116-136 (March 27, 2020), Congress provided authority for deferments due to a qualifying
emergency. Generally, the CARES Act provides that the Secretary may grant a deferment to
recipients of Program loans, regardless of whether the recipient is a public or private HBCU, for
the duration of the coronavirus-related emergency. The Department has developed an
application for HBCUs to seek a deferment of a Program loan under the CARES Act. This
application will allow a Program participant to request the deferment and submit information for
the Department’s required report to Congress regarding its use of its CARES Act authority to
grant the deferments.
