   ii. You must take appropriate steps to protect this sensitive information.
2. **Duration of Federal Government access rights.** We have the access rights described in paragraph F.1 of this section as long as you retain the records.

3. **Public access.**

   a. You must comply with requirements to protect information that Federal statute, Executive order, or regulation requires to be protected (e.g., personally identifiable or export controlled information), to include both information generated under this award and information provided to you and identified as being subject to protection. Other than those limitations on dissemination of information, we place no restrictions on you that limit public access to your records pertinent to this award.

   b. We do not place any requirements on you to permit public access to your records separate from any Federal, State, local, or tribal statute that may require you to do so.

   c. The Freedom of Information Act (FOIA, 5 U.S.C. 552) does not apply to records in your possession but records you provide to us generally will be subject to FOIA, with the applicable exemptions.
Appendix C to Part 1136—Terms and Conditions for OAR Article III, “Remedies and Termination”

As required by §1136.305, a DoD Component’s general terms and conditions must use the following wording for OAR Article III.

OAR Article III. Remedies and termination. (DECEMBER 2014)

Section A. Non-compliance with award terms and conditions. If you fail to comply with a term or condition of this award or an applicable Federal statute or regulation, we may amend this award to impose award-specific conditions, as described in OMB guidance in 2 CFR 200.207. If imposing award-specific conditions, we will notify you before modifying the award and, once you have corrected the non-compliance, promptly remove the award-specific conditions. If we determine that the imposition of award-specific conditions is insufficient to correct the non-compliance or the non-compliance remains uncorrected despite the use of award-specific conditions, we may consider taking one or more of the remedies specified in Section B of this article.
Section B. Remedies for noncompliance.

1. If you fail to comply with a term or condition of this award or an applicable Federal statute or regulation, we may take one or more of the following actions that we deem appropriate to the circumstances:

   a. Temporarily withhold cash payments pending:

      i. Your correction of the deficiency; or

      ii. Our taking more severe enforcement action.

   b. Disallow (that is, deny both use of funds and any applicable cost-sharing or matching credit for) all or part of the cost of the activity or action not in compliance;

   c. Suspend or, in accordance with paragraph C.1.a.i of this article, terminate this award, in whole or in part (suspension of an award is a separate and distinct action from suspension of a person under 2 CFR parts 180 and 1125, as noted in paragraph B.3 of this article);

   d. Withhold further awards to you for the project or program that is not in compliance;
e. Take any other action legally available to us under the circumstances.

2. You may raise an objection to our taking any remedy we take under paragraph B.1 of this section and will be given an opportunity to provide information and documentation challenging the action. The procedures are those specified in OAR Article IV for claims and disputes.

3. Our use of any remedy under paragraph B.1 of this section, including suspension or termination of the award, does not preclude our referring the noncompliance to a suspension and debarment official and asking that official to consider initiating a suspension or debarment action under 2 CFR part 1125, the DoD implementation of OMB guidance at 2 CFR part 180.

Section C. Termination.

1. This award may be terminated in whole or in part as follows:

   a. **Unilaterally by the Federal Government.** We will provide a notice of termination if we unilaterally
terminate this award in whole or in part, which we may do for either of the following reasons:

i. Your material failure to comply with the award terms and conditions. If we terminate the award for that reason, we will report the termination to the OMB-designated integrity and performance system (currently FAPIIS). In accordance with 41 U.S.C. §2313, each Federal awarding official must review and consider the information in the OMB-designated integrity and performance system with regard to any proposal or offer before awarding a grant or contract.

ii. The program office does not have funding for an upcoming increment if this award is incrementally funded. In that case, the Federal Government’s financial obligation does not exceed the amount currently obligated under the award.

b. By mutual agreement. With your consent, we may terminate this award, in whole or in part, for any reason. In that case, you and we must agree to:

i. The termination conditions, including the effective date; and
ii. In the case of a partial termination, the portion to be terminated.

c. **Unilaterally by the recipient.** You may unilaterally terminate this award, in whole or in part, by sending us written notification that states:

   i. The reasons for the termination;

   ii. The effective date; and

   iii. In the case of partial termination, the portion to be terminated. In that case, however, we may terminate the award in its entirety if we determine that the remaining portion of the award will not accomplish the purposes for which we made the award.

2. If this award is terminated in its entirety before the end of the performance period, you must complete the closeout actions for which you are responsible under OAR Article VI. The due date for each action is to be measured relative to the date of termination.

3. If this award is only partially terminated before the end of the performance period, with a reduced or modified portion of the award continuing through the
end of the performance period, then closeout actions will occur at the end of the performance period as specified in OAR Article VI.

4. You will continue to have all of the post-closeout responsibilities that OAR Article VII specifies for you if this award is wholly or partially terminated before the end of the performance period.

Section D. Effects of suspension or termination of the award on allowability of costs. If we suspend or terminate this award prior to the end of the period of performance, costs resulting from obligations that you incurred:

1. Before the effective date of the suspension or termination are allowable if:

   a. You properly incurred those obligations;

   b. You did not incur the obligations in anticipation of the suspension or termination;

   c. In the case of termination, the costs resulted from obligations that were noncancellable after the termination; and
d. The costs would have been allowable if we had not suspended or terminated the award and it had expired normally at the end of the period of performance.

2. During the suspension or after the termination are not allowable unless we expressly authorize them, either in the notice of suspension or termination or subsequently.

Appendix D to Part 1136—Terms and Conditions for OAR Article IV, “Claims, Disputes, and Appeals”

As specified in §1136.405, a DoD Component’s general terms and conditions must use the following wording for OAR Article IV, with the required insertion in paragraph A.2 of the article, along with any additional wording permitted by that section.

OAR Article IV. Claims, disputes, and appeals.

(DECEMBER 2014)

Section A. Definitions.

1. Claim. The definition of the term “claim,” as it is used in this article, is in the definitions section of the preamble to these general terms and conditions.

2. Grant Appeal Authority. [Reserved.]
Section B. Submission of claims.

1. Your claims. To submit a claim arising out of this award, you must submit it in writing to the grants officer for decision, specify the nature and basis for the relief you are requesting, and include all data that supports your claim.

2. Federal Government claims. You will receive a written grants officer’s decision if a DoD claim arises out of this award.

Section C. Alternative dispute resolution.

1. We encourage resolution of all issues related to this award by mutual agreement between you and the grants officer.

2. If you and the grants officer are unable to resolve an issue through unassisted negotiations, we encourage use of Alternative Dispute Resolution (ADR) procedures to try to do so. ADR procedures are any voluntary means, such as mini-trials or mediation, used to resolve issues in controversy. ADR procedures may be used prior to submission of a claim or at any other time prior to the Grant Appeal Authority’s decision on any appeal you submit.
Section D. Grants officer decisions for claims you submit.

1. Within 60 calendar days of receiving your claim, the grants officer will either:

   a. Transmit a written decision that:

      i. Identifies data on which the decision is based; and

      ii. Identifies and provides the mailing address for the Grant Appeal Authority to whom you would submit an appeal of the decision if you elect to do so; or

   b. If more time is required to render a written decision, notify you of a specific date when he or she will render the decision and inform you of the reason for delaying it.

2. The grants officer’s decision will be final unless you decide to appeal, in which case we encourage use of ADR procedures as noted in Section C of this article.

Section E. Formal administrative appeals.
1. **Right to appeal.** You have the right to appeal a grants officer’s decision to the Grant Appeal Authority identified in Section A of this article.

2. **Notice of appeal.** You may appeal a grants officer’s decision within 90 calendar days of receiving the decision by submitting a written notice of appeal to the Grant Appeal Authority and grants officer. If you elect to use ADR procedures, you are allowed an additional 60 calendar days to submit the written notice of appeal.

3. **Appeal file.** Within 30 calendar days of the grants officer’s receipt of your notice of appeal, you should receive the appeal file with copies of all documents relevant to the appeal. You may supplement the file with other documents you deem relevant and with a memorandum in support of your position for the Grant Appeal Authority’s consideration. The Grant Appeal Authority may request additional information from you.

4. **Decision.** Unless the Grant Appeal Authority decides to conduct fact-finding procedures or an oral hearing on the appeal, the appeal will be decided solely on the basis of the written record. Any fact-finding or
hearing will be conducted using procedures that the Grant Appeal Authority deems appropriate.

**Section F. Representation.** You may be represented by counsel or any other designated representative in any claim, appeal, or ADR proceeding, as long as the representative is not otherwise prohibited by law or regulation from appearing before the DoD Component concerned.

**Section G. Effect of Grant Appeal Authority’s decision.** The Grant Appeal Authority’s decision is the final administrative decision of DoD and cannot be further appealed within DoD.

