Forward-Looking Statements

This press release contains forward-looking statements. All statements other than statements of historical facts included in this press release are forward-looking statements. In some cases, forward-looking statements can be identified by words such as "believe," "expect," "anticipate," "plan," "potential," "continue" or similar expressions. Such forward-looking statements include risks and uncertainties, and there are key factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements. Investors are encouraged to review the Company's filings with the Securities and Exchange Commission. Investors should not place any undue reliance on forward-looking statements since they involve known and unknown, uncertainties and other factors which are, in some cases, beyond the Company's control which could, and likely will, materially affect actual results, levels of activity, performance or achievements. Any forward-looking statement reflects the

Company's current views with respect to future events and is subject to these and other risks, uncertainties and assumptions relating to operations, results of operations, growth strategy and liquidity. The Company assumes no obligation to publicly update or revise these forward-looking statements for any reason, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if added information becomes available in the future.
