
Rule 17a-5 is the basic financial reporting rule for brokers and dealers. The rule requires the filing of Form X-17A-5, the Financial and Operational Combined Uniform Single Report ("FOCUS Report"), which was the result of years of study and comments by representatives of the securities industry through advisory committees and through the normal rule proposal methods. The FOCUS Report was designed to eliminate the overlapping regulatory reports required by various self-regulatory organizations and the Commission and to reduce reporting burdens as much as possible. The rule also requires the filing of an annual audited report of financial statements.

The FOCUS Report consists of: (1) Part I, which is a monthly report that must be filed by brokers or dealers that clear transactions or carry customer securities; (2) one of three alternative quarterly reports: Part II, which must be filed by brokers or dealers that clear transactions or carry

customer securities; Part IIA, which must be filed by brokers or dealers that do not clear
transactions or carry customer securities; and Part IIB, which must be filed by specialized broker-
dealers registered with the Commission as OTC derivatives dealers;\(^2\) (3) supplemental schedules,
which must be filed annually; and (4) a facing page, which must be filed with the annual audited
report of financial statements. Under the rule, a broker or dealer that computes certain of its
capital charges in accordance with Appendix E to Exchange Act Rule 15c3-1 must file additional
monthly, quarterly, and annual reports with the Commission.

The Commission estimates that the total hour burden under Rule 17a-5 is approximately
328,746 hours per year when annualized, and the total cost burden under Rule 17a-5 is
approximately $35,287,127 per year.