**Section H. Non-exclusivity of remedies.** Nothing in this article is intended to limit your right to any remedy under the law.

---

**Appendix E to Part 1136—Terms and Conditions for OAR Article V, “Collection of Amounts Due”**

As required by §1136.505, a DoD Component’s general terms and conditions must use the following wording for OAR Article V.
OAR Article V. Collection of amounts due. (DECEMBER 2014)

Section A. Establishing a debt.

1. Any amount paid to you in excess of the amount to which you are determined to be entitled under the terms and conditions of this award constitutes a debt to the Federal Government.

2. A grants officer will attempt to resolve any claim of your indebtedness arising out of this award by mutual agreement.

3. If the grants officer fails to resolve the claim in that manner, you will receive a written notice of the grants officer’s decision formally determining the debt, as described in paragraph B.2 of OAR Article IV. The notice will describe the debt, including the amount, name and address of the official who determined the debt, and a copy of that official’s determination.

Section B. Debt delinquency and appeals.

1. Within 30 calendar days of the grants officer’s decision, you must either pay the amount owed to the
address provided in the written notice or inform the grants officer that you intend to appeal the decision. Appeal procedures are described in OAR Article IV.

2. If you elect not to appeal, any amounts not paid within 30 calendar days of the grants officer’s decision will be a delinquent debt.

3. If you elect to appeal the grants officer’s decision, you will have 90 calendar days after receipt of the grants officer’s decision to file your appeal unless Alternative Dispute Resolution (ADR) procedures are used, as described in section C of OAR Article IV, in which case you will have 150 calendar days.

Section C. Demand letter, interest, and debt collection.

1. If within 30 calendar days of the grants officer’s decision, you neither pay the amount due nor provide notice of your intent to appeal the grants officer’s decision, the grants officer will send you a demand letter identifying a payment office that will be responsible for any further debt collection activity.
2. If you do not pay by the due date specified in the written demand letter, the Federal Government may collect part or all of the debt by:

   a. Making an administrative offset against your requests for reimbursements under Federal awards;

   b. Withholding advance payments otherwise due to you; and

   c. Any other action permitted by Federal statute.

3. The debt will bear interest, and may include penalties and other administrative costs, in accordance with applicable provisions of the DoD Financial Management Regulation (DoD 7000.14-R), which implements the Federal Claims Collection Standards. The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Appendix F to Part 1136—Terms and Conditions for OAR Article VI, “Closeout”

As required by §1136.605, a DoD Component’s general terms and conditions must use the following wording for OAR Article VI but
may make a substitution in paragraph C.4 of the article as provided in that section.

OAR Article VI. Closeout. (DECEMBER 2014)

Section A. Liquidation of obligations. Unless the award administration office authorizes an extension of the due date, you must liquidate all obligations that you incurred under this award not later than 120 calendar days after the end date of the period of performance.

Section B. Refunds of unobligated balances. You must promptly refund to the award administration office any balances of unobligated cash that we have advanced or paid to you and not authorized you to use on other projects or programs.

Section C. Final reports. You must submit the:

1. Final performance report under this award no later than the date specified in Section C of REP Article I, subject to any extensions granted under Section D of that article;

2. Final financial report under this award no later than the date specified in Section C of REP Article
II, subject to any extensions granted under Section D of that article;

3. Final report listing subject inventions made under the award no later than the date specified in Section B of PROP Article VI; and

4. Other final reports that are required under this award no later than 90 calendar days after the end date of the period of performance, unless you request an extension of the due date and the award administration office approves the request.

Section D. Accounting for property. You must account for any real property, equipment, supplies, and intangible property that you and any subrecipients acquired or improved under the award, in accordance with PROP Articles I through IV and VI. Your requests for disposition instructions for any federally owned property, as required by PROP Article V, meet the need described in OMB guidance at 2 CFR 200.343(f) to account for that property at closeout.
As required by §1136.705, a DoD Component’s general terms and conditions must use the following wording for OAR Article VII.

OAR Article VII. Post-closeout adjustments and continuing responsibilities. (DECEMBER 2014)

Section A. Adjustments. The closeout of this award does not affect:

1. Our right to disallow costs and recover funds on the basis of a later audit or other review, as long as we make the determination that the costs are disallowed and notify you about that determination within the extended records retention period specified in paragraph B.2 of OAR Article II of these terms and conditions.

2. Your obligation to return any funds due to the Federal Government as a result of later refunds, corrections, or other transactions (to include any adjustments in final indirect cost rates).

Section B. Continuing responsibilities. After closeout of this award, you must continue to comply
with terms and conditions of this award that have applicability beyond closeout, including requirements concerning:

1. Audits, as specified in FMS Article V that cover periods of time during which you expended funds under this award.

2. Management, use, and disposition of any real property or equipment acquired or improved under this award in which we continue to have a Federal interest after closeout, as specified in PROP Articles I through IV.

3. Retention of, and access to, records related to this award, as specified in OAR Article II.

§1138.1 Purpose of this part.

(a) This part specifies standard wording of general terms and conditions concerning recipients’ award and administration of subawards under DoD grants and cooperative agreements.

(b) It thereby implements OMB guidance in Subparts A through F of 2 CFR part 200 and 2 CFR parts 25, 170, and 180, as they apply to subawards.
§1138.2  Applicability of this part.

The types of awards and entities to which this part and other parts in this subchapter apply are described in the subchapter overview at 2 CFR 1126.2.

§1138.3  Exceptions from requirements of this part.

Exceptions are permitted from the administrative requirements in this part only as described at 2 CFR 1126.3.

§1138.4  Organization of this part.

(a) The content of this part is organized into subparts and associated appendices.

(1) Each subpart provides direction to DoD Components on how to construct one article of general terms and conditions for grants and cooperative agreements.

(2) For each subpart, there is a corresponding appendix with standard wording for terms and conditions of the article addressed by the subpart. Terms and conditions address rights and responsibilities of the Federal Government and recipients.

(b) A DoD Component must use the wording provided in each appendix in accordance with the direction in the corresponding
subpart and the authorization in §1138.5, which permit a DoD Component to vary from the standard wording in some situations.

(c) Table 1 shows which article of general terms and conditions may be found in each of appendices A through L to this part (with the associated direction to DoD Components in Subparts A through L, respectively, as supplemented by the authorization in §1138.5):

§1138.5 Authority to omit or reserve portions of SUB Articles I through XII.

A DoD Component’s general terms and conditions may:

(a) Omit SUB Articles II through XII that are the subject of this part if the DoD Component does not allow recipients to make subawards under awards using those terms and conditions. The DoD Component also may amend SUB Article I in that case, to state the prohibition on making subawards and limit the
recipient’s responsibility to ensuring that any transaction it awards at the next tier is a procurement transaction.

(b) Reserve portions of SUB Articles I through XII that do not apply to the DoD Component’s awards using those terms and conditions. For example, the DoD Component may reserve paragraphs in SUB Articles IV through IX specifying administrative requirements that flow down solely to subawards to States if it determines that there is no possibility of a subaward to a State under any of the awards using its general terms and conditions. Similarly, it may reserve SUB Article XII if it does not permit any fixed-amount subawards under its awards.

Subpart A–Distinguishing Subawards and Procurements

(SUB Article I)

§1138.100 Purpose of SUB Article I.

SUB Article I specifies requirements for a recipient to determine whether each transaction it makes at the next tier below a DoD grant or cooperative agreement is a subaward or a procurement transaction. It thereby implements OMB guidance in 2 CFR 200.201(a) and 200.330.
§1138.105 Content of SUB Article I.

(a) Requirement. A DoD Component’s general terms and conditions must:

(1) Require the recipient to determine the nature of transactions it makes under its award; and

(2) Inform the recipient about the effect of that determination on the procedures for awarding the transaction and the transaction’s terms and conditions.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix A to this part provides for SUB Article I.

Subpart B—Pre-Award and Time of Award Responsibilities

(SUB Article II)

§1138.200 Purpose of SUB Article II.

SUB Article II specifies requirements concerning subrecipients’ unique entity identifiers and pre-award risk assessments. It also references requirements in REP Article IV to report on subawards and subrecipients’ executive compensation. It thereby partially implements OMB guidance in:

(a) 2 CFR parts 25 and 170;
(b) 2 CFR 200.207; 200.300(b), as it applies to subaward reporting; and 200.331(b); and

(c) Subpart C of 2 CFR part 180, as implemented by DoD at 2 CFR part 1125.

§1138.205 Content of SUB Article II.

