**SUPPLEMENTARY INFORMATION:** The ESGR, a component of the Defense Personnel and Family Support Center, was established in 1972 to promote cooperation and understanding between Reserve Component Service members and their civilian employers and to assist in the resolution of conflicts arising from an employee's military commitment. ESGR is supported by a network of more than 4,900 volunteers in 54 committees located across all 50 states, the District of Columbia, Guam-Commonwealth of the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Volunteers, hailing from small business and industry, government, education, and prior military service bring a vast wealth of experience to assist in serving employers, service members, and their families. Together with Headquarters, ESGR staff and a small cadre of support staff for each State Committee, volunteers work to promote and enhance employer support for military service in the Guard and Reserve.
