

Alusid developing floor tile made from 100% recycled waste

NEWS RELEASE BY FRONTIER IP GROUP PLC

London, UK | February 09, 2023 05:58 AM Eastern Standard Time

Frontier IP Group PLC (AIM:FIPP, OTC:FGPPF) portfolio company Alusid CEO Alasdair Bremner speaks to Proactive's Thomas Warner about a collaboration with Imerys to develop a floor tile made from 100% recycled waste material. Bremner says that early indications suggest that the tiles require 30% less energy to produce, before going on to reveal the next steps for the project.