(a) Requirement. A DoD Component’s general terms and conditions must require the recipient to:

(1) Obtain an entity’s unique entity identifier before making a subaward to the entity;

(2) Notify potential subrecipients in advance about that requirement; and

(3) Conduct a pre-award risk assessment of an entity before making a subaward to the entity and adjust subaward terms and conditions if warranted by the results of the assessment.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix B to this part provides for SUB Article II.
**Subpart C–Informational Content of Subawards (SUB Article III)**

§1138.300 Purpose of SUB Article III.

SUB Article III specifies information that recipients must include in subawards they make under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.331(a)(1).

§1138.305 Content of SUB Article III.

(a) Requirement. A DoD Component’s general terms and conditions must require recipients to include certain information items in each subaward they make.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix C to this part provides for SUB Article III.

**Subpart D–Financial and Program Management Requirements for Subawards (SUB Article IV)**

§1138.400 Purpose of SUB Article IV.

SUB Article IV specifies the financial and program management requirements that recipients must include in subawards they make under DoD grants and cooperative agreements.
It thereby implements OMB guidance in the following portions of 2 CFR part 200, as they apply to subawards:

(a) Sections 200.209 and 200.302 through 200.309; and
(b) Subparts E and F.

§1138.405 Content of SUB Article IV.

(a) Requirement. A DoD Component’s general terms and conditions must require recipients to include pertinent requirements concerning financial and program management in each subaward they make.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix D to this part provides for SUB Article IV.

Subpart E–Property Requirements for Subawards (SUB Article V)

§1138.500 Purposes of SUB Article V in relation to other articles.

(a) Purposes. SUB Article V specifies requirements concerning equipment, supplies, and real, intangible, and federally owned property that recipients must include in subawards they make under DoD grants and cooperative agreements. It thereby:
(1) Specifies which of the requirements in PROP Articles I through VI of the award flow down to subawards; and

(2) Implements OMB guidance in 2 CFR 200.310 through 200.316, as those sections apply to subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix E to this part provides as Section A of SUB Article V to inform recipients about the relationship between requirements for the recipient in PROP Articles I through VI and requirements for subawards in SUB Article V.

§1138.505 Title to property under subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify requirements related to title to property under subawards.

(b) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must use the wording appendix E to this part provides as Section B of SUB Article V to specify the requirements concerning title to property that recipients must include in their subawards.

(2) Exception. If a DoD Component has the necessary statutory authority to do so and includes provisions in
paragraph A.2 of PROP Article I to identify any property acquired under the award as exempt property, as described in 2 CFR 1130.105, the DoD Component may at its option insert wording in paragraph B.1.b of SUB Article V to allow recipients to pass through those provisions to subrecipients.

(i) It is critical, however, that the DoD Component ensures that the wording of paragraph B.1.b is consistent with the statutory authority.

(ii) For example, if the statutory authority is 31 U.S.C. 6306—as described in 2 CFR 1130.105(b)(2)(i)—the wording of paragraph B.1.b of SUB Article V may permit a recipient to flow down the substance of the exempt property provision in paragraph A.2 of PROP Article I only to a subrecipient that is a nonprofit institution of higher education or nonprofit organization whose primary purpose is conducting scientific research.

§1138.510 Property management system requirements for subawards.

(a) Requirement. A DoD Component’s general terms and conditions must address the standards for property management systems that apply to subawards.

(b) Award terms and conditions. To specify the property management system standards that recipients must include in
their subawards, a DoD Component’s general terms and conditions must use the wording appendix E to this part provides as Section C of SUB Article V.

§1138.515 Use and disposition of real property, equipment, supplies, and federally owned property under subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify the requirements concerning use and disposition of real property, equipment, supplies, and federally owned property that recipients must include in subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix E to this part provides for Sections D through F of SUB Article V.

§1138.520 Intangible property under subawards.

(a) Requirement. A DoD Component’s general terms and conditions must address the provisions concerning intangible property that recipients must include in subawards.

(b) Award terms and conditions – (1) General. To specify the intangible property provisions that recipients must include in their subawards, a DoD Component’s general terms and conditions must use the wording appendix E to this part provides as Section G of SUB Article V.
(2) Exception. A DoD Component’s general terms and conditions may delete the reference to “Section B of PROP Article VI” in the wording appendix E to this part provides for paragraph G.2 of SUB Article V and provide alternative wording if:

(i) Those general terms and conditions will be used in awards for purposes other than research or education, as described in 2 CFR 1130.610(c)(3); and

(ii) The DoD Component wants to specify that nonprofit and governmental recipients include either:

(A) No provisions concerning inventions in subawards to for-profit entities; or

(B) Provisions in subawards to for-profit entities that differ from those the DoD Component’s general terms and conditions specify for nonprofit and governmental recipients.

Subpart F–Procurement Procedures to Include in Subawards

(SUB Article VI)

§1138.600 Purpose of SUB Article VI.
SUB Article VI of the general terms and conditions specifies procurement provisions recipients must include in their subaward terms and conditions. It thereby:

(a) Specifies which of the requirements in PROC Articles I through III of the award flow down to subawards; and

(b) Implements OMB guidance in 2 CFR 200.317 through 200.326 and appendix II to 2 CFR part 200, as those portions of 2 CFR part 200 apply to subawards; and

(c) Partially implements OMB guidance in 2 CFR 200.205(d), 200.213, and 200.517, as those sections of 2 CFR part 200 apply to subawards.

§1138.605 Content of SUB Article VI.

(a) Requirement. A DoD Component’s general terms and conditions must specify that recipients’ subawards include requirements for subrecipients’ procurement procedures.

(b) Award terms and conditions. To specify the requirements for procurement procedures that a recipient must include in its subawards, a DoD Component’s general terms and conditions must use the wording appendix F to this part provides for SUB Article VI.
§1138.700 Purposes of SUB Article VII in relation to other articles.

(a) Purposes. SUB Article VII of the general terms and conditions specifies provisions concerning reporting that recipients must include in their subaward terms and conditions, as applicable. It thereby implements OMB guidance in the following sections of 2 CFR part 200, as they apply to subawards:

(1) 2 CFR 200.301 and 200.327 through 200.329; and

(2) 2 CFR 200.315(c), as it relates to invention reporting; and

(3) 2 CFR 200.343(a), as it relates to financial and performance reporting.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix G to this part provides as Section A of SUB Article VII to inform recipients about the relationship between requirements for the recipient in REP Articles I through III and requirements for subawards in SUB Article VII.
§1138.705 Performance reporting requirements for subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify performance reporting requirements for subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix G to this part provides as Section B of SUB Article VII to specify the performance reporting requirements that recipients must include in their subawards.

§1138.710 Financial reporting requirements for subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify financial reporting requirements for subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix G to this part provides for Section C of SUB Article VII to specify the financial reporting requirements that recipients must include in their subawards.
§1138.715 Reporting on property under subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify the requirements for reporting on property that recipients must include in their subawards.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix G to this part provides as Section D of SUB Article VII.

§1138.720 Other reporting under subawards.

(a) Requirement. A DoD Component’s general terms and conditions must specify any requirements for other reporting that recipients must include in their subawards.

(b) Award terms and conditions. To implement the requirement described in paragraph (a) of this section, a DoD Component’s general terms and conditions must:

(1) Include in Section E of SUB Article VII any reporting requirement included in REP Article V that may flow down to subrecipients, and

(2) Indicate whether the recipient must require the subrecipient to provide any specific information or can comply
by ensuring that the recipient meets its responsibilities to DoD.

Subpart H–Other Administrative Requirements for Subawards

(SUB Article VIII)

§1138.800 Purpose of SUB Article VIII.

SUB Article VIII of the general terms and conditions:

(a) Specifies provisions that a recipient must include in its subaward terms and conditions concerning submission and maintenance of subrecipient information; records retention and access; remedies and termination; disputes, hearings, and appeals; collection of amounts due; closeout; and post-closeout adjustments and continuing responsibilities.

(b) It thereby implements OMB guidance in 2 CFR 200.113 and 200.333 through 200.345, as those sections apply to subawards.

§1138.805 Content of SUB Article VIII.

(a) Requirement. A DoD Component’s general terms and conditions must specify the administrative requirements that a recipient must include in its subaward terms and conditions in areas covered by OAR Articles I through VII of the recipient’s prime award.
(b) **Award terms and conditions — (1) General.** To implement the requirement in paragraph (a) of this section, a DoD Component’s general terms and conditions must use the wording appendix H to this part provides for SUB Article VIII.

(2) **Exception.** A DoD Component’s general terms and conditions may add one or more sections to the wording that appendix H to this part provides for SUB Article VIII if the DoD Component added requirements to OAR Article IV of its general terms and conditions, in accordance with paragraph 2 CFR 1136.405(b)(2), because a statute or regulation requires recipients to provide opportunities to subrecipients for hearings, appeals, or other administrative proceedings with respect to claims, disputes, remedies for noncompliance, or other matters. The additional wording in SUB Article VIII would address the flow down to subrecipients of the added requirements in OAR Article IV.

