

An Office Clean Out Provides Thousands of Binders to Students in Need

NEWS RELEASE BY PUBLIC SERVICE ENTERPRISE GROUP (PSEG)

Northampton, MA | July 23, 2021 02:07 PM Eastern Daylight Time

What started as an office cleanout turned into a donation of more than 3,000 binders to help local schools. "COVID has hit a lot of families hard - especially financially - which has made it difficult for parents to acquire necessary school supplies for their children. This donation will help a the children of Newark get some necessary school supplies they need." - Resource Recovery Specialist Kelsey DuBois. #PSEGProud #community #donations #corporate social responsibility #ESG
