

Aeris Resources updates on Round Oak acquisition and near-term priorities

DIGITAL ASSET DIRECT BY AERIS RESOURCES LTD

Melbourne, Victoria | November 22, 2022 03:50 PM Eastern Standard Time

Aeris Resources Ltd (ASX:AIS) chairman André Labuschagne speaks with Proactive's Andrew Scott following news Tombola Gold Ltd has moved to 100% ownership of the Golden Mile Project. Aeris is working on an updated mineral resource estimate for the Turbo lens at Bentley deposit within the 100%-owned Jaguar Operations in WA and is making strong progress with copper production and exploration in NSW.