**Subpart I-National Policy Requirements for Subawards**

**(SUB Article IX)**

$1138.900 Purpose of SUB Article IX.

SUB Article IX addresses national policy requirements that recipients must include in their subaward terms and conditions.
It thereby partially implements OMB guidance in 2 CFR 200.331(a)(2).

§1138.905 Content of SUB Article IX.

(a) Requirement. A DoD Component’s general terms and conditions must specify which of the national policy requirements in NP Articles I through IV of the award flow down to subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions:

(1) Must use the wording appendix B to this part provides for SUB Article IX if the DoD Component did not add, delete, or otherwise modify any of the wording that appendices A through D of 2 CFR part 1122 provided for NP Articles I through IV of the award (as permitted in accordance with DoDGARs provisions at 2 CFR 1122.115 and 1122.120).

(2) May make corresponding alterations to the wording appendix I to this part provides for SUB Article IX if the DoD Component did modify the wording of NP Articles I through IV, in order to conform the national policy requirements in SUB Article IX to the requirements in those modified articles.
Subpart J–Subrecipient Monitoring and Other Post-Award Administration (SUB Article X)

§1138.1000 Purpose of SUB Article X.

SUB Article X specifies the requirements for recipients’ monitoring of subrecipients and related post-award administration of subawards they make under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.331(d) through (h) and 2 CFR 200.340(a).

§1138.1005 Content of SUB Article X.

(a) Requirement. A DoD Component’s general terms and conditions must specify requirements for recipients’ monitoring of subrecipients and related post-award administration of subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix J to this part provides for SUB Article X of its general terms and conditions.
Subpart K–Requirements Concerning Subrecipients’ Lower-Tier Subawards (SUB Article XI)

§1138.1100 Purpose of SUB Article XI.

SUB Article XI specifies requirements that a recipient must include in any subaward under which it judges that the subrecipient may make lower-tier subawards. It thereby implements OMB guidance in 2 CFR 200.331(a) through (c) and other portions of 2 CFR part 200 as they apply to lower-tier subawards.

§1138.1105 Content of SUB Article XI.

(a) Requirement. A DoD Component’s general terms and conditions must address requirements that recipients must include in subawards to entities that may make lower-tier subawards.

(b) Award terms and conditions. A DoD Component’s general terms and conditions must use the wording appendix K to this part provides for SUB Article XI.
Subpart L–Fixed-Amount Subawards (SUB Article XII)

§1138.1200 Purpose of SUB Article XII.

SUB Article XII specifies policy and procedures concerning recipients’ use of fixed-amount subawards under DoD grants and cooperative agreements. It thereby implements OMB guidance in 2 CFR 200.201(b) and 200.332 and other portions of 2 CFR part 200 as they apply to fixed-amount subawards.

§1138.1205 Content of SUB Article XII.

(a) Requirement. A DoD Component’s general terms and conditions must address how a recipient may use a fixed-amount type of subaward, when it requires the Component’s prior approval to do so, and what requirements the recipient must include in those subawards.

(b) Award terms and conditions — (1) General. A DoD Component’s general terms and conditions must use the wording appendix L to this part provides for SUB Article XII.

(2) Exceptions.

(i) In addition to the authorities provided in §1138.5 to omit or reserve all or portions of the wording appendix L to this part provides for SUB Article XII, a DoD Component’s general terms and conditions may add wording to
Section B of the article to authorize recipients to use fixed-amount subawards without obtaining the Component’s prior approval in other situations for which it would be appropriate to do so, given the nature of the program or programs that use its general terms and conditions.

(ii) However, a DoD Component’s general terms and conditions should never authorize recipients’ use of fixed-amount subawards for basic or applied research, for the reason given in paragraph B.2.a.ii of the wording appendix L provides for SUB Article XII. It is unrealistic to have a subrecipient commit in advance to accomplishing specific, well-defined, and observable research outcomes. Doing so subjects the subrecipient to undue risk of not being reimbursed for research costs it incurred if it fails to fully accomplish the outcomes.

Appendix A to Part 1138—Terms and Conditions for SUB Article I, “Distinguishing Subawards and Procurements”

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article I.
SUB Article I. Distinguishing subawards and procurements. (DECEMBER 2014)

Section A. Required recipient determination. For each transaction into which you enter with another entity at the next tier below this award, you must determine whether the transaction is a subaward or a procurement.

Section B. Considerations in making the determination.

1. The primary purpose of the transaction between you and the other entity is the key factor you must use to determine whether the transaction is a subaward or a procurement.

   a. The transaction is a subaward and the other entity therefore a subrecipient if the transaction’s primary purpose is for you to transfer—for performance by the other entity—a portion of the substantive program for which we are providing financial assistance to you through this award. You will continue to be accountable to us for performance of the project or program under the award, including portions performed by any subrecipients.
b. The transaction is a procurement and the other entity therefore your contractor if the transaction’s primary purpose is for you to purchase goods or services that you need to perform the substantive program supported by this award. The distinction from a subaward is the contractor is not performing a portion of the substantive program as a result of the transaction.

2. What you call the transaction is not a factor in distinguishing a subaward from a procurement. If the transaction meets the criterion in paragraph B.1.a of this article, it is a subaward for purposes of the requirements of this award even if you call and consider the transaction a “contract.”

Section C. Effect of the determination on the next-tier transaction.

1. Process for awarding the transaction. One important consequence of your determining whether a next-tier transaction is a subaward or a procurement is that there are different requirements governing the pre-award and time of award processes that you use to award the transaction.
a. SUB Article II of this award specifies pre-award and time of award responsibilities for subawards.

b. PROC Articles I and II of this award govern pre-award and time of award processes for awarding procurement transactions.

2. Transaction terms and conditions. A second important consequence of your determining whether a next-tier transaction is a subaward or a procurement is that the terms and conditions you include in a subaward differ from those you include in a procurement transaction.

a. Section C of SUB Article II of this award addresses requirements you must include in subaward terms and conditions. Those requirements generally are either identical or directly related to requirements in the general terms and conditions of this award. They include national policy requirements as well as administrative requirements in areas such as financial and programmatic management, property administration, procurement, and reporting.
b. PROC Article III of this award lists requirements you must include in a procurement transaction when applicable to the procurement.

Appendix B to Part 1138—Terms and Conditions for SUB Article II, “Pre-Award and Time of Award Responsibilities”

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article II.

SUB Article II. Pre-award and time of award responsibilities. (DECEMBER 2014)

Section A. Requirements for unique entity identifiers.

1. Definition of “entity.” For purposes of the unique entity identifier requirements in paragraphs A.2 and 3 of this section, “entity” has the meaning given in paragraph C.3 of appendix A to OMB guidance in 2 CFR part 25.

2. Pre-notification of potential subrecipients. You must notify potential subrecipients that no entity may receive a subaward from you under this award unless it has provided its unique entity identifier to you.
3. **Restriction on making subawards.**

   a. **General.** You may not make a subaward to an entity unless the entity has provided its unique entity identifier to you.

   b. **Exception.** You may make a subaward to an entity that has not provided its unique entity identifier to you in rare cases in which you requested, and we approved, an exemption from the requirement for the entity to provide a unique entity identifier, based on the criteria in OMB guidance in 2 CFR part 25.110(d).

**Section B. Pre-award risk assessment.**

1. Before making a subaward to an entity, you must perform a risk assessment of the prospective subrecipient, as described in 2 CFR 200.331(b). OMB guidance in 2 CFR 200.205(c) provides examples of factors you may consider in evaluating risk.

2. As part of the risk assessment under paragraph B.1 of this article, you must:

   a. Verify that neither the prospective subrecipient nor its principals under the subaward are excluded or disqualified from participating in the transaction, in
accordance with requirements in Subpart C of OMB guidance in 2 CFR part 180, as implemented by DoD at 2 CFR part 1125; and

b. If warranted by risks you identify, determine whether to impose award-specific terms and conditions in the subaward to mitigate the risks.

i. These award-specific terms and conditions may be in addition to, or differ from, the terms and conditions that SUB Articles IV through IX of this award require you to include in subawards.

ii. They may include items such as those listed in OMB guidance in 2 CFR 200.207(b)(1) through (6).

iii. Your procedures for imposing and removing the additional or different requirements must comply with the procedural guidance in 2 CFR 200.207(c) and (d).

Section C. Subaward content.

