ACTION: Notice.

SUPPLEMENTARY INFORMATION:

I. Background: OFCCP administers and enforces the three equal employment opportunity laws listed below.

• Executive Order 11246, as amended (EO 11246)
• Section 503 of the Rehabilitation Act of 1973, as amended (Section 503)
• Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (VEVRAA)

These authorities prohibit employment discrimination by covered federal contractors and subcontractors and require that they provide equal employment opportunities regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran. Additionally, federal contractors and subcontractors are prohibited from discriminating against applicants and employees for inquiring about, discussing, or disclosing information about their pay or the pay of their co-workers, subject to certain limitations. EO 11246’s basic coverage applies to federal contractors and subcontractors and to federally assisted construction contractors holding a government contract in excess of $10,000, or government contracts that have, or can reasonably be expected to have, an aggregate total value exceeding $10,000 in a 12-month period. EO 11246 also applies to government bills of lading, depositories of federal funds in any amount, and to financial institutions that are issuing and paying agents for U.S. Savings Bonds. EO 11246’s Affirmative Action Program (AAP) requirements apply to federal contractors and subcontractors with 50 or more employees and a contract of $50,000 or
more. Section 503 prohibits employment discrimination against applicants and employees
because of physical or mental disability and requires affirmative action to ensure that persons are
treated without regard to disability. Section 503 applies to federal contractors and subcontractors
with contracts in excess of $15,000, and its AAP coverage applies to federal contractors and
subcontractors with 50 or more employees and a contract of $50,000 or more. VEVRAA
prohibits employment discrimination against protected veterans and requires affirmative action
to ensure that persons are treated without regard to their status as a protected veteran. VEVRAA
applies to federal contractors and subcontractors with contracts of $150,000 or more, and its
AAP coverage applies to federal contractors and subcontractors with 50 or more employees and
a contract of $150,000 or more. This information collection request (ICR) seeks authorization
for an annual Affirmative Action Program online certification process for federal contractors and
for a secure method for federal contractors to submit AAPs electronically to OFCCP when they
are scheduled for a compliance evaluation.

II. Review Focus: OFCCP is particularly interested in comments which:

• Evaluate the proposed frequency and level of information collection;
• Evaluate whether the proposed collection of information is necessary for the enforcement
and compliance assistance functions of the agency that support the agency’s compliance
mission, including whether the information will have practical utility;
• Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection
of information, including the validity of the methodology and assumptions used;
• Enhance the quality, utility, and clarity of the information to be collected; and
• Minimize the burden of the collection of information on those who are to respond,
including through the use of appropriate automated, electronic, mechanical, or other
technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

III. Current Actions: OFCCP seeks approval of this new information collection in order to carry out its responsibilities to enforce the nondiscrimination and affirmative action provisions of the three legal authorities it administers.