1. Cost-type subawards.

a. SUB Article III of this award specifies informational content that you must include in each cost-type subaward.
b. SUB Articles IV through VIII specify administrative requirements that you must include:

   i. As applicable, in each cost-type subaward to:

      (A) A domestic U.S. entity (i.e., an entity other than a foreign public entity or a foreign organization); or

      (B) An organizational unit of a foreign organization if that unit has a place of business in the United States; and

   ii. To the maximum extent practicable in each cost-type subaward to either a foreign public entity or an organizational unit of a foreign organization that does not have a place of business in the United States (regardless of whether another organizational unit of that foreign organization has one). However, absent our prior approval, you may not allow that foreign entity or organization to acquire real property or equipment under a subaward.

c. SUB Article IX of this award specifies national policy requirements that you must include, as applicable, in each cost-type subaward.
2. **Fixed-amount type subawards.**

   a. Sections A through F of SUB Article III of this award specify informational content that you must include in each fixed-amount subaward.

   b. SUB Article IX of this award specifies national policy requirements that you must include, as applicable, in each fixed-amount subaward.

   c. Section D of SUB Article XII of this award specifies administrative requirements that you must include, as applicable, in any fixed-amount subaward to:

      i. A domestic U.S. entity (i.e., an entity other than a foreign public entity or a foreign organization); or

      ii. An organizational unit of a foreign organization if that unit has a place of business in the United States; and

      iii. To the maximum extent practicable to either a foreign public entity or an organizational unit of a foreign organization that does not have a place of business in the United States (regardless of
whether another organizational unit of that foreign organization has one). However, absent our prior approval, you may not allow that foreign entity or organization to acquire real property or equipment under a subaward.

3. **Additional subaward terms and conditions.** You may include other requirements in your subawards that you need in order to meet your responsibilities under this award for performance of the project or program (including portions performed by subrecipients) and compliance with applicable administrative and national policy requirements.

**Section D. Subaward and executive compensation reporting.** You must report subaward obligating actions and information on subrecipients’ executive compensation as required by REP Article IV of this award.

**Appendix C to Part 1138—Terms and Conditions for SUB Article III, “Informational Content of Subawards”**
Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article III.

**SUB Article III. Informational content of subawards.**

**(DECEMBER 2014)**

**Section A. Informational content in general.** You must include in each subaward (and each subsequent amendment to a subaward that alters the amount of the subaward) the information specified in OMB guidance in 2 CFR 200.331(a)(1), “Federal Award Identification,” with the clarifications provided in Sections B through G of this article.

**Section B. Federal award identification number and award date.** The “Federal Award Identification Number” and “Federal Award Date” described in 2 CFR 200.331(a)(1)(iii) and (iv), respectively, are the award number and award date for this award to you. You must provide the information in a way that makes it clear that the subaward is under this DoD award.

**Section C. Amount of Federal funds obligated.**

1. The “Amount of Federal Funds Obligated by this action by the pass-through entity to the subrecipient”
that is described in 2 CFR 200.331(a)(1)(vi) is either:

a. The amount of your obligation to the subrecipient, if the terms and conditions of this award do not require you to provide any cost sharing or matching for the project or program the award supports; or

b. The amount of the Federal share of your subaward obligation if this award does require cost sharing or matching, which in that case is the product of:

   i. The Federal share of total project costs under this DoD award to you, as a percentage of those total project costs; and

   ii. The total amount of project costs obligated for the subaward action.

2. Note that the total project costs of the award and subaward, as used in paragraphs C.1.b.i and ii of this section, include any cost sharing or matching that you or the subrecipient provides if you are counting it toward the cost sharing or matching required under this award.
Section D. Total amount obligated to the subrecipient.
The “Total Amount of Federal Funds Obligated to the Subrecipient by the pass-through entity including the current obligation,” as described in 2 CFR 200.331(a)(1)(vii), is the cumulative amount to date of the amounts described in Section C of this article.

Section E. Total Amount of the Federal Award. The “Total Amount of the Federal Award committed to the subrecipient by the pass-through entity,” as described in 2 CFR 200.331(a)(1)(viii), is the total amount through the end of the subaward that you and the subrecipient mutually agreed upon, to include: funding obligated to date, any future anticipated funding increments, and any options you may exercise in the future.

Section F. Federal awarding agency, pass-through entity, and awarding official. The “Name of Federal awarding agency” and “pass-through entity,” as those terms are used in 2 CFR 200.331(a)(1)(x) are the DoD and the business name associated with your registration in SAM. In that same paragraph of 2 CFR part 200, the “awarding official” is the individual in your organization who made the subaward.
Section G. Indirect cost rate. With respect to the requirement in 2 CFR 200.331(a)(1)(xiii) for the subaward to include the “Indirect cost rate for the Federal award:"

1. This requirement applies to cost-type subawards only.

2. The rate the subaward must include is the subrecipient’s rate, whether it is a rate set by negotiation with a Federal agency or you or is the de minimis rate described in 2 CFR 200.414(f).

3. You are required to include the indirect cost rate only if the subrecipient is willing to share that information with you and assents that information about its rate is not proprietary. If a subrecipient is not willing to share information about its indirect cost rate with you, consult the grants officer for this award to explore alternative ways to assess the reasonableness of costs of the subaward.

Appendix D to Part 1138—Terms and Conditions for SUB Article IV, “Financial and Program Management Requirements for Subawards”
Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article IV.

**SUB Article IV. Financial and program management requirements for subawards. (DECEMBER 2014)**

**Section A. Purposes of this article in relation to other articles.**

1. This article specifies administrative requirements concerning financial and program management that you must include in the terms and conditions of each cost-type subaward that you make under this award to a domestic entity.

2. It thereby addresses the flow down to subrecipients of requirements with which you must comply under FMS Articles I through VII of this award.

3. SUB Article XII of this award addresses which of these administrative requirements you must include in any fixed-amount subaward that you make, if you are authorized to make fixed-amount subawards under this award.
Section B. Financial management system standards. You must include in any subaward you make under this award the requirements of:

1. Sections A through C of FMS Article I of this award if the subrecipient is a State;

2. Sections B and C of FMS Article I if the subrecipient is an institution of higher education, nonprofit organization, local government, or Indian tribe; or

3. 32 CFR 34.11 if the subrecipient is a for-profit entity.

Section C. Payments.

1. Subawards to States. You must include the provisions of Section A of FMS Article II of this award in each subaward you make to a State;

2. Subawards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes. The following paragraphs specify requirements you must include in subawards to institutions of higher education, nonprofit organizations, local governments, and Indian tribes.
a. **Payment method.**

i. If you are authorized to request advance payments under this award, you must authorize a subrecipient to request advance payments unless:

   (A) The subrecipient does not maintain, or demonstrate the willingness to maintain, written procedures that minimize the time elapsing between its receipt of each payment and its disbursement of the funds for project or program purposes;

   (B) You impose a requirement for the subrecipient to be paid by reimbursement as a result of your risk evaluation of the subrecipient under SUB Article II of this award.

   (C) The subaward is for construction.

ii. If you do not authorize advance payments for one of the reasons given in paragraph C.2.a.i of this article, you must specify either reimbursement or working capital advances as the payment method in accordance with OMB guidance in 2 CFR 200.305(b)(3) and (4).

b. **Payment timing and amount.**
i. **Advances.** You must limit advance payments to the minimum amounts needed and time the payments to be in accordance with the subrecipient’s actual, immediate cash requirements in carrying out the project or program under the subaward. The timing and amount of your advance payments to the subrecipient must be as close as is administratively feasible to the subrecipient’s actual disbursements for direct project costs and the proportionate share of any allowable indirect costs. Your subawards also must include the requirements of paragraphs B.2.b and c of FMS Article II to specify costs subrecipients must exclude from amounts of their advance payment requests.

ii. **Reimbursements or working capital advances.** You must follow OMB guidance in 2 CFR 200.305(b)(3) and (4) concerning timing and amount of reimbursements or working capital advances.

c. **Frequency of requests.** You must allow the subrecipient to request advance payments or reimbursements, including those associated with the working capital advance payment method, as often as it
wishes if you pay using electronic funds transfers and at least monthly otherwise.

d. Other requirements.

i. In any subaward that was subject to our consent, you must include the requirements of paragraph B.5 of FMS Article II of this award concerning withholding of payments.

ii. You must include the provisions of paragraph B.6 of FMS Article II concerning depositories in each subaward that authorizes the subrecipient to request advance payments.

3. Subawards to for-profit entities. The provision concerning payments in each subaward you make to a for-profit entity must conform to the requirements in 32 CFR 34.12.

Section D. Allowable costs, period of availability of funds, and fee and profit.

1. You must include in each cost-type subaward a requirement that the allowability of costs under the subaward (and any lower-tier subawards or procurement transactions into which the subrecipient enters) must
be determined in accordance with the applicable cost principles identified in Section A of FMS Article III of this award, as well as the clarification in Section B of that article if it applies to those cost principles.

2. You must specify in each subaward the period of availability of funds for any project or program purpose so that the period neither begins before nor ends after the period during which you may use funds available to you under this award for that same project or program purpose.

3. You must include in each subaward the provisions concerning fee or profit that are in Section D of FMS Article III of this award.

**Section E. Revision of budget and program plans.** You must include in each subaward provisions requiring the subrecipient to request your approval for any change in the subaward budget or program that would cause a budget or program change under this award for which Section B of FMS Article IV requires you to first obtain our prior approval. You may not approve any budget or program revision that is inconsistent with the purpose or terms and conditions of this award.
Section F. Non-Federal audits. You must include a provision in each subaward that you make under this award to require the subrecipient entity to comply with the audit requirements applicable to that entity, as specified in either Section A or Section B of FMS Article V.

Section G. Cost sharing or matching requirements. If you make a subaward under which the subrecipient may provide contributions or donations of cash or third-party in-kind contributions to be counted toward any cost sharing or matching that is required under this award, you must include provisions in that subaward to specify:

1. The criteria governing the allowability as cost sharing or matching of the types of cash or third-party in-kind contributions that the subrecipient may contribute or donate. Those criteria are specified in:

   a. Sections B through D of FMS Article VI of this award if the subaward is to a State, institution of higher education, nonprofit organization, local government, or Indian tribe.
b. The provisions of 32 CFR 34.13(a) if the subaward is to a for-profit entity.

2. The methods for determining and documenting the values of those contributions or donations to be counted as cost sharing or matching. Those methods are specified in:

   a. Sections E and F of FMS Article VI of this award if the subaward is to a State, institution of higher education, nonprofit organization, local government, or Indian tribe.

   b. The provisions of 32 CFR 34.13(b) if the subaward is to a for-profit entity.

**Section H. Program income.** You must include requirements concerning program income in subawards, as follows:

1. In each subaward to a State, institution of higher education, nonprofit organization, local government, or Indian tribe:

   a. You must require the subrecipient to account to you when it earns any program income under the subaward or uses it, so that you can prepare reports
you are required to submit to us. If the award-specific terms and conditions of this award require you to account for program income earned after the period of performance, you must include a corresponding requirement in your subawards.

b. You must include the provisions of Sections A through D of FMS Article VII of this award.

c. You may specify the deduction, addition, or cost-sharing or matching alternative—described in 2 CFR 1128.720(b)—or a combination of those alternatives, for the subrecipient’s use of any program income it earns. However, you still must comply with the alternative specified in Section E of FMS Article VII and any applicable award-specific terms and conditions for the total amount of program income earned, which includes amounts earned by you and your subrecipients. For example, if we require you to use the deduction alternative, you may authorize a subrecipient to use the addition alternative if you reduce the funding allocated for portions of the project or program that you or other subrecipients perform to make the required reduction in the total award amount.
2. In each subaward to a for-profit entity, you must include the provisions of 32 CFR 34.14, with the appropriate method specified for disposition of program income.

Appendix E to Part 1138—Terms and Conditions for SUB Article V, “Property Requirements for Subawards”

Unless modified as provided in §§1138.5 or either or both of the exceptions in §§1138.505 and §§1138.520 are applied, a DoD Component’s general terms and conditions must use the following wording for SUB Article V (as specified in §§1138.500 through 1138.520).

Appendix H to Part 1138—Terms and Conditions for SUB Article VIII, “Other Administrative Requirements for Subawards”

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for
SUB Article VIII, as specified in §1138.805, but may add a section(s), as appropriate.

SUB Article VIII. Other administrative requirements for subawards. (DECEMBER 2014)

Section A. Purposes of this article in relation to other articles.

1. This article specifies other administrative requirements that you either must or should include in the terms and conditions of each cost-type subaward that you make under this award.

2. It thereby addresses the flow down to subrecipients of requirements with which you must comply under OAR Articles I through VII of this award.

3. SUB Article XII of this award addresses which of these administrative requirements you must include in any fixed-amount subaward that you make, if you are authorized to make fixed-amount subawards under this award.

Section B. Submission and maintenance of subrecipient information. You must include the substance of the provision in Section C of OAR Article I in any

must require the subrecipient’s disclosure of any
evidence directly to the Inspector General, DoD.

Section C. Records retention and access. In each
subaward you make under this award:

1. If the subaward is to an institution of higher
education, nonprofit organization, State, local
government, or Indian tribe:

   a. You must include the requirements of Section A of
      OAR Article II with the additional condition that, for
      any subrecipient under this award that does not have a
      federally approved rate for indirect or facilities and
      administrative costs and that does not use the de
      minimis rate described in 2 CFR 200.414(f), you must:

         i. Require the subrecipient to keep records
            that support its indirect or facilities and
            administrative costs charged to the subaward for 3
            years from the end of the fiscal year (or other
            accounting period) to which the costs apply; and

         ii. Keep any plan or computation the
            subrecipient submits to you to serve as a basis for
            your determining the reasonableness and allowability
of indirect or facilities and administrative costs of the subaward, for 3 years from the end of the fiscal year (or other accounting period) to which the proposal, plan, or computation applies.

b. You must include the requirements of Sections B, C, and F of OAR Article II.

c. You must include provisions that enable you to comply with the requirements of Section D of OAR Article II concerning records for joint or long-term use.

d. You must include provisions that establish the same rights and responsibilities for the subrecipient under the subaward that Section E of OAR Article II establishes for you under this award.

e. You may not impose any other record retention or access requirements on the subrecipient.

2. If the subaward is to a for-profit entity, you must include the records retention and access provisions of 32 CFR 34.42.

Section D. Remedies and termination. The terms and conditions of each subaward you make under this award
should specify your rights and responsibilities and those of the subrecipient if you take a remedial action to address a subrecipient’s noncompliance with an applicable Federal statute or regulation or the terms and conditions of your subaward. Each subaward’s terms and conditions should:

1. Identify remedial actions you may take to address the subrecipient’s noncompliance. Available remedies are described in:

   a. OMB guidance in 2 CFR 200.338 for a subaward to an institution of higher education, nonprofit organization, State, local government, or Indian tribe; and

   b. 32 CFR 34.52 for a subaward to a for-profit entity.

2. With respect to termination specifically:

   a. Identify conditions under which you, the subrecipient, or both (by mutual agreement) may terminate the subaward, in whole or in part, as described in:
i. OMB guidance in 2 CFR 200.339(a) for a subaward to an institution of higher education, nonprofit organization, State, local government, or Indian tribe; and

ii. 32 CFR 34.51 for a subaward to a for-profit entity.

b. Inform the subrecipient that you will provide it with a notice of termination if you unilaterally terminate the award.

c. Specify that you and the subrecipient remain responsible for applicable requirements addressed in Sections G and H of this article concerning closeout, post-closeout adjustments, and continuing responsibilities.

3. With respect to either suspension or termination of the subaward, inform the subrecipient about the criteria that you will use to either allow or disallow subaward costs, which are in:

a. Section D of OAR Article III for a subaward to an institution of higher education, nonprofit organization, State, local government, or Indian tribe; and
b. 32 CFR 34.52(c) for a subaward to a for-profit entity.

Section E. Disputes, hearings, and appeals. Each subaward’s terms and conditions should specify any rights the subrecipient has to a hearing, appeal, or other administrative proceeding if it disputes a decision you render in administering its subaward. You must comply with any statute or regulation that affords the subrecipient an opportunity for a hearing, appeal, or other administrative proceeding and is applicable to the dispute.

Section F. Collection of amounts due. Although your subaward terms and conditions do not need to include any of the requirements of OAR Article V because those requirements do not flow down to subrecipients, you should consider including provisions to specify what you would need from the subrecipient if you owed a debt to the Federal Government under this award that is related to its subaward.

Section G. Closeout.

1. In each subaward that you make to an institution of higher education, nonprofit organization, State, local
government, or Indian tribe, you must include provisions to require the subrecipient to:

a. Liquidate all obligations that it incurred under the subaward not later than 90 calendar days after the end date of the period of performance of either the subaward or this award, whichever is earlier, unless you grant an extension.

b. Promptly refund to you any balances of unobligated cash that you advanced or paid to the subrecipient, unless you received authorization from the DoD award administration office for the subrecipient’s use of those funds on other projects or programs.

c. Submit to you:

i. Any information you need from the subrecipient to meet your responsibilities to us for an accounting of property, under Section D of OAR Article VI; and

ii. Not later than 90 calendar days after the end date of the period of performance of this award, unless you grant the subrecipient an extension, any information you need to meet your responsibilities to
us for final reports, under Section C of OAR Article VI.

2. In each subaward that you make to a for-profit entity, you must include the terms and conditions that you deem necessary for you to be able to comply with the requirements in OAR Article VI.

**Section H. Post-closeout adjustments and continuing responsibilities.**

You must include provisions in each subaward to require the subrecipient to provide what you need in order to comply with the requirements of OAR Article VII.

**Appendix I to Part 1138—Terms and Conditions for SUB Article IX, “National Policy Requirements for Subawards”**

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article IX, as specified in §1138.905, or may modify the wording of the article, consistent with the Component’s treatment of NP Articles I through IV in those terms and conditions.
SUB Article IX. National policy requirements for subawards. (DECEMBER 2014)

Section A. General.

1. You must include provisions in the terms and conditions of each subaward you make, whether cost-type or fixed-amount type, to require the subrecipient entity’s compliance with each of the national policy requirements in Sections B through E of this article that you determine is applicable, given the type of entity receiving the subaward and activities it will be carrying out under the subaward.

2. If an entity to which you are about to make a subaward will not accept an award provision requiring its compliance with a national policy requirement that you determine to be applicable, you must alert the award administration office immediately. You may not omit an applicable national policy requirement in order to make the subaward.

3. If at any time during the performance of a subaward, you learn that—or receive a credible allegation that—the subrecipient is not complying with an applicable national policy requirement, you
must alert the award administration office immediately.

Section B. Nondiscrimination national policy requirements. You must include provisions in each subaward to require the subrecipient’s compliance with the nondiscrimination national policy requirements specified in paragraphs A.1 through A.5 of NP Article I, as applicable.

Section C. Environmental national policy requirements. You must include provisions in each subaward to require that:

1. The subrecipient comply with all applicable Federal environmental laws and regulations, including those specified in paragraphs A.2, A.3, A.5, and A.6 of NP Article II, as applicable.

2. Provide any information you need, when you need it, in order to comply with the requirement to immediately notify us of potential environmental impacts specified in paragraphs A.4, A.5, and A.6 of NP Article II, as applicable, due to activities under the award (which includes subaward activities).

Section D. National policy requirements concerning
live organisms. You must include provisions in each subaward to require the subrecipient’s compliance with the national policy requirements concerning human subjects and animals that are specified in paragraphs A.1 and A.2 of NP Article III, as applicable.

Section E. Other national policy requirements. You must include provisions in each subaward to require the subrecipient’s compliance with the national policy requirements in the following portions of NP Article IV of this award, as applicable:

1. Paragraph A.1.
2. Paragraphs A.3.a and b.

Appendix J to Part 1138—Terms and Conditions for SUB Article X, “Subrecipient Monitoring and Other Post-Award Administration”

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article X.
Section A. General requirement for subrecipient monitoring. You must do the post-award monitoring of the subrecipient’s activities under each subaward that is needed in order for you to ensure that:

1. The subrecipient carries out the portion of the substantive project or program under this award.

2. The subrecipient is using funds under the subaward (including any cost sharing or matching the subrecipient provides that is counted as project costs in the approved budget of this award) for authorized purposes.

3. The subrecipient’s performance under the subaward is in compliance with applicable Federal statutes and regulations, and the terms and conditions of your subaward.

Section B. Subrecipient monitoring actions.

1. Required monitoring actions under cost-type subawards. You must, as part of your post-award monitoring of each subrecipient:
a. Review the financial and programmatic information that your subaward terms and conditions require the subrecipient to provide, in accordance with Sections B and C of SUB Article VII of this award.

b. Follow up and ensure that the subrecipient takes timely and appropriate action to remedy deficiencies detected through any means, including audits and on-site reviews.

c. With respect to audits of subrecipients that are required under FMS Article V of this award:

   i. Verify that the subrecipient is audited in accordance with those requirements, as applicable (note that Section F of SUB Article IV requires you to include those audit requirements for the subrecipient in the subaward’s terms and conditions).

   ii. Resolve and issue a management decision for audit findings that pertain to your subaward. Doing so is a requirement under either Section A or B of FMS Article V of this award (Section B requires that explicitly and Section A does so by implementing OMB guidance in 2 CFR 200.521, as well as other portions of Subpart F of that part).
iii. Consider whether you need to adjust your own records related to this award based on results of audits, on-site reviews or other monitoring of the subrecipient and, as applicable, notify the award administration office.

2. Other monitoring actions. OMB guidance in 2 CFR 200.331(e)(1) through (3) describes other actions that may be useful as part of your subrecipient monitoring program, depending on the outcomes of the pre-award risk assessment you conducted in accordance with Section B of SUB Article II.

Section C. Remedies and subaward suspension or termination. With respect to any subaward under this award, you must:

1. Consider whether you need to take any remedial action if you determine that the subrecipient is noncompliant with an applicable Federal statute or regulation or the terms and conditions of your subaward, as described in Section D of SUB Article VIII.
2. Provide a notice of termination to the subrecipient if you terminate its subaward unilaterally for any reason prior to the end of the period of performance.

3. In the case of suspension or termination of a subaward prior to the end of the period of performance, allow or disallow subaward costs in accordance with Section D of OAR Article III.

**Section D. Subaward closeout.**

1. You will close out each subaward when you either:

   a. Determine that the subrecipient has completed its programmatic performance under the subaward and all applicable administrative actions; or

   b. Terminate the subaward, if you do so prior to the end of the subaward’s period of performance.

2. With respect to the closeout of each subaward:

   a. You must pay the subrecipient promptly for allowable and reimbursable costs.

   b. Consistent with the terms and conditions of the subaward, you must make a settlement for any upward or downward adjustments to the Federal share of costs.
after you receive the information you need from the subrecipient to close out the subaward.

c. You should complete the closeout of the subaward no later than one year after you receive and accept the final reports and other information from the subrecipient that you need to close out the subaward.

Appendix K to Part 1138—Terms and Conditions for SUB Article XI, “Requirements Concerning Subrecipients’ Lower-Tier Subawards”

Unless modified as provided in §1138.5, a DoD Component’s general terms and conditions must use the following wording for SUB Article XI.

SUB Article XI. Requirements concerning subrecipients’ lower-tier subawards. (DECEMBER 2014)

Section A. Purpose. This article specifies requirements you must include in any cost-type subaward under which you determine that the subrecipient of your subaward may make lower-tier cost-type subawards to other entities. Paragraph G.1 of SUB Article XII specifies requirements related to fixed-amount type subawards at lower tiers.
Section B. Requirements for lower-tier subawards.

Your cost-type subaward terms and conditions must require your subrecipient, with respect to each lower-tier cost-type subaward that it makes, to:

1. Ensure that the lower-tier transaction is a subaward, rather than a procurement, by making the determination that SUB Article I of this award requires you to make for your subawards.

2. Conduct the pre-award risk assessment of its intended subrecipient that Section B of SUB Article II of this award requires you to make for your subawards.

3. Include in any cost-type subaward it makes at the next tier:
   
   a. The informational content that SUB Article III specifies;
   
   b. The administrative requirements that SUB Articles IV through VIII of this award specify;
   
   c. The national policy requirements that SUB Article IX of this award specifies, as applicable; and
The requirements of this article if the next-tier subrecipient may make even lower-tier cost-type subawards to other entities.

4. Carry out the subrecipient monitoring and other post-award administration responsibilities specified in SUB Article X of this award.

Appendix L to Part 1138—Terms and Conditions for SUB Article XII, “Fixed-Amount Subawards”

Unless modified as provided in §1138.5 or 1138.1205, a DoD Component’s general terms and conditions must use the following wording for SUB Article XII.

SUB Article XII. Fixed-amount subawards. (DECEMBER 2014)

Section A. Limitations on use.

1. You may not use a fixed-amount subaward:

   a. If the total value over the life of the subaward will exceed the simplified acquisition threshold.

   b. Unless the project or program scope is specific, with definite outcomes, and you are able to establish
a reasonable estimate of the actual costs of accomplishing those outcomes.

c. If you will predetermine a set amount or percentage of cost sharing or matching that the subrecipient must provide under the subaward.

d. If the subrecipient will acquire any real property or equipment under the subaward.

2. For fixed-amount subawards not prohibited by paragraph 1 of this section and except as provided in Section B of this article, you must obtain our prior approval before making a fixed-amount type of subaward.

   a. If Section B of FMS Article IV requires you to obtain our prior approval before you make any subaward, and you do not identify the subaward as a fixed-amount subaward when you obtain that approval, then you must subsequently request separate approval before awarding it as a fixed-amount type of subaward.

   b. If a subaward is identified as a fixed-amount type of subaward in the budget you submit for our approval, then our approval of the budget is the required prior approval.
Section B. Fixed-amount subawards that do not require prior approval. You are not required to obtain our prior approval before using a fixed-amount type of subaward if:

1. The subaward is to either:
   a. A foreign public entity; or
   b. An organizational unit of a foreign organization, if that unit does not have a place of business in the United States, regardless of whether another organizational unit of that foreign organization has one.

2. You determine that the portion of the project or program under this award which the subrecipient will be carrying out under the subaward has one or more specific outcomes with the following characteristics:
   a. You can define the outcomes well enough to specify them at the time you make the subaward. Note that:
      i. Outcomes are distinct from inputs needed to achieve the outcomes, such as amounts or percentages
of time that subrecipient employees or other participants will spend on the project or program.

   ii. The inherently unpredictable nature of basic or applied research makes it rarely, if ever, possible to define specific research outcomes in advance, which makes fixed-amount subawards inappropriate for research. Note that technical performance reports serve to document research outcomes but are not themselves outcomes, notwithstanding the definition of “performance goals” in OMB guidance at 2 CFR 200.76.

   b. The accomplishment of each outcome will be observable and verifiable by you when it occurs, so that you will not need to rely solely on the subrecipient’s assurance of that accomplishment.

   c. The subrecipient associates its estimated costs with outcomes in the proposal it submits to you, and you are confident that the costs of accomplishment of the outcomes will equal or exceed the subaward amount. This requires either that you have a high degree of confidence:
i. In your estimate of the costs associated with accomplishing the well-defined and observable outcomes, based on the prospective subrecipient’s proposal (and using the applicable cost principles in FMS Article III as a guide); or

ii. That those costs will be within a finite range, rather than a specific amount, so that you may provide an amount of funding under the subaward that does not exceed the lower end of the range, with the provision that the subrecipient agrees to provide any balance above that amount that ultimately is needed to accomplish the outcomes. Your subaward then would include a term or condition to reflect the subrecipient’s agreement to provide that balance (which would be in an amount to be post-determined, when the outcomes are accomplished). Note that this is distinct from a situation in which you predetermine a set amount or percentage of cost sharing or matching that the subrecipient must provide under its subaward, a situation in which paragraph A.1.c of this article prohibits use of a fixed-amount subaward.
3. a. The subaward is based on a fixed rate per unit of outcome (or "unit cost") and you have both the confidence:

   i. That is described in paragraph B.2.c of this article in the estimated costs associated with each unit of outcome; and

   ii. In the subrecipient’s guarantee that it can accomplish at least the number of units of outcome on which your total subaward amount will be based (i.e., the product of the unit cost and the number of units of outcome the subrecipient guarantees to accomplish).

b. Note, however, that not every fixed rate subaward is also a fixed-amount subaward. If you have confidence in the unit cost but not also in the subrecipient’s ability to guarantee the number of units of outcome that it will accomplish, then you should set a not-to-exceed award amount based on the number of units desired and reduce the subaward amount at the end if the subrecipient accomplishes fewer than that number. Examples of activities for which it may be appropriate to award this type of fixed rate subaward that is not a fixed-amount subaward include:
i. A clinical trial for which the unit cost is the cost of treating each participant. The not-to-exceed amount would be based on the number of participants the subrecipient planned to recruit and the final award on the number who actually participated, documentation for which would be subject to audit.

ii. Labor costs for performance of a portion of the project or program under this award by a for-profit entity that treats its indirect cost rate as proprietary information. The unit cost in that case may be “loaded” labor rates for the entity’s employees that include indirect costs. The final award amount would depend on the number of labor hours the entity’s employees expended under the subaward, documentation for which may be audited without exposing proprietary details associated with the actual costs.

**Section C. Informational content of fixed-amount subawards.** You must include in each fixed-amount subaward the informational content, other than the indirect cost rate, that is described in SUB Article III of this award.
Section D. Terms and conditions addressing administrative requirements.

1. General. This section:

   a. Specifies the minimum set of terms and conditions (in lieu of the more extensive set specified in SUB Articles IV through X for cost-type subawards) addressing administrative requirements that you must include in each fixed-amount subaward:

      i. To an entity other than a foreign organization, as applicable; and

      ii. To the maximum extent practicable, to a foreign organization.

   b. Does not preclude the inclusion of other requirements that you need in order to meet your responsibilities under this award for performance of the project or program and compliance with applicable administrative and national policy requirements.

2. Financial and program management requirements.

   a. Financial management system standards. For a subaward to other than a for-profit entity, your subaward must require the subrecipient to include the
information specified in paragraph B.1 of FMS Article I in its financial management system, for the purposes of the non-Federal audits required by paragraph 2.d of this section.

b. **Payments.** Your payments must be based on accomplishment of the outcomes and associated costs that you used to establish the award amount, rather than on subrecipient expenditures for project or program purposes. Milestone payments before the end of the subaward’s period of performance may be appropriate if there are outcomes that the subrecipient will accomplish at different times during that period.

c. **Revision of budget and program plans.** If our prior approval was required under paragraph A.2 of this article for use of a fixed-amount type of subaward, then you must:

   i. Request our prior approval for any change in scope or objective of the subaward; and

   ii. Include a requirement in the subaward for the subrecipient to request that approval through you.
d. **Non-Federal audits.** You must include the requirement for non-Federal audits described in Section F of SUB Article IV. The audits are intended to focus on compliance with the performance requirements in the subaward terms and conditions and not to review actual costs as they would for a cost-type subaward.

3. **Property requirements.**

   a. **Federally owned property.** If the subrecipient will be accountable for federally owned property, you must include the property management system, use, and disposition requirements described in Sections C and F of SUB Article V that are applicable to federally owned property.

   b. **Intangible property.** You must include the applicable intangible property requirements described in Section G of SUB Article V.

4. **Reporting requirements.** You must include requirements for reporting that you need in order to meet your responsibilities under this award for reporting to us.

5. **Other administrative requirements.**
a. **Integrity-related information.** You must include the substance of the provision in Section C of OAR Article I in any subaward you make under this award. The provision must require the subrecipient’s disclosure of any evidence directly to the Inspector General, DoD.

b. **Records retention and access.**

i. You must include the requirements for records retention and access in paragraph A.3 and Sections B and F of OAR Article II, as applicable, if the subaward is to an institution of higher education, nonprofit organization, State, local government, or Indian tribe. You may not impose any other records retention or access requirements on the subrecipient.

ii. You must include the corresponding requirements of 32 CFR 34.42 if the subaward is to a for-profit entity.

c. **Remedies and termination.** You must include:

i. The requirements concerning remedies and termination that are described in paragraphs D.1 and 2 of SUB Article VIII;
ii. Provisions addressing any hearing and appeal rights the subrecipient has, as described in Section E of SUB Article VIII; and

iii. Terms and conditions addressing adjustment of the amount of the subaward if it is terminated before the subrecipient accomplishes all of the specified outcomes.

d. **Continuing responsibilities.** You must include requirements concerning continuing responsibilities for audits and records retention and access that are described in paragraphs B.1 and 3 of OAR Article VII.

e. **Collection of amounts due.** You should consider including requirements concerning collection of amounts due, as described in Section F of SUB Article VIII.

**Section E. National policy requirements for fixed-amount subawards.** You must include in the terms and conditions of each fixed-amount subaward the national policy requirements that SUB Article IX of this award specifies, as applicable.

**Section F. Subrecipient monitoring and other post-award administration.** You must carry out the
subrecipient monitoring and post-award administration actions specified in SUB Article X, as applicable.

Section G. Fixed-amount subawards at lower tiers.

1. Authority.

   a. If Section B of this article authorizes you to use a fixed-amount type of subaward without our prior approval in some situations, a cost-type subaward that you make may authorize the subrecipient to use fixed-amount subawards at the next lower tier in those same situations without our prior approval.

   b. If you wish to allow a subrecipient of a cost-type subaward to use fixed-amount subawards at the next tier in other situations (i.e., situations in which this article requires you to obtain our prior approval before using a fixed-amount type of subaward), your subaward terms and conditions must require the subrecipient to submit a request through you to obtain our prior approval for use of that type of subaward.

2. Subaward requirements. If your subrecipient is authorized to use lower-tier fixed-amount subawards,
as described in paragraphs 1.a and b of this section, your subaward’s terms and conditions must:

a. Require the subrecipient, before it makes any lower-tier fixed-amount subaward, to:

   i. Ensure that the lower-tier transaction is a subaward, rather than a procurement, by making the determination that SUB Article I of this award requires you to make for your subawards.

   ii. Conduct the pre-award risk assessment of its intended subrecipient that Section B of SUB Article II of this award requires you to make for your subawards.

b. Include the requirements specified in Sections A through F of this article.
